**Luke Lezon**

**Where the Light Enters** Jill Biden, 2019-05-07 An intimate look at the love that built the Biden family and the delicate balancing act of the woman at its center How did you get this number? Those were the first words Jill Biden spoke to U.S. senator Joe Biden when he called her out of the blue to ask her on a date. Growing up, Jill had wanted two things: a marriage like her parents'—strong, loving, and full of laughter—and a career. An early heartbreak had left her uncertain about love, until she met Joe. But as they grew closer, Jill faced difficult questions: How would politics shape her family and professional life? And was she ready to become a mother to Joe's two young sons? She soon found herself falling in love with her three boys, learning to balance life as a mother, wife, educator, and political spouse. Through the challenges of public scrutiny, complicated family dynamics, and personal losses, she grew alongside her family, and she extended the family circle at every turn: with her students, military families, friends and staff at the White House, and more. This is the story of how Jill built a family—and a life—of her own. From the pranks she played to keep everyone laughing to the traditions she formed that would carry them through tragedy, hers is the spirited journey of a woman embracing many roles. *Where the Light Enters* is a candid, heartwarming glimpse into the creation of a beloved American family, and the life of a woman at its center.

**Trust Again** Debi Silber, 2020-10-04 Recovering from betrayal can be hard, but it can be done with grace, love, and dignity, using the tips and tools in this warm and engaging book on learning to trust again. You couldn't brace yourself because you never saw it coming. Your sense of safety and security is shattered in an instant, and the shock is imprinted on your body and mind. Your heart breaks, you feel like you got sucker punched, and the pain is so raw, consuming, and overwhelming you can barely breathe. Someone close to you, possibly a family member, partner, or friend, just pulled the rug out from underneath you—lies you so easily believed and actions you dismissed because it never crossed your mind that the

one you trusted the most could ever hurt you. You thought this person had your back. You thought the two of you were honoring the same rules, sharing the same moral code, and respecting the same beliefs. This was a person you loved, trusted, and believed. This is what it feels like to be blindsided by betrayal. During times of betrayal, when we most need support, sometimes the ones we would turn to first are the betrayers. Other times, we're saddled with shame and fear. But it's during these times when we need to turn for help and learn to trust again. This work offers support, comfort, and community to those struggling with feelings associated with betrayal and guides them to healing from a painful experience with betrayal. Readers will learn about, and move through the proven five stages from betrayal to breakthrough, and will be lovingly guided with tools and strategies along the way. They'll also learn how predictable healing can be as they read not only Debi's journey through betrayal, but the stories of others who have learned to copy, heal, and move on from betrayal to a place of trust and well-being. Readers will identify with at least a few of the many people in the book who share their unique experiences. In addition, they'll learn about the three groups who didn't heal and be inspired to take a different course of action so that they can have a more positive outcome.

**The Beginning Is Near** Em Merson PhD, 2021-10-13 This book is quasi-autobiographical, leaning on links to music from the sixties, seventies, eighties, and nineties. Woven throughout are references to self-isolation in lockdown, a journey through the dark night of the soul toward enlightenment, and a growing awareness that those of us who open our hearts to peace and love are being called on to offer it now. I share a journal about love and loss—sudden separation from a long-term relationship—and the aftermath, leading to a new beginning. I provide ideas to support transformation from books, websites, music, some wild metaphysical blogs, and YouTube videos if publicly available—check for links in the ebook by tapping or clicking on the titles that are bold and italicized. The pivotal piece in this book is that I've used the music and techniques to transform my life and access wisdom, joy, and bliss. This inner change has led to outer change, impacting my understanding of reality and the nature of the COVID-19 phenomenon. There are some twists in this story I could never have predicted. Truth is stranger than fiction.

*Sacred Space* Young Kim, 2016-02-08 I wrote this book to add to the incredible stories of people who have seen the other side of the veil. I wanted to share in my own words some of the eternal knowings I gained. Such as: love does not arise from life, but rather life arises out of love. Love is the breath inside each and every one of us. It makes us who we are. We were molded out of love and came to Earth to experience what it is like to be human. God created, or rather BECAME, the Universe to answer the question, Who am I? and to engage Himself in the ultimate theater or musical. I wanted to share what I learned when I merged with Source and understood the reasons for everything, including all of our sufferings and setbacks. I understood the nature of the polarity of existence (how you cannot understand joy without despair, patience without frustration, etc.). This world was created for our benefit, so that we can grow our love and eventually return to the Creator. I hope some will find my words peaceful and useful in their lives.

**The Sun, the Moon, the Stars and Maya** Rich Okun, 2013-04 The Sun, the Moon, the Stars and Maya is very different kind of book, in a unique format and richly textured with over 90 full color original illustrations and is one of those truly rare books that can be enjoyed equally by a child and a grown-up and most of all both a child and adult together. This book will surprise and delight you and your family and makes the perfect gift. Our lives are bombarded with things that can take us

away from the special connections we are capable of. Each of us has the ability to demonstrate love, compassion, gratitude, and generosity. We can choose to live our lives by the Golden Rule. We can make time to appreciate the exquisite construction of our planet and experience the joys of nature. We can look toward the star-spangled heavens, appreciate the velvet silence, and draw peace from spirituality. We have the ability to find beauty in simplicity, and we can marvel at the complexity of what, at first glance, appears deceptively simple. Many of us have just forgotten how. In today's busy, electronics-oriented world, dominated by distractions, special effects, and noisy shoot-'em-ups, simple earth-based spiritual and moral issues have been effectively obscured from view and buried in the smoky haze of the fiery explosion of computer-generated images. The Sun, the Moon, the Stars, and Maya was created to help families discuss important issues with their children. Illustrations of Maya, the Shih Tzu puppy muse, in complementary settings, accompany bits of wisdom relating to spiritual and moral issues. Notable quotations are the inspiration for Maya's simple-language lyrical interpretations meant to evoke awe and wonder in all things and capture the imagination of the child and the child within the parent. Access to downloadable hi-resolution downloads and audio readings online and so much more are also granted with your purchase.
