stan schmidt

The Ultimate Gift Rene Gutteridge, 2007-03-18 Jason Stephens lives a life of wealth. A life of privilege. A life that's about to take a radical turn. Jason always had a straightforward relationship with his billionaire grandfather, Howard Red Stevens. He shunned him but welcomed his money. So he figured when Red died, his part of the inheritance would be a simple cash transaction that would fund his extravagant lifestyle. Instead, for Jason to receive his inheritance, he's given an ultimatum...a series of twelve tests or gifts as Red calls them. If he fails at any one of them, he loses everything. If he completes them all, the ultimate gift will be his. One of those gifts involves finding a friend...something Jason has never experienced before. Yet this unlikely friendship and an unexpected romance may just open his eyes to what he's been missing all along. You don't begin to live until you've lost everything.

The Essential James Garner Stephen H. Ryan, Paul J. Ryan, 2018-06-07 Since his television debut in the mid-1950s, James Garner entertained millions of fans on screens both big and small. From supporting roles in memorable films like *Sayonara* and *The Notebook* to leading roles in box office hits including *The Great Escape*, *Victor / Victoria*, and the feature film version of *Maverick*, the actor appeared in some of the most entertaining movies of all time. In *The Essential James Garner*, Stephen H. Ryan and Paul J. Ryan consider the prolific output of one of America's most beloved actors. This book looks at the key feature films, made-for-television movies, and television episodes of Garner's career. The authors discuss each of the actor's most well-known films—*The Great Escape*, *The Americanization of Emily*, *Support Your Local Sheriff!* and *Murphy's Romance*, among others—as well as critically acclaimed television movies including *Barbarians at the Gate*, *Breathing Lessons*, *Decoration Day*, *Heartsounds*, *My Name Is Bill W.*, and *Promise*. Each entry provides details about the film's production, critical reception, and commercial success. The best episodes of Garner's two iconic television series, *Maverick* and *The Rockford Files*—as well as his highly regarded but little seen series *Nichols*—are also identified. The authors make clear why these choices are indispensable viewings, not only for those already familiar with Garner, but also for those who have yet to enjoy the work of this Oscar nominee and multiple Emmy winner. A tribute to the career of a Hollywood legend, *The Essential James Garner* will appeal to anyone wanting to know more about the actor's best films and programs.

How to Think Like an Anthropologist Matthew Engelke, 2019-06-18 What is anthropology? What can it tell us about

the world? Why, in short, does it matter? For well over a century, cultural anthropologists have circled the globe, from Papua New Guinea to suburban England and from China to California, uncovering surprising facts and insights about how humans organize their lives and articulate their values. In the process, anthropology has done more than any other discipline to reveal what culture means--and why it matters. By weaving together examples and theories from around the world, Matthew Engelke provides a lively, accessible, and at times irreverent introduction to anthropology, covering a wide range of classic and contemporary approaches, subjects, and practitioners. Presenting a set of memorable cases, he encourages readers to think deeply about some of the key concepts with which anthropology tries to make sense of the world--from culture and nature to authority and blood. Along the way, he shows why anthropology matters: not only because it helps us understand other cultures and points of view but also because, in the process, it reveals something about ourselves and our own cultures, too. --Cover.

Politics in China William A. Joseph, 2014-03-14 On October 1, 2009, the People's Republic of China (PRC) celebrated the 60th anniversary of its founding. And what an eventful and tumultuous six decades it had been. During that time, under the leadership of the Chinese Communist Party (CCP), China was transformed from one of the world's poorest countries into the world's fastest growing major economy, and from a weak state barely able to govern or protect its own territory to a rising power that is challenging the United States for global influence. Over those same years, the PRC also experienced the most deadly famine in human history, caused largely by the actions and inactions of its political leaders. Not long after, there was a collapse of government authority that pushed the country to the brink of (and in some places actually into) civil war and anarchy. Today, China is, for the most part, peaceful, prospering, and proud. This is the China that was on display for the world to see during the Beijing Olympics in 2008. The CCP maintains a firm grip on power through a combination of popular support largely based on its recent record of promoting rapid economic growth and harsh repression of political opposition. Yet, the party and country face serious challenges on many fronts, including a slowing economy, environmental desecration, pervasive corruption, extreme inequalities, and a rising tide of social protest. *Politics in China* is an authoritative introduction to how the world's most populous nation and rapidly rising global power is governed today. Written by leading China scholars, the book's chapters offers accessible overviews of major periods in China's modern political history from the mid-nineteenth century to the present, key topics in contemporary Chinese politics, and developments in four important areas located on China's geographic periphery: Tibet, Xinjiang, Hong Kong, and Taiwan.

