

# Schma De La Monobrosse

**Sabrina Royer**

**Mémo-Fiches AS - Modules 1 à 8 + AFGSU** Catherine Müller, Jérôme Chevillotte, 2019-06-11 Ce Mémo-Fiches AS offre aux élèves aides-soignants un outil de révision utile et efficace pour préparer leur formation de façon optimale. Conforme au référentiel de formation des aides-soignants, l'ouvrage suit la structure des 8 modules d'enseignement du programme officiel + l'attestation de formations aux gestes et soins d'urgences (AFGSU) : • Module 1 : Accompagnement d'une personne dans les actes de la vie quotidienne • Module 2 : État clinique d'une personne • Module 3 : Soins • Module 4 : Ergonomie • Module 5 : Relation-communication • Module 6 : Hygiène hospitalière • Module 7 : Transmission des informations • Module 8 : Organisation du travail • AFGSU de niveau 2 Construit sous forme de fiches faciles à consulter, l'ouvrage présente les connaissances fondamentales liées au métier d'aide-soignant de manière très pédagogique. Chaque fiche est construite de la même façon : • les définitions se rapportant au thème traité ; • les notions à connaître ; • l'essentiel du thème à retenir. Enfin, pour tous les modules un contrôle des connaissances est proposé sous forme de QCM, QROC, et un cas clinique avec corrigés permettant à l'étudiant de s'entraîner et de s'auto-évaluer. Clair et pratique, ce Mémo-Fiches AS s'adresse aux élèves aides-soignants et à leurs formateurs, mais aussi aux professionnels désireux d'actualiser leurs connaissances.

Mémo-Fiches AS - Blocs de compétence 1 à 5 + AFGSU Catherine Müller, Jérôme Chevillotte, 2022-08-30 Une réforme des études AS a été mise en application en septembre 2021. Le nouveau référentiel propose l'intégration de nouvelles compétences et une réorganisation pédagogique en 5 grands blocs de compétences regroupant 11 compétences liées à 11 activités. Ce nouveau Mémo-fiches AS est conforme à la réforme et couvre ces 5 blocs de compétences + l'attestation de formation aux gestes et soins d'urgences (AFGSU). Il offre aux élèves aides-soignants un outil de révision utile et efficace pour préparer leur formation de façon optimale, en complément du Guide AS. Construit sous forme de fiches faciles à consulter, ce mémo-fiches présente les connaissances fondamentales liées au métier d'aide-soignant de manière très pédagogique. Chaque fiche est construite de la même façon : les définitions se rapportant au thème traité ; les notions à connaître ; des illustrations ; l'essentiel du thème à retenir. Enfin, pour toutes les compétences, un contrôle des connaissances est proposé sous forme de QCM, de QROC et d'un cas clinique avec corrigés permettant à l'étudiant de s'entraîner et de s'auto-évaluer. Clair et pratique, ce Mémo-fiches AS s'adresse aux élèves aides-soignants et à leurs formateurs, mais aussi aux professionnels désireux d'actualiser leurs connaissances.

*Guide AS - Aide-soignant* Catherine Müller, Jacqueline Gassier, GÉRACFAS, 2021-08-24 Véritable « tout-en-un » de l'étudiant, le Guide AS présente, de manière claire et pédagogique, l'ensemble des connaissances fondamentales et pratiques indispensables aux élèves aides-soignants pour l'obtention du diplôme d'État (DEAS). Cette nouvelle édition a été entièrement mise à jour et est conforme au nouveau programme 2021 qui s'appliquera dès la rentrée. Désormais répartis en 5 blocs de compétences, les 10 Modules ont été réorganisés de façon pédagogique et intègrent de nouvelles compétences comme l'évaluation de l'état clinique d'une personne et la collaboration à la réalisation des soins. Les Modules sont repérables dans l'ouvrage par une couleur spécifique : ● Module 1 : Accompagnement d'une personne dans les actes de sa vie quotidienne et de la vie sociale ; ● Module 2 : Repérage et prévention des situations à risque ; ● Module 3 : Évaluation de l'état clinique d'une personne ; ● Module 4 : Mise en œuvre des soins adaptés, évaluation et réajustement ; ● Module 5 : Accompagnement de la mobilité de la personne aidée ; ● Module 6 : Relation et communication avec les personnes et leur entourage ; ● Module 7 : Accompagnement des personnes en formation et communication avec les pairs ; ● Module 8 : Entretien de locaux et des matériels et prévention des risques associés ; ● Module 9 : Traitement des informations ; ● Module 10 : Travail en équipe pluriprofessionnelle, traitement des informations, qualité/gestion des risques. Chaque module propose : □ un cours très complet, présentant l'ensemble des savoirs théoriques à connaître ; □ des encadrés « rôle de l'AS », qui récapitulent les compétences et activités à maîtriser par l'aide-soignant ; □ de nombreux exemples de situations concrètes analysées, illustrant les différentes notions abordées ; □ des fiches techniques très détaillées, décrivant les différents gestes à accomplir dans la pratique quotidienne. De nombreux tableaux et dessins illustrent le cours, dans une présentation tout en couleurs, claire et agréable. Enfin, l'AFGSU de niveau 2 complète la formation

**La Part langagière intériorisée** Sabrina Royer, 2025-06-10 This book explores the often-overlooked linguistic practices of migrant workers in the cleaning sector, a field commonly associated with simple tasks but requiring specific language skills to manage actions and unforeseen situations. Conducted at Joliot Curie High School in Oignies, this study examines the internalized linguistic component that...
