Summary of Cash Flow Quadrant Alexander Cooper, 2021-07-20 Summary of Cash Flow Quadrant You can never have true freedom without financial freedom. Freedom may be free, but it has a price. Preface: What is Your Life's Goal? Finding your path in life is your goal in life. Your path is not your profession, how much money you make, your title, or your successes and failures. Finding your path means finding out what you were put here on this earth to do. What is your life's purpose? Why were you given this gift called life? And what is the gift you give back to life? Most people are programmed early in life to "Go to school and get a job." School is about finding a job in the E or S quadrant. It is not about finding your life's path. Trust your intuition, heart and have guts. Education is a process. To develop into a whole human being, we need mental, physical, emotional, and spiritual education. Traditional schools were primarily about developing students mentally. That is why so many students who do well in school, do not do well in real life, especially in the world of money. School programs students to be an employee in the E or S quadrant. Traditional education is not the place for a person who wants to be an entrepreneur in the B and I quadrants. Become an entrepreneur in education. It seems that our paths in life are not found in our minds. Our path in life is to find out what is in our hearts. The shortcoming of traditional education. Millions of people leave school, only to be trapped in jobs they do not like. They know something is missing in life. Many people are also trapped financially, earning just enough to survive, wanting to earn more but not knowing what to do. Without awareness of the other quadrants, many people go back to school and look for new professions or pay raises in the E or S quadrant, unaware of the world of the B and I quadrants. Most addictions are attempts to find happiness in people's souls. Many "A" students get stuck in "analysis paralysis," studying every little detail, but failing to do anything. This "analysis paralysis" is caused by our educational system punishing students for making mistakes. If you think about it, "A" students are "A" students simply because they made the fewest mistakes. The problem with that emotional psychosis is that, in the real world, people who take action are the ones who make the most mistakes and learn from them to win in the game of life. The reason so many people fail to achieve success is because they fail to fail enough times. One of the reasons so many people cling to job security is because they lack emotional education. They let fear stop them. Here is a Preview of What You Will Get: □ A Full Book Summary □ An Analysis □ Fun quizzes □ Quiz Answers □ Etc Get a copy of this summary and learn about the book.

too many valuable years wherein they could be productive. We fall into the 40/40/40 rule of life. What happens is our parents encourage us to get a good education in order to get a good paying job. It goes like this. We get serious about life at age 25 and work 40 hours a week for 40 years; and then retire on about 40% of our income from Social Security, and any monies that we have saved from our retirement plans. This book teaches you to get ahead of the curve by showing you how to set attainable goals. Studies show that people that write down their goals reach their goals three times more often than people who don't write down their goals. It Starts at the Dinner Table is knowledge shared by five generations of Haleys. It will help you practice simple habits over time that will help you not only be successful, but discover your destiny to impact the world!

Healing Zimbabwe □ Improving Human Rights, Equality and Education in the Republic of Zimbabwe Dr. Mark O'Doherty, 2017-10-29 Dear All, It is imperative that Russia makes Peace with Ukraine, so that the Universal Declaration of Human Rights (UDHR) and the UN Convention on the Rights of the Child (UNCRC) can be restored in the International Community - as requested by the Secretary-General of the United Nations Mr. António Guterres and Pope Francis. As many as 200,000 people have been killed or injured in the war so far, including nearly 1,000 Ukrainian children. Hence it is imperative that Peace is restored between Ukraine and Russia, to stop the killing of Children. A continuation of Russia's war in Ukraine would increasingly tarnish Russia's reputation in the International Community, and isolate the Russian people economically, socially and culturally - which is unnecessary and can be avoided, if Russia restores peaceful and diplomatic relations with the International Community. This includes the withdrawal of all Russian troops from Ukrainian territory. We are expecting the Russian Armed Forces to restore the Universal Declaration of Human Rights (UDHR) in the International Community - by arresting Vladimir Putin, and putting him on trial for crimes against Humanity. This includes restoring Freedom of Speech, Freedom of Press and Freedom of Association in Russia. Once all Russian forces have withdrawn from Ukrainian territory, we intend to implement the replacement of NATO by a new International Peacebuilding Alliance. In our opinion, this should have been done already after the Cold War - during the time when Boris Yeltsin was the first president of the Russian Federation from 1991 to 1999, but which the US neglected to do. So I expect my colleagues in the Government of Russia to make Peace with Ukraine - and uphold the Legacy of Peace of Mikhail Gorbachev and Boris Yeltsin - by working together with Ukrainian president Volodymyr Zelenskyy. This includes working together with my good friends Joe Biden, Avril Haines and Antony Blinken - who are really solid fellows:) It should also be noted, that Putin's former speechwriter says a military coup is becoming a possibility in Russia. In short, it is imperative that Human rights and International Law are restored in the International Community - and that Civil Liberties and Basic Human Rights are restored in Russia.
