Like Clay Under the Seal Dean Odle, 2019-12-30 Like Clay Under the Seal chronicles the journey and research of a pastor who had his eyes opened to the foretold end-time conspiracies and Satan's greatest deception. In this book, Pastor Dean Odle examines evidence from true scientific experiments, FOIA declassified government documents and what the Bible ACTUALLY teaches about the nature of creation. Are you ready for the truth? Does the Bible teach a big bang, heliocentric, spinning, orbiting spherical earth? Have space agencies been deceiving all of us? What is space? What are satellites? Does the aether exist? What did the Michelson-Morley experiments really discover? Was Einstein's theory of relativity a cover up? What is the firmament? Is there evidence that the earth is flat? Why do the sun, moon and stars look smaller and closer than we have been told? Find out in Like Clay Under the Seal.

Unzipped a Revelation Todd A. Rehnquist, 2012-05 WHY A REVELATION? In a Revelation of Conflict for the Soul Becoming, there is a question that is being asked of all who might pick up this book and press through from cover to cover. The premise of this writing is to ask you one simple question and to ask it in many different applications as our lives are all moving through distinct seasons. Why does anyone need a revelation? It is for the purpose of gaining a knowing that comes not from this realm but from the realm where this domain was created. If that peaks your interest then I can't wait for you to read and glean and ask for more of why? WHY NOW? Why now is not for me to answer as much as it is for the Lord of Heaven to reveal to you, why not now? We wake up, we go to sleep and we wake up, maybe? The time is now! It is time to answer the question that has not been asked in a way that has brought you the confirmation that you need. You need to know, and you need to be known! The time is now and it is now for this reason; tomorrow is a hope and just because it is, does not mean that you are guaranteed to have it, at least in this kingdom. WHY ME? Why you is for one simple reason. Until the revelation becomes in you, you will never know why and for what purpose you were created. You were created to become the Bride of Christ. This was always the Father's desire, that you would have intimacy with Him. THE QUESTION IS THIS: ARE YOU WHO YOU SAY YOU ARE OR ARE YOU SOMETHING ELSE?

How to answer to an atheist Roope Berg, 2025-06-12 In today's debate about religion and Christianity, atheism seems to be dominant. And anyway, at least in Western countries, atheism seems to be the dominant ideology. One reason for this seems to be that Christians, that is, Jesus' disciples, do not know their own matter well. Atheists have many websites to help

them in the discussion, where attacks against Christianity are collected, but the greatest help for them is the ignorance of Christians in many matters. Of course, Christians also have their own websites, where there are ready-made answers. But in many cases, those answers seem to be a bit incomplete, which gives the opponent an advantage. The saddest part of ignorance is that many wrong and false perceptions are unleashed when people don't know how to correct them. It can easily lead many to abandon Christianity and also prevents many from choosing Christianity. Everyone should be free to choose whether to believe the message, but it would be good if the choice were based on correct information, and not just one, often distorted, view on the matter. This book examines many of the questions and answers related to Christianity that have come up in discussions. The book is not intended to make you a believer, and you don't even have to agree with the ideas. The goal is to provide an alternative to what otherwise seems to be quite one-sided thinking and hopefully help you understand things related to Christianity better.

**Signergy** C. Jac Conradie, Ronél Johl, Marthinus Beukes, Olga Fischer, Christina Ljungberg, 2010-05-26 The title of this volume strives to capture the dynamic scope and range of the essays it contains, applying insights into the workings of iconicity to texts as far removed from each other in time as the Medieval tale of a bishop-fish and the war-poems of 20th century Italian Futurist F.T. Marinetti, and as thematically diverse as the Pilgrim's Progress and the poetry of e.e. cummings. Applications reference both language and linguistics as well as literature and literary theory - and related fields such as sign language and translation; the former approached from the point of view of Japan Sign Language, the latter with reference to translations of the Koran and the Sesotho Bible, as well as modern German and English Bible translations. On the language side, the intricate relationships between sound symbolism and etymology, and between analogy and grammaticalization are examined in depth. On the literary side, the iconic effects of techniques such as enjambment and metrical inversion are considered, but also the ways in which an understanding of iconicity can open up meanings in complex poetry, like that of the Afrikaans poet T.T. Cloete - in this particular instance three poems inspired by figures as diverse as Dante, Paul Klee and the pop icon Marilyn Monroe. In view of the fact that form is able to mime meaning and meaning itself can be mimed by meaning, the theoretical question is asked - on the basis of a wide range of examples from literature, language, music and other sign-systems - whether meaning can also mime form. An introduction to the work of H.C.T. Müller, an early scholar in the field of iconicity, highlights a regrettably little known South African contribution to the development of iconicity theory.

**Gospel Earth** Steven Patrick, 2021-03-11 Hidden in plain sight. Within the Scriptures are truths that our Father in heaven wants to reveal to us. These truths will challenge every human being to reconsider what we thought we knew. Since the dawn of man, theories, math, science, lies, and speculation have been at odds with God's word. No more! Gospel Earth illuminates all the questions, including the messages that are not preached about on Sundays. The one who seeks to kill and destroy, uses false narratives and fake news to make even bold followers of Christ complacent. Liars beware: Gospel Earth is

truth, and the truth will set you free. Anyone who belongs to God listens gladly to the words of God. But you don't listen because you don't belong to God. (John 8:47)

*Holman Old Testament Commentary Volume 10 - Job* Steven J. Lawson, Max Anders, 2005 No other book in the Bible compares with the wonder of the sacred collection of inspired worship songs known as the Psalms. Considered by many to be the most loved portion of Scripture, the Psalms have been a bedrock of comfort and a tower of strength for believers in every experience of life. This is the second of two volumes in the Holman Old Testament Commentary given to the Psalms, that provide commentary on Psalms chapters 76-150. Some of the key Psalms receive an added in-depth treatment that includes exposition, illustrations, and teaching plans. - <http://www.christianbook.com>

**Job** Rudolph E Honsey, 1992-07-01 What is the book of Job about? Who is Job in the Bible? Job is a literary masterpiece that tells the story of a man described as “blameless and upright” who “feared God and shunned evil.” Yet Job suffered horribly. He lost possessions, his health, even his dearly loved sons and daughters. In this book, God reminds believers that he sometimes sends suffering to test them. His faithful people patiently endure each trial and trust that God’s ways are far beyond the human ability to understand. Want to learn more? If you’re wondering what the book of Job is all about, this helpful resource is for you! Job is a reliable Bible commentary. It’s down to earth, clearly written, easy to read and understand, and filled with practical and modern applications to Scripture. It also includes the complete text of the book of Job from the NIV Bible. The Christ-centered commentaries following the Scripture sections contain explanations of the text, historical background, illustrations, and archaeological information. Job is a great resource for personal or group study! This book is a part of The People’s Bible series from Northwestern Publishing House.
