The Truth in True Crime J. Warner Wallace, 2024-05-07 Explore fifteen life-truths gleaned from both contemporary murder investigations and ancient biblical wisdom. Every murder investigation teaches two lessons: a death lesson and a life lesson. For decades, cold-case homicide detective J. Warner Wallace investigated the causes behind deaths and murders, chasing one lead after another as he attempted to solve the case. Several of these cases remain open, unsolved mysteries. . . But even those that haven't yet revealed the identity of the killer do expose the truths of human nature: what's important to us, what threatens our well-being, and what causes us to flourish. Join Wallace as he investigates life lessons he learned as a detective, so that you can: Better understand your own identity and the identity of your Creator. Rethink the nature of death so you can live a better life. Uncover life-truths gleaned from both contemporary murder investigations and ancient biblical wisdom. Discover profound attributes of human beings that will guide you down the path of true self-discovery. Each chapter introduces you to an investigation of a death as Wallace and his partner Rick chase down leads and along the way learn guiding principles to help you thrive and flourish as a human being created in the image of God.

Jesus Come Revive America Dr. Debra J. Dean, 2023-02-01 *Jesus Come Revive America* answers the question, "Where are all the Christians" and moves beyond the apparent decline of morality in the country to a call of action for Christians to emerge with boldness, courage, and prayer for awakening. The author also emphasizes that the most important decision a person will make in their entire life is to follow Jesus. That one decision determines their future. That one decision will determine if they spend eternity in heaven or in hell. She considers questions such as: • Are we living in a world of wickedness that is worse than Sodom and Gomorrah? • Why has there been such a decline in common sense and morality over the past decade? • Is there one sin worse than all other sins that will prohibit a person from going to heaven? This book is a user-friendly approach to reading the Bible, understanding historical events, and practically implementing the Bible's teachings in today's world. It incorporates archeology, anthropology, geography, history, philosophy, sociology, and theology to help Americans prepare for the next Great Awakening. The author wrote the book with much prayer for divine wisdom to emerge on the pages for each reader. Dr. Debra J. Dean, a faithful follower of Jesus, expands on the lives of regular people like Esther and Gideon, along with the Apostle Paul and Jesus Christ, to highlight how they were bold and courageous. In

doing so, she reveals how we can apply the same zeal for God today as we prepare for revival and learn to live a holy lifestyle. The author is also a co-founder of His Kingdom Matters ministry, whose vision is that we will unite as a community of believers to support and equip one another while fulfilling the Great Commission (Matthew 28:16-20) and the Greatest Commandment (Matthew 22:36-40). In doing so, a spiritual revival will spread like wildfire across the globe like never before seen as souls are saved and lives are touched by Kingdom members in practical and miraculous ways. THE COFFEE QUEEN & VOICES OF CHANGE LUCECITA DELMAR ,MANUELA MEDINA,2025-06-12 The Coffee Queen is an exciting and eventful great read filled with valuable information that all U.S. citizens need to consider before casting their Electorally Ballot Vote for the best presidential candidate they trust to be their next Commander-in -Chief of The United States of America. The fictionalized book based on actual true events has valuable information to consider and to think through as American citizens before they decide on the president, they determine they can trust to lead American on the right path to peace, prosperity, success, and the American dream. I need to stress and emphasize that this next presidential primary ballot voting election process is extremely important, and if at all possible, I recommend and encourage you to vote in person so your very important individual vote counts as if your life depends on it. I assure all Americans that your single vote and collective numerous Republican votes need to demonstrate as a giant red wave tsunami to the blue states representing the Progressive Socialist Democrat Party States that we are taking America back from the brink of a Marxist Revolution in America. I happened to be listening to Ben Carson on Cable TV and he shared with the listening audience that if you do not vote you are voting for Socialism {due to absenteeism}. Keep in mind that the doorway to Communism is Socialism that does not believe in The Lord God, The Holy Bible, The U.S. Constitution, and all traditional family values, principles, and The Bill of Rights that The Lord God has given to the human family for the benefit of the human race.

Gender Confusion Kevin W. Hutchins,2023-05-30 The eye of an intelligence analyst is focused on the enemy of the church, to expose his attacks in the realm of modern gender theory. Horrible discoveries have been made. Shared here is the awful truth of where we're at now and how we got here—both spiritually and naturally. In Gender Confusion, the reader will understand the enemy of our souls, so they can defeat him on this battlefield. They'll learn what is true for both nation states and fallen angels: a known enemy is a defeated enemy. The church must defend itself and, more importantly, it must go on offense. This book gives us gender ideology's origin story, its genealogy, and the only strategy that can possibly defeat it.

Am I Really a Christian? (Foreword by Kirk Cameron) Mike McKinley,2011-06-07 Jesus divided the world into two groups—those who follow him and those who don't. But what happens when someone thinks he or she is a Christian, but isn't? With his witty, engaging style, Mike McKinley takes readers on a journey of what it means to be a Christian. He asserts that manipulative evangelism techniques and a poor understanding of the gospel have resulted in an abundance of professing

Christians who have no idea what it means to follow Christ. Each chapter title begins with You're not a Christian [if/when/just because you]... As he surveys what it means to be Christian, McKinley offers criteria for evaluating one's standing before God. Readers are guided through a series of challenges to reflect, repent, remember, and report to another person. Am I Really a Christian? ends with chapters on salvation and the local church. This unique book is written for nominal or new Christians and can be used in personal or small-group study.

