Who Will Help Jack Off the Horse? Bimisi Tayanita, Matt Williams, 2020-10-15 ...and of course the whimsical poetic meter known as iambic tetrameter is no more capable of exclusive ownership than the air we all breath.--Bimisi to Theodor Seuss Geisel It is entirely possible to wake up in the morning with no intention of learning anything at all, but learning something substantial, nonetheless. It was a typical Wednesday afternoon at their favorite dive bar. Bimisi and Sumguyen were sparring, via a spirited match of online trivia, with patrons of a similar dive bar in another part of the world...a part of the world where it most likely was not still Wednesday afternoon. The final question...at least the last question they heard before scrambling for a pen and paper to get to work on their first parody was this: Madonna, Michael Jackson and ____ are the only 3 artists who have had a top 40 hit in 4 different decades. ANSWER: Weird Al Yankovic

My Camino Patrick Warner, 2019-06-18 Reeling from the Night of Nights, an unexpected blockbuster art show, Floss, a transgender New York gallery owner, invites subversive installation artist Budsy and their best friend the Apostle John to cycle the Camino de Santiago. When Floss tells her friends about her shocking experience at the hands of the King of the New York art scene, the journey becomes an anti-pilgrimage—from spiritual discovery to revenge fantasy. Moving from New York to Spain to Dublin, *My Camino* is a book about misfits, identity, art and spirituality narrated by the audacious Apostle John whose telling sometimes rhymes, is often hilarious and is always a blistering account of the contemporary art world.

Tailor-Made Jerry Kuttler, 2016-11-22 Kim, the young fourteen year old had been extremely busy at the sewing machine, with bolts of fabric that Esmira had gotten from the store in town. She was able to make a lime green dress for Esmira, a peach one for herself, a navy blue one for Margaret and a pink one for Audra. It was extremely tough for her to work on the bust line because they were all so busty except for Audra. She whipped thru hers with a breeze because of her average bust and long legs. It was the buttons that made the dress so tough since it had forty buttons from neckline to the waist. Kim thanked Esmira for allowing her to display her talents. Audra and Margaret had wonderful cooking talents to add to the success of the gymkhana so the whole crew sampled pancakes, omelets and bacon as they prepared for the days to come.

Magic runs in the O'Brine family; it's part of their heritage. Now thirteen, Finn will begin to show signs of his magical inheritance any day now. With all the fantastic things to experience and discover on the four-hundred-acre estate, will Finn want to enroll at the magical Wickum Academy, or will he choose to return to his friends and classes in America at summer's end?

Steel Pot Curt Stocker, 2023-06-15 BACK COVER COPY: Curt Stocker began smoking pot in October 1966, more than a year before he went to Vietnam. In this memoir, he shares a true account of his service fighting for America. Considering all the pot he smoked, he understands why some people may find it amazing that he's able to remember that time. Ironically, the DuPont Corp. became one of the main proponents of antimarijuana legislation because it sought to stamp out the hemp

industry. The company's motivation was the immense profit it would reap by switching everybody over from hemp rope and canvas sails to DuPont's newly invented synthetics such as nylon rope and rayon fabrics. The bald-faced lies its executives invented about hemp were totally off the charts. Vietnam exposed many young Americans to marijuana who otherwise would have never found it. Because of this, the author believes that the war may be the single most important factor in today's looming marijuana legalization. Unfortunately, there are still people who want to continue the War on Drugs and put people in jail on marijuana charges. It is time to end the federal marijuana prohibition.

For Who the Bell Tolls David Marsh, 2013-10-03 For Who the Bell Tolls is a book that explains the grammar that people really need to know, such as the fact that an apostrophe is the difference between a company that knows its s*** and a company that knows it's s***, or the importance of capital letters to avoid ambiguity in such sentences as 'I helped my Uncle Jack off his horse.' David Marsh's lifelong mission has been to create order out of chaos. For four decades, he has worked for newspapers, from the Sun to the Financial Times, from local weeklies that sold a few thousand copies to the Guardian, with its global readership of nine million, turning the sow's ear of rough-and-ready reportage into a passable imitation of a silk purse. The chaos might be sloppy syntax, a disregard for grammar or a fundamental misunderstanding of what grammar is. It could be an adherence to 'rules' that have no real basis and get in the way of fluent, unambiguous communication at the expense of ones that are actually useful. Clear, honest use of English has many enemies: politicians, business and marketing people, local authority and civil service jargonists, rail companies, estate agents, academics . . . and some journalists. This is the book to help defeat them. 'A splendid and, more importantly, sane book on English grammar.' Mark Forsyth, author of *The Etymologicon*
