Fifth Avenue: Complete Series Jennifer Gresko,2017-11-18 Happy endings aren't always the end. Emmie Duncan believed in lots of things: fairy tales, destiny, knights in shining armor. She dreamed of a successful life in the big city and finding true love was all a part of the plan. Charlie Cooper was a modern day Prince Charming with a penthouse castle and a knack for sweeping girls off of their feet. But Emmie was about to find out that life isn't as easy as riding off into the sunset with the first handsome man you meet. And when she meets Jackson, an artist from SoHo who has nothing to offer her but his love, she must decide if love is worth giving up her dream of Fifth Avenue, or if fairy tales really do come true.

The Executioner's Tale Ginny Stroud,2014-09-28 The Executioner's Tale is a vigilante plot with a twist: justice is in the shape of a female pensioner – a reluctant one at that, who is accidentally drawn into the role of executioner. “I believe most people have considered murder at one time or other in their lives. Some actually go so far as imagining the act. A very few put their fantasies into action. An accident made me one of that number.” This is the fictionalised autobiography of a serial killer, or, as she would see herself, ‘an instrument of justice’. The first death is accidental, when she confronts the husband of her neighbour, a notorious wife-beater. But at this point she realises that her age, rather than being a negative, is actually a positive. No one would look at an older woman with suspicion: in fact, most people barely notice the elderly at all. So begins her new ‘career’. “I’m not a monster. I am someone who crossed a line and chose not to step back.” One of the significant factors is her loss of faith, but in its place she adopts the utilitarian principle of ‘the greatest good’. All the ‘victims’ are, to her mind, worthy of removal, and range from murderous nurses to paedophiles and drug dealers. In fact, every killing is made to protect or save the vulnerable. Our anonymous subject sees that the courts so often do not, or cannot, provide this justice, and believes in the Old Testament ideal of ‘an eye for an eye’ – or at least a punishment to fit the crime... The Executioner's Tale is a gripping, refreshingly original crime novel whose heroine Ginny dubs ‘a modern Miss Marple’ who goes beyond detection to judge – and executioner.

The Puzzle Sedat Büyük,2024-07-13 This book contains the results of an experiment I have done on myself. I have Asperger's syndrome. I also had a condition called Schizoid. During the Schizoid condition which lasted twenty-three years, I

wrote an epic poem about my life story: Ember. After completing the poem, I experienced something that most people would find unbelievable, and I got out of the Schizoid condition. And then I remembered why I did this experiment. After establishing the connection between Schizoid and Asperger's, the analysis I made allowed me to produce scientific theses on many issues. For instance, what dreams mean and the function of dreams in the evolutionary design. And I claim to have solved a mystery that has puzzled the human mind for thousands of years... I explained the matter of religion with science, in an experimental manner. To understand the content of this book better, I recommend you reading Ember first. Last update: 24 May 2025

Flames of Rebellion (The Knights of England Series, Book 6) Mary Ellen Johnson, 2021-05-04 Civil War Once Again Threatens England in the Medieval Historical, THE FLAMES OF REBELLION, by Mary Ellen Johnson 1397 to 1403. England, Tintagel, London, Shrewsbury, Conway Castle, Tower of London, Cumbria, Westminster Abbey, Wales and Scotland In the fourteenth century's waning days, the tyrannical Richard II is knocked from his throne, and Henry IV is crowned, despite a shaky claim to the throne. Knight Matthew Hart, now in his sixties, believes he can retire to a quiet life in the wilds of Cumbria while Lancelot and Janey's love remains more the stuff of Romances than reality. Yet, all too soon, England's lords grow restless, betrayal is in the air, and Matthew and his family must again ride into battle on behalf of their endangered king. The fates of all the characters who grace the Knights of England series, spanning a century—including some of the most vivid battles, events and historical characters in medieval history—are resolved. Publisher's Note: Readers with a passion for history will appreciate the author's penchant for detail and accuracy. In keeping with the era, this story contains scenes of brutality which are true to the time and man's timeless inhumanity. There are a limited number of sexual scenes and NO use of modern vulgarity. From the Author: There is nothing new under the sun. If we seek to understand today's events, history will always provide the answer. By 1398 the megalomaniacal Richard II had consolidated his power, executed or banished all his enemies and destroyed all those who might speak out in opposition to him. Two years later Richard was deposed, thrown into a dungeon in Pontefract Castle and starved to death. Lessons: We can never predict the future; actions always have unintended consequences; we sow the seeds of our own destruction and payback's a bitch! THE KNIGHTS OF ENGLAND, in series order The Lion and the Leopard A Knight There Was Within A Forest Dark A Child Upon The Throne Lords Among the Ruins The Flames of Rebellion

Mystery Royale Kaitlyn Cavallancia, 2025-01-07 THE INHERITANCE GAMES meets HOTEL MAGNIFIQUE in this genre splicing YA fantastical mystery. The only thing sixteen-year-old Mullory Prudence has left of her mom is a warning: Run if the strange finds you. But mysterious warnings don't pay the bills or help take care of her sick Gran. And they certainly don't make her miserable after-school job any more bearable. When unexpected letters start appearing in peculiar places--sealed in bags of dog food and hidden in the refrigerator--Mullory knows she should avoid them to heed her mother's warning, but her curiosity thinks otherwise. She uncovers an invitation from Stoutmire Estate to compete in a game of Mystery Royale for the chance at a sizable inheritance. Dizzy with the prospect of billions, Mullory enters the game only to unearth the true prize--the illusionary magical properties of Xavier Stoutmire, a recluse without an heir. A recluse who was expected to keep his magic in the family, especially when there isn't enough for each member. With a prize worth killing for, the game is simple: be the first to solve the mystery--who killed Xavier Stoutmire? One week full of lavish parties dripping with enchantments, in a mansion brimming with clues of the past, and everyone's a suspect. To win, Mullory will need to untangle

a twisted family web and decide who she can trust... Whitaker Stoutmire, the golden boy who's harboring deadly secrets? Ellison Stoutmire, his closed off twin, who saw something she shouldn't have? Lyric Stoutmire the youngest sibling, exiled by the family and burning with resentment? Or Mateo Cruz, the only other outsider whose reserved manner allows him to hide in the shadows... At least at first. But most of all, Mullory must ask herself, why? Why her? A question most strange, indeed.

