Zondervan

Does It Matter Who Wrote the Bible? David B. Capes, 2025-05-20 Students in seminary or graduate theology programs learn that some books in the Bible are anonymous. Their professors will make the point that many Pauline letters have disputed authorship and may in fact not be written by Paul. Students will also learn about the practice of pseudonymity in the world of the Bible and how some Gospels or letters are written under a false name. Now for those who become pastors or church leaders, what are they to do with what they learn? Do they teach their congregants about these authorship questions? Do they ignore that part of their training as irrelevant to the task? Do they avoid teaching or reading publicly from disputed books? Do these questions not matter in the end because the church settled on the canon? This book aims to address these pastoral challenges. An international group of scholars from universities, seminaries, and graduate theology programs convened to discuss these matters at the Lanier Theological Library in May 2022. These essays represent how many faculty are wrestling with the pastoral implications of anonymity and pseudonymity in the New Testament.

1-2 Thessalonians (Baker Exegetical Commentary on the New Testament) Jeffrey A. D. Weima, 2014-11-11 In this addition to the critically acclaimed BECNT series, respected New Testament scholar Jeffrey Weima offers pastors, students, and teachers the most up-to-date and substantive commentary available on 1-2 Thessalonians. 1 and 2 Thessalonians Nijay K. Gupta, 2019-07-23 The study of Paul's Thessalonian letters is enjoying fresh interest today. These texts are considered by many to be amongst the earliest extant Christian documents. They are included in conversations about early Jewish and Christian apocalypticism. New insights are coming from examination of the religious, socio-cultural, and political contexts of Roman Thessalonica. And, looking back, these letters have played an important role in the development of Christian eschatology. This volume serves as an up-to-date guide to these academic discussions and debates and much more. This volume on 1 and 2 Thessalonians in the Zondervan Critical Introductions to the New Testament

series offers a volume-length engagement with subjects that normally only receive short treatments in biblical commentaries or in New Testament Introductions. This volume addresses: Authorship Date Audience Socio-Historical Context Genre Purpose Integrity Textual History Greek Style Structure Argument Other Critical Issues Main Interpretive Issues Reception into the Canon Selected History of Interpretation Bibliography

1 and 2 Thessalonians Andy Johnson, 2016-09-23 A distinctively theological interpretation of the Thessalonian letters In this commentary Andy Johnson engages with the developing interpretive framework of missional hermeneutics to present a theological interpretation of 1 & 2 Thessalonians that aims to help the church more fully participate in the life and mission of the triune God. After a verse by-verse commentary, Johnson closely examines the theology of the two epistles, focusing especially on the topics of eschatology, holiness, and election in light of his missional reading of 1 and 2 Thessalonians. In his exegetical and theological analyses, Johnson considers canonical concerns, doctrinal commitments, ecclesial practices, proposals from contemporary systematic theology, and insights gleaned from the field of neuroscience regarding personal and community formation, all of which help to clarify and enrich readers' understanding of various passages.

Price, Stan Purdum, 2018-10-16 Winter Theme: Our Love for God Deuteronomy | Joshua | Psalms | Matthew | Philippians | James Our lessons begin with God's demands for our complete and undivided love as shown in passages from Deuteronomy and Psalms. They proceed with our response to God's love in the advent of Christ and the Epistles' interpretations of the nature and extent of our responses to God's love in Christ. They conclude with passages from three of the Psalms expressing glorification of God. The student book lesson writer is Stan Purdum; the writer of the lessons in the teacher book is Mark Price. God Commands Our Love, Respect, and Obedience The first unit offers five lessons. The Deuteronomy passage contains a presentation of God's demand for total love and devotion. The lesson from Joshua contains his faithful statement of love and reverence for a liberating God. Our lesson from Psalm 103 reviews David's expressions of love and glorification for God's creative, sustaining, and protective actions. The lesson from Luke portrays the advent of Christ and the human response to God's act of fulfilling the promise. Finally, the text from Matthew challenges us to love God through compassionate works. Loving God by Trusting Christ The quarter's second unit also offers five lessons. Matthew continues to inspire trust in God for all things, while James encourages total submission to God in love. In his letter to the Philippians, Paul gives an interpretation of human devotion to God in Christ; promotes selfless devotion through exemplification of Christ's total submission to God in love; and encourages giving up everything for the sake of one's love for Christ. Love Songs That Glorify God The final unit this quarter offers three lessons from Psalms. Psalm 48 focuses on a song of adoration for God's steadfast love; Psalm 66 focuses on part of a love song of praise to God for mighty

A Biblical-Theological Introduction to the New Testament Michael J. Kruger, 2016-05-31 Introductions to the New Testament often take a defensive stance, focusing on historical-critical issues but failing to address the interests and needs of pastors and Bible teachers. However, with an emphasis on the theology, key themes, and overall message of each book in the New Testament, this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach. Written from a distinctly Reformed, covenantal, and redemptive-historical perspective, this theologically rich, expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight.

I and II Thessalonians M. Eugene Boring, 2015-08-24 I and II Thessalonians are letters written to new Christian communities in Thessalonica early in Paul's ministry. Paul wrote these letters after a brief stay in order to instruct them further as they anticipate Jesus' second coming. In this new volume in the acclaimed New Testament Library series, M. Eugene Boring offers a scholarly interpretation of I and II Thessalonians while examining their historical context. Boring helps the reader learn to read these letters in context, particularly in relation to Paul's life as well as to the new converts who lived in Thessalonica. He addresses aspects such as structure, tone, style, language, and—*for II Thessalonians*—questions of authorship, while offering insightful theological perspectives. Boring's critical interpretation is a welcome addition to the New Testament Library and provides a solid resource for both the academy and the church. The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament, providing fresh translations based on the best available ancient manuscripts, critical portrayals of the historical world in which the books were created, careful attention to their literary design, and a theologically perceptive exposition of the biblical text. The editorial board consists of C. Clifton Black, Princeton Theological Seminary; M. Eugene Boring, Brite Divinity School; and John T. Carroll, Union Presbyterian Seminary.

THE NEW TESTAMENT DOCUMENTS Edward D. Andrews, 2020-06-17 What are the churchgoers, the Bible college

students, and seminary students to do when one Bible scholar says one thing and another Bible scholar says something quite different, or worse still, several Bible scholars are giving you several different opinions on one particular Bible issue? What makes it even more unsettling is when the Christian is not well informed in that area of study, only having basic knowledge. How can the Christian possibly know which of the Bible scholars are correct? Worse still, the Christian is put in the embarrassing position on social media of telling an atheist or Bible critic one of the scholar's views, and then the atheist or Bible critic responds to the Christian with, 'no your evidence is outdated, as recent research points to _____,' and then they offer another answer that put the Bible in a bad light. What is the Christian to do? What will be accomplished here in this publication is we are going to give the reader much evidence when it comes to the documents of the New Testament, how that evidence impacts our Bible translations and an in-depth look at Bible difficulties as well. This can be used to build your faith, to save someone who may have begun to doubt the trustworthiness of the Bible, and many reading responses that can be used on social media and other forms of your ministry. Andrews is an author of more than 140 books, many of which are a defense of God's Word.

This third edition offers a number of revisions and a new section on the deuterocanonical books. Neither polemical nor apologetic, The Bible presents the biblical writings as the efforts of men and women in the past to understand their lives and their world in light of the ways they understood the divine.
