*The Heroes of Faith* Arthur Walkington Pink, 2000\*

**Bible Stories about the Heroes of the Faith** James Thomas Lee, Jr., 2014-07-18 Many but not all of the heroes of the Faith are named in the book of Hebrews, chapter eleven. Sixteen saints were specifically named in the first thirty-two verses of that chapter. But many others were implied indirectly in the last eight verses of that chapter. Hebrews 11:32-40 says, And what shall I more say? for the time would fail me to tell...of the prophets: Who through faith subdued kingdoms, wrought righteousness, obtained promises, stopped the mouths of lions, Quenched the violence of fire, escaped the edge of the sword, out of weakness were made strong, waxed valiant in fight, turned to flight the armies of the aliens. Women received their dead raised to life again: and others were tortured, not accepting deliverance; that they might obtain a better resurrection: And others had trial of cruel mockings and scourgings, yea, moreover of bonds and imprisonment: They were stoned, they were sawn asunder, were tempted, were slain with the sword: they wandered about in sheepskins and goatskins; being destitute, afflicted, tormented; (Of whom the world was not worthy) they wandered in deserts, and in mountains, and in dens and caves of the earth. And these all, having obtained a good report through faith, received not the promise: God having provided some better thing for us, that they without us should not be made perfect. Therefore, chapter one of this text will identify how those people had become heroes of the Faith and how anyone can be a hero of the Faith. After that two stories will be shared about Abel. One story will be shared about Enoch. Six stories will be shared about Noah. Ten stories will be shared about Abraham. One story each will be shared about Sarah, Isaac, and Jacob. Five stories will be shared about Moses. One story each will be shared about Joshua and Rahab. Two stories will be shared about Gideon. One story will be shared

about Barak. Two stories will be shared about Samson. One story each will be shared about Jephthah and Samuel. Four stories will be shared about David. One story will be shared about Solomon. Three stories will be shared about Elijah. One story each will be shared about Elisha and the three Hebrew boys in the fiery furnace. Two stories will be shared about Daniel. One story will be shared about Jonah. After that, a brief word of those saints indirectly referenced by the last eight verses of the chapter will be given. In all, this text will share fifty stories about the heroes of the Faith. Then the final chapter of this text will share some significant closing thoughts. One in particular is that a lot of theological truth can be seen through the lives of many of the heroes of the Faith. The purpose for a text like this one is NOT just to tell a few Bible stories. Instead it is to show how ANYONE can become a hero of the Faith. Everything begins by seeking the Lord with all of one's heart, by committing oneself to Him, by trusting in Him, and then by entering into a personal relationship with Him. But it does not end there. Therefore, at the end of each story will be a Life Application section that shows how a SAVED person can grow in the Lord and actually become a hero of the Faith. The Lord is longsuffering because He does not want anyone to leave this existence NOT SAVED. But after that, He is looking for some saints that want to be His heroes in this life. One should note that his book is different than most of my other books. It is not argumentative. It only contains a very few outside references. It also does not contain any Hebrew or Greek words although a few brief references to the original Hebrew and Greek languages are mentioned.

*The Faith Factor* Edoardo S. Miciano, 2016-09-30 The Bible says that the just shall live by faith. Yet too many professional religionists fail to cross over from mere intellectual ascent to a life of total surrender to God and his will. In his exposition of Hebrews 11, Miciano explores the tales of men and women in the Bible who have lived lives of exceptional faith. Each story compels us to rethink what we know about God's ways and stretches our understanding of what it means to live according to what we believe. The Faith Factor offers fresh insight on how people today can enrich their spiritual lives by applying the timeless truths of Scripture to everyday life in the modern world.

**Heroes of the Faith** Herbert Wright Gates, 1909 *Heroes of the Faith* by Herbert Wright Gates, first published in 1910, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. *Heroes of the Bible Devotional* Joshua Cooley, 2014 Ask any 12-year-old kid to describe a hero, and you will get some of the following answers: a superstar athlete, a soldier on the front lines, or a guy in a cape who can jump over buildings. Most of our heroes are related to human achievement and glory, but the Bible has a very different concept. The list of people who

were great in God's eyes might shock you. This devotional book is about their stories. The 90 devotions feature the qualities of Bible characters that made them heroic. From Moses to Esther to Jesus, kids will learn more about how these Bible people pleased God. They will know that qualities like courage, worshiping God, and being a true friend are heroic actions. The devotional features line drawings of the Bible characters to further help youth identify with and learn about the people in the Bible.

**Deep Faith** Rob Reimer, 2024-03-11 Jesus said, “Very truly I tell you, all who have faith in me will do the works that I have been doing, and they will do even greater things than these” (John 14:12). The extraordinary promise of Jesus is that we can do Kingdom works that He did - cast out demons, heal the sick, save the lost and set the captives free. Jesus wants to advance his Kingdom through us. But this promise comes with a condition: the level of our Kingdom activity is dependent upon our faith. There are promises in Heaven that God wants to release, but they cannot be released without faith. There are miracles that God wants to do that cannot be done without faith. There are answers to prayer that God wants to unleash that cannot be unleashed without faith. There are works of the Kingdom that God wants to accomplish that cannot be accomplished unless the people of God develop deeper faith. But there is hope for all of us, because faith can be developed. Faith opens doors and creates opportunities for accessing God’s power against all odds. Faith is a difference maker, a future shaper, a bondage breaker, a Kingdom mover. In his latest book, Dr. Rob Reimer challenges readers to develop deep faith that can release the works of the Kingdom. Faith is not static; it is dynamic. We can and must take an intentional path toward developing our faith if we want to see the works of the Kingdom in greater measure.