Men Are Stupid Richard D. Wright, Jr. ,2019-10-22 If you've lost your ex, not all hope is lost! In fact, you have every chance in the world to get your former partner back. And this book is one of the essential keys to doing it. You may have been advised to follow your heart if you wish to have the person you love back at your side. While that's certainly good advice, it is not all you should do. At the end of the day, you need to think of reconciliation as a goal. If you have a goal, then the next thing you need is a plan and a strategy. That means planning, considering the pros and cons, and carefully weighing your options. However, with this book you're in the best position to get your ex back - and it starts the very moment you start reading and implementing what I teach you. This book will explain some very simple tactics that can give your ex a completely different view of the person you are and get her to fall in love with you all over again. But more importantly, I will help you determine exactly why you lost her in the first place, how to shift your focus from her onto you to break the energy attachment, and show you how to keep her this time by actually becoming a better man and being her best option. While it may seem completely counter-intuitive but focusing on yourself is the critical first step in getting your ex back and keeping her. This book will start from square one and lead you through all the steps to getting the woman you've been after, whether it's your ex or someone even better. We cover the essentials to developing yourself so that you are attractive to women. How to determine what type of woman is best for you. How to pull off the romance she so desperately wants. And most importantly to your success, how to build your own self-confidence so that you are comfortable doing anything. If you master the techniques presented in this book, you will have all of the tools necessary to make women find you irresistible. I titled the book "Men Are Stupid" because so many men spend so much time and energy trying to play games and manipulate women all in an effort to "trick" her and get her into bed. I said men are stupid because they fail to realize that women are incredible creatures and are just as, if not more, sexual and sensual than men. They want sex just as much as we do. You don't need to play games or tricks. You just simply need to understand that women get turned on from the inside out. You must seduce her mind first, then everything else will open. The best way to find and maintain a relationship with a woman is to first understand how she operates, what turns her on, and how to keep her interested. Once you understand these key points you will unlock the secrets of seducing a woman. The first thing to do is to get inside her mind, and determine her inner workings. Once you truly understand how she works, everything else will fall into place. Good Luck in your journey!

Lucid Sex: Revolutionize Your Sex Life David Sinclair, 2022-01-29 Lucid sex is to sex as lucid dreaming is to dreaming. Most people sleepwalk through life - never once waking up - and much the same is true of their sex life. Vanilla sex, missionary position sex, is barely sex at all. but also become a better and much more powerful person in the process. You can use kink to achieve Jungian individuation. What's not to like? Imagine how much happier you would be if you understood why you search for those particular things on Pornhub that so get you going, and if your actual sex life reflected what you constantly dream of. How do you ask for the sex you really want, but are too scared to mention? It's time to get lucid – sexually, and in every other part of your life ... because they're all connected.

Highway to the Sky Lola Reid Allin, 2025-07-30 With females making up just 5% of the world's pilots, this memoir crosses genres to combine aviation history, the author's journey from unwanted child to successful pilot, and the feminist experience, and will appeal to multiple aviation communities. Don't be silly! Girls can't fly, seven-year-old Lola's father admonishes her as they fly across Canada on a commercial flight in 1962. She is crushed—but decides he must be right. She's only ever seen male pilots, after all. *Highway to the Sky* begins during the empty zone of women in aviation, a three-decade drought following WWII when men reclaimed the jobs that had been performed by women during the war and forced women back to diapers and dishes, where they belonged. Despite Lola's childhood desire to avoid the straitjacket of traditional female roles and become a pilot, her desperate need for unconditional affection after a lonesome childhood sways her determination. At age twenty, she leaps into marriage and motherhood. Four years, one toxic relationship, and one private pilot license later, she leaves her husband, even though she knows she'll be censured by friends, family, and 1970s society at large. Lola's head-on battle with tradition continues as the lone female pilot in her advanced flight training program and on the job as a flight instructor, bush pilot, charter pilot, and commuter airline pilot between 1979 and 1993. Flying is challenging at times, yes—but her true obstacles are the hostility, sabotage, and discrimination she faces in her industry. She perseveres, however. Ultimately, flying is what gives her the courage to regain control of her life—and helps her find personal happiness.

Transcendental Magic: The Rise of the New Magicians David Sinclair,2022-01-29 When the transcendental magicians appeared, the traditional magicians had no idea what to make of them. The newcomers said they knew the true basis of magic. Magic, real magic, is all about the power of the mind. Not the conscious mind, but the unconscious mind. The source of magic is the mind we know nothing about, the hidden mind, the secret mind, the second mind, the occult mind. Humanity hasn't even begun to grasp the power of the unconscious. But the transcendental magicians made the unconscious - the transcendental unconscious - the focus of their search for the powers that transform the world. Transcendental magic marries psychology, physics, metaphysics and mathematics. Magic is literally built into the fiber and fabric of existence. All you need to do is work out the magic code. Then you can hack reality and achieve your dreams. The new magicians have come forth. Transcendental magic is the most powerful magic of all. The Magic Wars are about to begin.
