Hello, My Name Is Resilient Jessica Sage,2018-09-24 In this world, all human beings face troubles. That is a guarantee from Jesus. Author Jessica Sage is no exception. But fortunately, Jesus does not leave us alone to deal with life's challenges. God walks with us, delivers us, and brings us through the other side of our struggles, stronger than before. In Hello, My Name Is Resilient, Sage shares her story. It speaks of a young woman coping with her parents' divorce as she begins a new life by seeking Jesus Christ first. Sometimes caught between the world around her and her church and family, she shares a chronicle of her journey through the good times and the bad. A memoir and spiritual guidebook, Hello My Name Is Resilient, addresses a host a topics through the lens of the Bible, including divorce, suicide, prayer, media, travel, the future, and one's calling. Sage's stories show how heeding the call of Christ led her to a sense of purpose she could not have found elsewhere.

The Encyclopedia of Best Films Jay Robert Nash,2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

In Search of Song: The Life and Times of Lucy Broadwood Dorothy de Val,2016-05-23 Born into the famous family of piano makers, Lucy Broadwood (1858-1929) became one of the chief collectors and scholars of the first English folk music revival in the late nineteenth and early twentieth centuries. Privately educated and trained as a classical musician and singer, she was inspired by her uncle to collect local song from her native Sussex. The desire to rescue folk song from an aging population led to the foundation of the Folk Song Society, of which she was a founder member. Mentor to younger collectors such as Percy Grainger but often at loggerheads with fellow collector Cecil Sharp and the young Ralph Vaughan Williams, she eventually ventured into Ireland and Scotland, while remaining an eclectic contributor and editor of the Society's Journal, which became a flagship for scholarly publication of folksong. She also published arrangements of folk songs and her own compositions which attracted the attention of singers such as Harry Plunket Greene. Using an array of primary sources including the diaries Broadwood kept throughout her adult life, Dorothy de Val provides a lively biography which sheds new light on her early years and chronicles her later busy social, artistic and musical life while acknowledging the underlying vulnerability of single women at this time. Her account reveals an intelligent, generous though reserved woman who, with the help of her friends, emerged from the constraints of a Victorian upbringing to meet the challenges of the modern world.

The Good Enough Life Daniel Miller,2023-11-08 This book is a highly original exploration of what life could and should be. It juxtaposes a philosophical enquiry into the nature of the good life with an ethnography of people living in a small Irish town. Attending carefully to the everyday lives of these people, the ethnographic chapters examine topics ranging from freedom and inequality to the creation of community and the purpose of life. These chapters alternate with discussions of similar topics by a wide range of philosophers in the Western tradition, from Socrates and the Stoics through Kant, Hegel, and Heidegger to Adorno, Rawls, MacIntyre, and Nussbaum. As an ethnography, this book reveals just how much we can learn from a respectful acknowledgement of what ordinary modest people have achieved. By creating community as a deliberate and social project that provides the foundation for a more fulfilling life, where affluence has not led to an increase in individualism, the people in this town have found a way to live the good enough life. The book also shows how anthropology and philosophy can complement and enrich one another in an enquiry into what we might accomplish in our lives.

The Life and Work of Adelaide Procter Gill Gregory,2019-01-04 First published in 1998, this volume follows the life and

work of Adelaide Procter (1825-1864), one of the most important 19th-century women poets to be reassessed by literary critics in recent years. She was a significant figure in the Victorian literary landscape. A poet (who outsold most writers bar Tennyson), a philanthropist and Roman Catholic convert, Procter committed herself to the cause of single, fallen and homeless women. She was a key member of the Langham Place Circle of campaigning women and worked tirelessly for the society for Promoting the Employment of Women. Many of her poems are concerned with anonymous and displaced women who struggle to secure an identity and place in the world. She also writes boldly and unconventionally of women's sexual desires. Loved and admired by her father the poet Bryan Procter, her editor Charles Dickens and her friend W.M. Thackeray, Procter wrote from the heart of London literary circles. From this position she mounted a subtle and creative critique of the ideas and often gendered positions adopted by male predecessors and contemporaries such as John Keble, Robert Browning and Dickens himself. Gill Gregory's *The Life and Work of Adelaide Procter: Poetry, Feminism and Fathers* considers the career of this compelling and remarkable woman and discusses the extent to which she struggled to find her own voice in response to the works of some seminal literary 'fathers'.

Of Myth, Life, and War in Plato's Republic Claudia Baracchi, 2002-01-10 Baracchi has identified pivotal points around which the Republic operates; this allows a reading of the entire text to unfold.... a very beautifully written book. -- Walter Brogan ... a work that opens new and timely vistas within the Republic.... Her approach... is thorough and rigorous. -- John Sallis Although Plato's Republic is perhaps the most influential text in the history of Western philosophy, Claudia Baracchi finds that the work remains obscure and enigmatic. To fully understand and appreciate its meaning, she argues, we must attend to what its original language discloses. Through a close reading of the Greek text, attentive to the pervasiveness of story and myth, Baracchi investigates the dialogue's major themes. The first part of the book addresses issues of generation, reproduction, and decay as they apply to the founding of Socrates' just city. The second part takes up the connection between war and the cycle of life, employing a thorough analysis of Plato's rendition of the myth of Er. Baracchi shows that the Republic is concerned throughout with the complex but intertwined issues of life and war, locating the site of this tangled web of growth and destruction in the mythical dimension of the Platonic city.