*The Preachers of a Different Gospel* Femi B. Adeleye, 2017-02-07 “Name it and claim it!” “Just have faith!” “Give and you will get!” Catchphrases like this have convinced many Christians that trusting in God will bring health and wealth. But the gospel does not promise prosperity without pain or salvation without sanctification. Femi Adeleye draws on his wide-ranging

experience as he examines the appeal and peril of this new gospel of prosperity that has made deep inroads in Africa, as well as in the West.

**Journeys With Joshua** Jonathan Marshall,

Uniqueness of the Concept of Witness in Lukan Writings within the Biblical Canon Ervin Budiselić, 2024-04-30 In an age of relativism, tolerance and political correctness, the church is called to walk in the footsteps of Christ. As his witnesses, we must reject all forms of coercion and violence while simultaneously refusing to shy away from the authority and conviction that come from carrying his revelation. Dr. Ervin Budiselić examines the concept of “witnessing” in the writings of Luke, contextualizing it within the larger framework of Scripture’s emphasis on revelation and testimony. Like Judaism, Christianity is a religion of revelation, where specific content must be preserved, passed on and proclaimed to others. Dr. Budiselić explores the communal nature of this calling, as well as its pneumatological implications within Luke’s writings. Acknowledging the tendency within the Western church to emphasize moral transformation over physical, he reminds readers that Jesus’s kingdom ministry was accompanied by deeds as well as words. He specifically engages the dangers of normalizing a gospel disconnected from the supernatural or the miraculous, as partnership with the Holy Spirit was central to the calling given to the early church. This book offers a prophetic message for the church today as it seeks to fulfill its calling to faithfully witness to the revelation of Christ.

Heroes, Rogues, and the Rest Dr. J. Ellsworth Kalas, 2014-02-04 The Bible is filled with heroes and rogues, and this new edition brings them vividly to life. Each chapter includes a key Scripture passage and an examination of a particular biblical character’s story, including the characteristics that defined that person, and what we can learn from them and their contribution to our faith and our lives as believers.

NIrV, Kids' Devotional Bible, Hardcover Zondervan, 2016-09-06 With a year’s worth of devotions, the Kid’s Devotional Bible will help children develop a habit they’ll keep. Engaging questions, two-color illustrations, fun weekend activities, and a dictionary make this a Bible they’ll want to read and apply to their lives. It also includes the New International Reader’s Version (NIrV)---the NIV for Kids™.

**Activating Miracles** Chris Mikkelson, 2024-02-06 “God has an amazing plan for you in which He will use you to do great and mighty things,” says international evangelist Chris Mikkelson. Mikkelson has held meetings for millions and seen a multitude of healings and changed lives. “I believe God is bringing forth a new generation of people like you who will stand in faith, trust completely in His holy Word, confront the fears that paralyze us, and defeat the enemy of our souls. You are part of that generation of believers God wants to use to reach our world with boldness and miraculous power.” Belief in God and His power is the key that opens the supernatural to us, and Mikkelson explains that a spiritual war is raging to weaken our faith and stop us from activating miracles. We are being attacked by fears, uncertainties, and challenges to our trust in God.

But we can enter into a new dimension of supernatural faith and power that is without limits because it comes directly from God to accomplish His purposes through us. Activating Miracles is filled with faith-building teachings and inspiring stories that demonstrate the miraculous events taking place today, from the United States to so-called closed nations, including Pakistan, where God is working in an unprecedented way. Prepare to move in a realm of faith that unlocks miracles in your life, enables you to overcome difficult obstacles, and allows you to move into a higher level of ministry to many others who need healing and deliverance. Prepare to activate the miraculous.

**Getting Through What You Are Going Through** Ernest Jones, 2019-12-30 Everyone has to go through something. We all know someone who is going through something right now. Getting Through What You Are Going Through is a resource to be used whenever we find ourselves (or someone else) mired in a life situation and are unsure of the best way to handle it. This book includes inspirational stories and vignettes from history, which are written to illustrate the best path forward as we navigate through difficult or dark periods. The book is a reminder that God is always close to us and ready to strengthen, support, and settle us in even the toughest times. The principles included in Getting through What You Are Going Through can be implemented by anyone. They are time-tested responses that have been proven to work by others who have weathered life storms at one time or another.

**Honest Faith** Charles H. Spurgeon, 2019-08-01 My soul, rest thou only in God, for my hope is from him. – Psalm 62:5 The

paragraphs of this little book are not supposed to be an argument. It was not my aim to convince an opponent but to assist a friend. How I have personally threaded the labyrinth of life thus far may be of helpful interest to some other soul who is in a maze. I hope that these pages will assist some true heart to say “he fought his doubts and gather’d strength.” Let no man’s heart fail him, for the prevalent skepticisms of today are but “spectres of the mind.” Face them, and they fly.