Born to Be Brave Kirk Cameron, 2024-10-08 What if the present cultural setback is really a divine setup for a spiritual comeback? Ungodly forces have devastated American culture. The family of faith is feeling intimidated and fearful. Worse, many of us think that nothing can be done about it—that society will inevitably get worse. Actor, producer, and conservative activist Kirk Cameron says this hopelessness is completely misplaced. God has given His faithful followers a birthright of courage. If we choose to live in this bravery, we will realign the nation with Christian values. With biblical insights and true stories of individuals who acted bravely out of love for God and others, Born to Be Brave equips us to: stop thinking our opponents are too big for us to overcome and start seeing our culture as something we are called to mold. recognize the Christian backstory of America and see how this gives us direction for the future. understand that politics needs the gospel, because real change requires heart transformation. hold on to our God-given compassion for others, even when we face backlash and opposition. boldly engage friends, family, and the community with gospel truths that affect all of society. If we're going to change the nation and the world, we need to move beyond paralyzed outrage and start acting with courage and confidence. God is already on the move, and we can be a part of the big things He is doing. Because we were born to be brave.

Grandparenting Teens Mark Gregston, 2021-09-14 Three million kids have grandparents parenting them. Are you one

of those grandparents? Are you in need of some help? Are you in a crisis with your teen that you're not sure anyone has an answer for? There are natural communication barriers between grandparents and their teenage grandkids: • new and old cultures collide and the relationship sometimes flies out the window • hurtful words stab at a grandparent trying to help • memories are missed and arguments explode in a family Both grandparents and grandkids face these triggers, but from opposite sides. And sometimes they result in teens getting into drugs, kids smoldering in unexpressed anger that deepens into depression, and kids even harming themselves. The teenagers want attention and relationships; grandparents want to help. Help is available from author and well-known family expert Mark Gregston who has worked in teenage and family ministries such as Young Life and his own program, Heartlight, for over forty years. For Gregston, it's all about relationships. Teens need to find out why they think no one understands them. And they need help to guide them through this contradictory world. Grandparenting Teens is a valuable resource that helps grandparents love their teens and relate to them in genuine, honest, life-changing ways. This book gives practical tips on how to start grandparenting teens in a way that fosters connection. Mark teaches skills such as getting everyone to listen—really listen. As a grandparent, you can help your teen learn to paint their honest, big-picture perspective, so no one's left out of their world. They will learn gratefulness instead of giving grief. They will recognize when their grandparent understands their troubles and becomes their role model for life when everyone else turns away. And both grandparents and teens will find their point of contact—their bond. Gregston's stories will entertain you. They will teach you. They will move you. Some will even change your life. This book is a must for every grandparent who wants to continue to have an influence on the life of their teen grandchildren. In this ever-important role, grandparents can offer something to their grandkids that they can receive from no one else.

Please Unsubscribe, Thanks! Julio Vincent Gambuto, 2024-07-30 *Atomic Habits* meets *The Subtle Art of Not Giving a F*ck* in this life-changing guide to freeing yourself from the behaviors, values, and relationships that keep you from being happy. When the pandemic brought the world to a standstill, author Julio Vincent Gambuto realized a powerful truth: in the pre-pandemic world, Americans were exhausted, lonely, unhappy, wildly overworked and overbooked, drowning in sea of constantly being on the go and needing to buy more, more, more. But when that pressure disappeared, people rediscovered what was important to them. They quit jobs that made them unhappy and moved their families to suburbs. Simple things like

outdoor walks replaced gym memberships; home cooking and backyard gardens replaced takeout; less commuting meant more time for family and creative projects; and for perhaps the first time in a long time, people were being honest. Honest about what they wanted, what they believed in. Honest about the problems they were facing within their families, friend groups, workplaces, towns, and society overall. That honesty, he noticed, had the potential to make the ground shift. It created a capacity for change. But he also knew that it likely wouldn't last, because the most powerful forces running our world would not allow it to. They wanted control over our clicks, our conversations, our dollars, our work, our votes—our lives. The only way that we could beat those systems, would be to resist the calls to keep moving, and to “go back to normal.” In order to change, we had to unsubscribe. Now, in *Please Unsubscribe, Thanks!*, Gambuto gives us a radical blueprint for the ways we can take a deep breath, renew and commit to a life that we really want, individually and collectively, from unsubscribing to emails and automated subscriptions to reevaluating the presence of people and ideas and habits that no longer serve us or make us happy. Infused with the practical advice in James Clear's *Atomic Habits* and the humor of Sarah Knight's *The Life-Changing Magic of Not Giving a F**k*, this groundbreaking guide helps us focus on where we find joy in our lives and encourages us to toss out what doesn't bring us joy in this modern world.