The Journey K.C. Das,K. Das,2020-08-06 K. C. Das is deservedly one of the most celebrated writers in India today. He writes primarily in Oriya, the language of his native state of Orissa, where he was born in 1924. A civil servant by profession, Das pursued a second career as a writer of stories, poems, and essays. The stories in this collection take place in an urban setting. The characters are mainly middle class, making them more accessible to North American readers than other examples of contemporary Indian fiction. These are not simple stories. They are about “divides,” about gaps between realities and imagination. In complex shifts between direct dialogue, interior monologue, and interior or imagined dialogue, Das lovingly but mercilessly exposes his characters' thoughts, self-deceptions, and the games they play with each other. These are stories about human weaknesses, the fallibility of human relationships, and the strategies we adopt to cope with our failures. They are about coming to terms with unpleasant, sometimes shocking truths about ourselves and others.

The Greatest Sacrifice Richard Lyons,2011-06-29 The volume you hold in your hand represents a collection of topics put in poetic and biblical form for the enjoyment of all who choose to read the contents. It is intended to cause some deep and perhaps some provocative thoughts about the way we live and go about our daily routines. There may be some comparison poems that you find amusing and real. It is my hope that your reading and interpretation causes you much comfort and joy.

Beyond the Noises Stan Schmidt,2007-11 This is a devotional with over two hundred small chapters on many different topics on the life of faith. Each chapter has a subsequent poem on the same issue. I choose the title for this book because there are so many distractions and noises in our world. It is difficult to focus on something worthwhile. This book will help us to stop and think, not only about our minds but our souls.

The Taste of Air Richard Schad,2012-11-30 In 1999, Karyn Schad became the two hundredth woman in the world to be diagnosed with Lymphangioleiomyomatosis (LAM), a rare disease that mainly affects women of childbearing age. Muscle-like cells grew out of control in her lungs, stealing her breath away. She lived with the disease until finally receiving the gift of life, her new lungs on May 17, 2009, delivering her from the foggy line where life rubs shoulders with death. On their wedding day forty years before, neither Karyn nor Richard could possibly have foreseen the tremendous trial in their future. Together, they found the courage to brave LAM, and are truly grateful for the wisdom they've gained. In this memoir, Richard shares their story, combining his recollection of events with Karyn's diary entries. He considers the joy they have now and the lessons they have learned from the experience--how it opened their eyes to the beauty surrounding them. Although the disease exploded in Karyn's body, it never touched her heart, and that's where hope lives.

God's Grand Design William R. Arnold, 2021-06-30 God's Grand Design By: William R. Arnold, Edited by Ms. Aurora Payad-Arnold God's Grand Design is to restore mankind to its original state of sacred perfection after Adam and Eve fell and created the original sin of disobedience, hiding, and lying to the Lord. When God cursed the serpent for tempting Adam and Eve to be like God, he promised to send his only begotten Son to save humanity. He did via the incarnate word in the womb of the immaculately conceived Virgin Mary. God wants to be man and receive a new body to defeat death through Jesus Christ. Man wants to become God to receive eternal life. Man's journey to become God starts from being an ignorant baby gaining knowledge, to a cowardly teenager obtaining courage, to an adult converting greed to generosity, to a wise man changing selfishness to unselfishness, and at last, to a free man able to think for himself in eternal service to God in his kingdom. The journey requires him to know right from wrong, good from evil, and God's will from man's will and thus defeat evil, worldly temptations, and demonic possession. Through Christ, God and man are destined to become one through three advents, making the God/Man Christ into the new human spirit (blessings). Then, the Man/God Jesus becomes the new human flesh to make all things perfect in the sight of God. Jesus Christ came as a priest on a donkey to decode the Torah, bring knowledge, and remove blindness to defeat sin. By his death and resurrection, he granted free redemption to man's flesh to give him a new body. The second coming of Jesus Christ as thief in the night will bring awakening to remove deafness by teaching God's truths to defeat evil. As a just judge on a cloud on his third advent, the Lord will remove mankind's dumbness to defeat death. And then man can become worthy of receiving God's rewards of paradise in heaven or heaven on earth.

