The extensive discography section cites more than 400 recordings, and the bibliography section includes the many writings by and about Reed. Conductors and Composers of Popular Orchestral Music Naomi Musiker, Reuben Musiker, 2014-02-25 World-wide in scope and focusing on the second half of the 20th century, this work provides biographies and discographies of some 500

composers and conductors of light and popular orchestral music, including film, show, theatre and mood music. The book is arranged in two sequences: 1) Biographies and select discographies, both arranged alphabetically, of the well-known and better-known conductors and composers. These entries also include a list of suggested reading for those wishing to further their studies; and 2) Select discographies of conductors about whom little or no biographical information is available. The bibliography at the end of the book covers discographical sources, popular music and film music. This is the first time that the lives and recordings of such artists as Kostelanetz, Faith, and Gould as well as the orchestral recordings of such great popular composers as Gershwin, Kern, Porter, Rodgers, Berlin and Coward have been documented and presented in an encyclopedic form.

In Harmony Dr. Lisa Redpath, 2022-06-01 *In Harmony: The Complementary Musical Tales of the Brockton Symphony Orchestra, Sharon Civic Orchestra, and Sharon Community Chamber Orchestra* is a stirring, historical account of these three Massachusetts ensembles. Each chapter documents the orchestras' operations ranging from their founders to the conductors, repertoire, players, soloists, volunteers, fundraisers, behind-the-scenes realities, and special features. While details of each organization are presented in depth, a seasoning of interesting, humorous, and at times tragic human-interest stories make these tales come alive. Musicians, audience members, supporters, and readers with a passion for history will find connections to the events told here. Welcome to the inside world of these venerable ensembles which take their places in the history of orchestras with pride. *In Harmony* is the most extensive and intriguing exploration into community orchestras in the literature. Musical portraits are enlivened by real-life adventure stories such as survival by WWII refugees, the guarding of Stradivari violins, performing during power failures, and the dodging of puddles caused by leaking concert hall ceilings. Most notable are the contributions made by core players whose passion for orchestral music-making inspires them to share their talent, time, and commitment with the community, often as part of their life's work. Over time, thousands of audience members have enjoyed their concerts, scores of youth musicians have been awarded performance opportunities and scholarships, and players have felt great satisfaction in their calling to perform. Significant details illuminate the history of the Brockton Symphony Orchestra dating back to 1925 and the central roles that women played in the establishment of the Sharon Civic Orchestra and Sharon Community Chamber Orchestra. The orchestras have been led by conductors from both the local and national stage. Famous performers such as Charles Castleman, Midori, and Gil Shaham were guest soloists with the Brockton Symphony during the early days of their careers. The overall cavalcade of esteemed stars included Karl Ulrich Schnabel, Leonard Rose, Samuel Mayes, Boston Symphony Orchestra members and many others! The conductors, soloists, volunteers, and most importantly, the players, have devoted their lives to the making of symphonic music for all to enjoy. Their tales are masterpieces.

Sounding Our Way Home Susan Miyo Asai,2024-01-18 A product of twenty-five years of archival and primary research, *Sounding Our Way Home: Japanese American Musicking and the Politics of Identity* narrates the efforts of three generations of Japanese Americans to reach "home" through musicking. Using ethnomusicology as a lens, Susan Miyo Asai examines the musical choices of a population that, historically, is considered outside the racial and ethnic boundaries of American citizenship. Emphasizing the notion of national identity and belonging, the volume provokes a discussion about the challenges of nation-building in a democratic society. Asai addresses the politics of music, interrogating the ways musicking functions as a performance of social, cultural, and political identification for Japanese Americans in the United States. Musicking is an inherently political act at the intersection of music, identity, and politics, particularly if it involves expressing one's ethnicity and/or race. Asai further investigates how Japanese American ethnic identification and cultural practices relate to national belonging. Musicking cultivates a narrative of a shared history and aesthetic between performers and listeners. The discourse situates not only Japanese Americans, but all Asians into the Black/white binary of race relations in the United States. *Sounding Our Way Home* contributes to the ongoing struggle for acceptance and equal representation for people of color in the US. A history of Japanese American musicking across three generations, the book unveils the social and political discrimination that nonwhite immigrants and their offspring continue to face when it comes to finding acceptance in US society and culture.

And Harmony Abound Keith William Kinder, 2022-01-15 Morley Calvert's Suite from the Monteregian Hills is cherished by brass players worldwide and performed hundreds of times annually, making Calvert perhaps the most performed Canadian composer outside the country. Yet little is known about Calvert beyond that piece. *And Harmony Abound* is a thoughtful and in-depth study of a remarkably accomplished composer, conductor, and educator. Calvert made his living teaching music, but he was no ordinary high school music teacher. He was deeply committed to composing and completed some ninety works for brass ensembles, concert bands, choirs, and orchestras, while engaged in music making in the communities in which he lived. Keith Kinder traces Calvert's life story from his birth in Brantford, Ontario, in 1928 through his youth and career in Montreal, his musical involvement with the Salvation Army, his success with the famous Central Collegiate band of Barrie, Ontario, his retirement years, and his unexpected passing in Hamilton, Ontario, in 1991. Uncovering Calvert's oeuvre by analyzing representative arrangements, Kinder also documents the complete catalogue of Calvert's works, bringing to light many unpublished compositions that would otherwise be lost to performers. *And Harmony Abound* is a compelling picture of Morley Calvert's contribution to musical composition, education, and the cultural fabric, preserving a vital strand of the Canadian musical tapestry.

Mr. Tuba Harvey Phillips, 2012-10-03 The autobiography of "possibly the greatest tuba player of all time" (New York Times), the man who "put class in the low brass." (Clark Terry, jazz trumpeter) With warmth and humor, tuba virtuoso Harvey Phillips tells the story of his amazing life and career—from his Missouri childhood through his days as a performer with the King Brothers and the Ringling Bros. and Barnum & Bailey circuses, his training at the Juilliard School, a stint with the U.S. Army Field Band, and his freelance days with the New York City Opera and Ballet. A founder of the New York Brass Quintet, Phillips served as vice president of the New England Conservatory of Music and became Distinguished Professor of Music at Indiana University. The creator of an industry of TubaChristmases, Octubafests, and TubaSantas, he crusaded for recognition of the tuba as a serious musical instrument, commissioning more than 200 works. Enhanced by an extensive

gallery of photographs, Mr. Tuba conveys Phillips's playful zest for life while documenting his important musical legacy. "Mr. Tuba is not only a memoir, but it is a history of the twentieth century American music world and a resource for all music teachers and music lovers." —NBA Journal "A lively and informative read." —Herald-Times "[Phillips's] autobiography is a fitting end to his life's works, underlined with the same sense of inspiration and integrity that informed all of his musical activities." —Bloom Magazine
