Finally, he concludes by detailing how European diseases defeated ancient Africa. African Holistic Health helps you learn about holistic sex laws, self diagnosis, disease treatments, the danger of commercial foods and much more. Heal the Body Holistically Carolyn J. Williams, 2016-06-29 There is a transcendent awareness above the five senses (that we relate to as common sense) that is present and readily accessible to each and every one of us. When we realize it, we see it is the source of true peace, good health, happiness, satisfaction, courage, and joy. We've got to feel connected to something bigger than ourselves. Whether you call it god, universal mind, love presence, divine spirit, life energy, there is a force that beats our hearts, breathes our breaths, keeps the sun shining. The more we struggle to live, the less we live. Give up the notion that you must be sure of what you are doing. Instead, surrender to what is real within you by detoxifying, meditating (quieting the mind), fasting, and praying, for that within is sure. And yet, we don't know how to access it; we don't know how to bring it into our awareness. We don't know how to manifest it or embody it.

Menopause and Estrogen Ellen Hodgson Brown, Lynne Paige Walker, 1996 One of the most hard-hitting menopause books in its critique of the way the medical establishment views and treats menopause, its purpose is two-fold. Firstly, to tell the real story about hormone replacement therapy, its dangers, and why doctors are pushing it; and secondly to offer alternative treatments based on looking at the body and aging from the point of view of health, not pathology. This is an incredibly important book for transforming the myths of aging and bringing women's healing back into the hands of women.

Urban Apologetics Eric Mason,2021-04-06 *Urban Apologetics* examines the legitimate issues that Black communities have with Western Christianity and shows how the gospel of Jesus Christ—rather than popular, socioreligious alternatives—restores our identity. African Americans have long confronted the challenge of dignity destruction caused by white supremacy. While many have found meaning and restoration of dignity in the black church, others have found it in ethnocentric socioreligious groups and philosophies. These ideologies have grown and developed deep traction in the black community and beyond. Revisionist history, conspiracy theories, and misinformation about Jesus and Christianity are the order of the day. Many young African Americans are disinterested in Christianity and others are leaving the church in search of what these false religious ideas appear to offer, a spirituality more indigenous to their history and ethnicity. Edited by Dr.

Eric Mason and featuring a top-notch lineup of contributors, *Urban Apologetics* is the first book focused entirely on cults, religious groups, and ethnocentric ideologies prevalent in the black community. The book is divided into three main parts: Discussions on the unique context for urban apologetics so that you can better understand the cultural arguments against Christianity among the Black community. Detailed information on cults, religious groups, and ethnic identity groups that many urban evangelists encounter—such as the Nation of Islam, Kemetic spirituality, African mysticism, Hebrew Israelites, Black nationalism, and atheism. Specific tools for urban apologetics and community outreach. Ultimately, *Urban Apologetics* applies the gospel to black identity to show that Jesus is the only one who can restore it. This is an essential resource to equip those doing the work of ministry and apology in urban communities with the best available information.

Cosmic Birthright Michael W.P. Moore, 2025-05-11 *Cosmic Birthright: Healing Rhythms of the Ancestors* is a poetic invocation, a rhythmic reckoning, and a spiritual guidebook born of ancient memory and modern longing. Within these soul-stirring pages lies a map—not merely to healing, but to remembrance. Anchored in African indigenous traditions, this book uses rhythm as language, sound as medicine, and memory as a gateway. The ancestors are not dead—they are rhythmic presences, encoded in your heartbeat, footsteps, and your breath. This is a sacred offering to anyone ready to listen. This is for: Those who feel a drum inside their chest and don't know why. Descendants seeking reconnection, repair, and ritual. Cultural educators, spiritual seekers, and lovers of oral tradition. What you'll discover inside: The healing science of ancestral rhythm and the sacred drum. Narrative ceremonies to awaken inner knowing. Reflections and rituals that help you step into your sacred power. Whether you are walking through grief, seeking purpose, or carrying generational weight, *Cosmic Birthright* is a remembering spell wrapped in rhythm. It doesn't just inform—it transforms. Your ancestors are not in the past. They are waiting in the beat. □ Approx. 12,000 words.

Sistah Vegan A. Breeze Harper, 2012-03 *Sistah Vegan* is a series of narratives, critical essays, poems, and reflections from a diverse community of North American black-identified vegans. Collectively, these activists are de-colonizing their bodies and minds via whole-foods veganism. By kicking junk-food habits, the more than thirty contributors all show the way toward longer, stronger, and healthier lives. Suffering from type-2 diabetes, hypertension, high blood pressure, and overweight need not be the way women of color are doomed to be victimized and live out their mature lives. There are healthy alternatives. *Sistah Vegan* is not about preaching veganism or vegan fundamentalism. Rather, the book is about how a group of black-identified female vegans perceive nutrition, food, ecological sustainability, health and healing, animal rights, parenting, social justice, spirituality, hair care, race, gender-identification, womanism, and liberation that all go against the (refined and bleached) grain of our dysfunctional society. Thought-provoking for the identification and dismantling of environmental racism, ecological devastation, and other social injustices, *Sistah Vegan* is an in-your-face handbook for our time. It calls upon all of us to make radical changes for the betterment of ourselves, our planet, and--by extension--everyone.

Analitikul Cogitationz M'Bwebe Ishangi, 2007-05-11 For nearly fifteen yearz I've attempted 'shock therapy' on the mindz of Afrikan people by challenging us to dispute everything from history to politics, diet to religion, on down to historic African-American organizationz. My quest was and alwayz will be to challenge you; to dare you to face who taught you; to reveal that not everything you may believe now, you had the opportunity to thoroughly investigate. Analitikul Cogitationz is a two-part book. So that you can know the person behind Da Ghetto Tymz magazine, Part 1 (Deja Vu), coverz the first few yearz of my re-awakening to Pan-Afrikan consciousness. In this mini-autobiography, I speak of thingz I went through I once was afraid to speak about. Part 2 is a collection of some of my best perspective articles that appeared in Da Ghetto Tymz magazine from 1993-2006. You may or may not agree with the message I convey, but I hope you will use my arguments as inspiration to further confirm your own beliefs whatever they may be.