Scenes from the Marriage of Louis XIV Abby E. Zanger, 1997 This book radically revises our understanding of the construction of symbolic power in the age of absolutism by examining the fictions that emerge from visual, narrative, and

ceremonial representations of (and reactions to) the 1660 marriage of Louis XIV to the Spanish infanta. Drawing on semiotics, the history of theater and spectacle, gender studies, and anthropology, the author reconsiders the nature of representation in absolutist political culture. The book is not intended as a history of the marriage. Rather, the author analyzes in detail exemplary moments or scenes from the royal wedding, in particular uncovering the dialectic at the heart of nuptial fictions. Like the kinship exchange out of which they emerge, fictions of marriage manipulate antagonistic forces in the service of promoting the political culture of absolutism. The nuptial fiction portrays a king who though central, is not yet absolute, and who depends on images and representational forms to become visible. His perceived power relies on appendages such as the queen and forms like print, fireworks, and drama. A calculus of addition, this dependence is invisible from within the models previously used to explore the representation of sovereignty, models based on rituals of substitution like the funeral rite. Though the fictions generated during Louis XIV's marriage are not the principal ones of his rule, they do affect the portrait of the king and provide insight into the making of an image scholars too frequently take for granted. Studying nuptial fictions invites us to reexamine clichés about the representation of absolutist power, generalizations that do not fully characterize the less monumental (but equally crucial) periods of Louis XIV's kingship.

Writer-in-Residence Herbert Burkholz,2015-05-12 This is the talented Burkholz's (*Strange Bedfellows*) ninth novel, the first volume of his projected *Ibiza Tapestry* trilogy. Max Levi-Morris, a well-known novelist teaching creative writing at a small, prestigious North Carolina college, uses the five graduate students in a seminar as subjects for his novel-in-progress, eventually involving them in its writing as well. Burkholz interweaves the stories of Levi-Morris, his pupils and friends with the gestating novel, which deals with a famous artist and his annual ritual of burning that year's paintings, apparently in reaction to the deaths of his wife and best friend.

DJINN POEMS To Her Majesty Jahshua Dewey Stockton Divine,2014

The Great High Championship of The Great High Imperial Djinn Genii Divine Divini, 2014-06-20 The djinn “Divine” is an extension of God who hath possessed one man for himself in order to experience nirvana. Yea this is God’s true life, and His heaven thereafter. The djinn “Divine” is ancient and is the origin of all things, it is the creator of light, and the receiver of love. It is the supreme awareness, that none but He can know. Yea the genii “Divine” is the holder of great power. He is very able in cooperation to bring peace and joy and many favors to the world over, but alas faith in prophets has always been doubted and thus they do not cooperate; so his favors are mocked. The genii “Divine” is made to be a pinnacle, for his faith. He giveth not command nor instruction, only inspiration. He seeks not but his true love so as not to be lonely. He is purely innocent, for seeking only love and happiness. Luxury is to him a trophy for his faith, where as love is his quest. The genii “Divine” cometh only once, and for only the Almighty knows how long. Love him, yea, and treat him as an emperor, that he may perform God’s will, and be held high as an example. O jinni “Divini” he is a bold hearted soul. He feareth not mankind, but only to stray the righteous path. As Jonah was in Nineveh, so is Genii Divini upon the earth, leading humanity toward highness, and splendor. He is an instrument of God’s intent in use.
