

# Dcodage Biologique Des Maladies Gratuit

## Sébastien Cazaudehore

*Nos maux sont notre histoire : Le décodage biologique m'a révélé ma vie, il peut vous révéler la ...* Christian Flèche,2023-10-17 « J'ai créé le Décodage Biologique. Si vous aviez eu ma vie, mon passé, mes expériences, mes parents, c'est vous qui l'auriez créé... L'être humain que je suis, avec l'état de conscience d'aujourd'hui, ses activités, ses croyances et ses comportements, est conséquent, déterminé par tous ses événements passés. Qui sommes-nous sans l'histoire ? Personne. Rien. L'histoire détermine et prédétermine le sens que nous avons de nous-mêmes. » Lors de ses études en école d'infirmier, Christian Flèche, guidé par une intuition, prend le temps de connaître véritablement ses patients et s'attarde sur leur histoire émotionnelle pour comprendre les origines de leurs maux. Et si nos maladies étaient les solutions créées par notre corps pour contenir les blessures, les blocages et les stress de notre passé ? À l'époque, il est jugé trop peu efficace et renvoyé. Quinze années plus tard, il crée le Décodage Biologique, désormais diffusé dans 24 pays, qui a aidé des milliers de personnes à se transformer et à guérir. Dans cet ouvrage, Christian Flèche nous raconte comment cette intuition a bouleversé sa vie et vous encourage, vous aussi, à rechercher au plus profond de vous-même les clés de votre guérison. « LE DÉCODAGE BIOLOGIQUE, C'EST LA POÉSIE DE LA MÉDECINE. » Christian Flèche est infirmier de formation, maître praticien en PNL, praticien en métaphores et directeur pédagogique de l'École française et internationale du Décodage Biologique : Flèche Biodécodage Academy®. Il a, avec Philippe Lévy, créé de nouveaux protocoles, faisant du Décodage BiologiqueTM une méthode de diagnostic émotionnel originale. Il est l'auteur de nombreux best sellers, dont Mon corps pour me guérir et le Décodage biologique des maladies.

Se programmer pour guérir Docteur Yann Rougier,2010-02-04 Peut-on prévenir l'apparition du cancer ? Réduire les effets secondaires de la chimiothérapie ou de la radiothérapie ? Oui, en changeant nos habitudes de vie, très progressivement, sans heurts. Mieux manger, mieux respirer, tenir le stress à distance et gérer les émotions trop fortes ou trop anciennes qui nous submergent : c'est ce que propose la Deltamedicine. Fondée sur cinq techniques la Delta-nutrition, la Delta-respiration, la Delta-détoxication, la Delta-relaxation et la Delta-psychologie elle permet d'améliorer très rapidement notre qualité vie. À partir de ces outils faciles à mettre en œuvre au quotidien, la Delta-médecine optimise les effets des traitements habituels et permet d'influencer favorablement le cours d'un cancer, quel que soit son degré de gravité et de redynamiser nos forces de guérison. Avec de simples petits changements, comme l'indique la lettre grecque delta.

## **Livres hebdo ,2004**

*Décoder le décodage biologique* Sébastien Cazaudehore,2025-04-23 Ce livre se propose d'être un outil d'aide à la compréhension du décodage biologique, de ses rouages, de son fonctionnement et de sa méthodologie. Autrement dit, comment déchiffrer et interpréter son jargon et sa philosophie. Trop souvent, les ouvrages dédiés au décodage biologique sont utilisés comme des dictionnaires dans lesquels nous allons directement chercher une information liée à certains maux, mais sans réellement comprendre l'origine et l'explication de cette information. Sébastien Cazaudehore replace chacune des clefs de décodage dans un contexte cohérent et logique, permettant ainsi une compréhension et une utilisation plus efficace de celles-ci. Clair et exhaustif, ce guide pratique est destiné aux thérapeutes, chercheurs ou toute personne souhaitant approfondir ces connaissances sur cette approche.

## **Repère ,2005**

*Le décodage biologique* Christian Flèche,2005 Voici une présentation du décodage biologique des complète et accessible à tous : cette nouvelle approche du sens des maladies s'appuyant sur les fonctions biologiques de chaque organe, permet de décoder les symptômes qui parlent de notre histoire, réactions d'adaptation à des événements figés. La maladie n'est plus alors considérée comme un accident, une calamité insensée ou fatidique. Elle devient la réponse adaptée, l'expression d'une solution de survie que notre coprs propose face à un ressenti conflictuel.
