Kingsley L. Dennis

Return of the Bird Tribes Ken Carey, 1988 The spirits of the Bird Tribes, America's prehistory inhabitants, explain the Great Day of Purification, the 24-year earth cycle that began last August and must cleanse the planet before the actual dawning of the New Age.

You Are Dearly Loved Sheila S. Dempsey Ph.D., 2018-12-04 You Are Dearly Loved was written to help you feel Spirit's love for you—no matter who you are in the eyes of society, no matter what you've done or neglected to do. The author recounts the story of her awakening to Spirit's love, beginning with a mystical experience where an energy of such immense power and love burst through her that, for the first time in her life, she felt truly loved. In a life filled with chronic illness and depression, it was a miraculous moment and she would never be the same again. After years of meditating, she began to receive messages of love from Spirit for others, and there are several "Messages from Spirit" for you throughout the book. You Are Dearly Loved also addresses the issue of how the culture can make it difficult to remember who we really are—infinite awareness and infinite love.

Gordon Melton, 1992-11-03 This book begins with a comprehensive historical section that places the New Age within the context of its predecessor movements. The book also examines the international impact of the New Age.

The Phoenix Generation Kingsley L. Dennis,2014-09-23 According to futurist and sociologist, Kingsley L. Dennis, humanity is entering a momentous phase in its history. Being born today is a generation of children that will radically reinvent human society, moving our culture from competition, control, and censorship toward connection, communication, and compassion. The Phoenix Generation's impact will begin to be felt in 2030, but there much to do to prepare for their arrival. The book is divided into three parts. Part one briefly describes the thorny issues (e.g. global warming, nationalism, and food and water shortages) that the solution-oriented ways of the Phoenix will resolve. Dennis posits that the generations of adults living today are the bridge to the Phoenix and he shows how such developments as the worldwide web and the explosion of mobile technologies are paving the way for them. Part two describes the changes in our own consciousness being brought about by technology and what we need to do to speed their arrival. Part three gives details how the Phoenix generation will be different from us. The Phoenix Generation will work toward forming a planetary society a transition more radical than the shift from agrarian to urban life during the Industrial Revolution. These children are being born with increased instinctive intelligence and with a greater degree of inherited wisdom. With them, the quantum revolution begun 100 years ago will become mainstream. This will bring about a shift away from external dependencies (e.g. our dependency on higher education for career advancement). This normalizing of new perspectives, cosmic awareness, and of multi-dimensional realities will usher in a great wave of change. The Phoenix Generation is a deeply positive examination of our collective future.

Ask Your Angels Alma Daniel, Timothy Wyllie, Andrew Ramer, 2011-06-22 Angels have been with us in every time and culture, and in many religious traditions. Ask Your Angels vividly chronicles how they are currently reaching out to every one of us in a totally new way, bridging our physical reality with their pure spiritual energy. From historical writings and widespread contemporary experience that includes their own workshops, the authors show us how we can draw on the power of angels to reconnect with our lost inner selves and to achieve our goals, whether they be better relationships, healing an illness, or recovery from addiction To align with the angelic energy field, you will use five simple steps, as well as exercises, meditations, and visualizations, to learn how to talk with your angels—in your mind, in letters, in dreams, on a computer—and ask their guidance in matters from the inspired to the mundane. From Gabriel, Michael, Raphael, and Uriel to the angels of birth and death, from the Earth Angel to the guardian or companion angel who is your personal teacher, comforter, and intimate friend, this guide will introduce you to humor, wisdom, and companionship that come from contact with angels, for they are a doorway to the Divine within us.

Fast Media, Media Fast Thomas W. Cooper, 2011-05-18 FAST MEDIA, MEDIA FAST is an exciting guide for taking a liberating media fast in an age of increasingly fast media. It is the first book to provide readers a practical, user-friendly and thought-provoking guide to gaining a newfound control and understanding of their relationship with the media. This researched, seasoned manual provides specific guidelines, important areas for thought, creative options and life-changing opportunities. FAST MEDIA, MEDIA FAST also shows how to take control of the media choices in our lives. This book is not a judgmental, media-bashing sermon, but rather an inspiring guide to cultural nutrition. In fact, most people do not typically choose to eliminate all media from their lives when they return from a fast, but rather make more informed and conscious choices about what to consume, how much, when, and why. Fasters also return more rested, revitalized, and thoughtful, often excited about new directions and purpose, or about being better organized and centered. The reader of FAST MEDIA, MEDIA FAST will find out how to eliminate or minimize problems stress, overwork, waste, burn-out, fuzziness, speed-up, apathy, emptiness, ebbing relationships -- which come from media overdoses in our modern world. She will learn that there are alternatives which allow us to regain control over our lives. FAST MEDIA, MEDIA FAST acquaints us with how fast media are changing our lives, and what we can do about it. Many readers will rediscover original thinking, creativity, what they always wanted to do, and to become deeply fulfilled in their lives.

Symbols from the Kingdom Within Janine M. Prefontaine,2002-06-27 "For twenty years I've read spiritual books. I'm more hopeful and encouraged by your book than I've been in years. Thank you for giving us self-empowering prayers connecting us directly to God." Gail McGraw, AZ. "We, the Diamond/Heart Angels, wish to send our greetings and great admiration to Earth and everyone. We have been partnering with human beings from the beginning. The love we feel in our hearts for you is universal. Look around; you will notice subtle changes occurring in your thoughts and in your lives. In each atom of your being, miracles are available for everyone now. Look for the good in all and everything, and you will know yourselves in WEness as manifest GodLove." Through visions, and Q&A, Book Two of Symbols is a continuing teaching from the Diamond/Heart Angels. While absorbing their love into our being, each of us is being asked to hold LOVE thoughts for
