I Give a Damn Orlando Constantine, 2007-10 This booklet is simply a further abridge form of the book, 'Angels, Let's Talk,' which was collection of blog posts from the blog 'Dew (due) From Heaven: Light 2 U Blog.' For as asked on the back cover of that book 'Why are you angels here, where are you coming from and do you give a 'damn' where you are going!?' So those who believe give a damn and would declare 'I Give A Damn.' Or, I believe, I care, I as an angel want to be saved. How? Where? Why? I believe and I want to receive. That sincere rhetoric of an angel is coined in this verses, I believe; help thou mine unbelief (Mark 9:24). This booklet intends to identify those key areas of that book and those posts, but that book is also a must read for development. Thanks and God bless.

Irish Witchcraft and Demonology St John Drelincourt Seymour, 2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1913 edition. Excerpt: ...to go with him, which he did. And that when they came thither David Jones came to Florence, and told her that he heard she could not say the Lord's Prayer; to which she answered, She could. He then desir'd her to say it, but she excused herself by the decay of Memory through old Age. Then David Jones began to teach her, but she could not or would not say it, though often taught it. Upon which the said Jones and Beseley being withdrawn a little from her, and discoursing of her not being able to learn this Prayer, she called out to David Jones, and said, David, David, come hither, I can say the Lords Prayer now. Upon which David went towards her, and the said Deponent

would have pluckt him back, and persuaded him not to have gone to her, but he would not be persuaded, but went to the Grate to her, and she began to say the Lord's Prayer, but could not say Forgive us our trespasses, so that David again taught her, which she seem'd to take very thankfully, and told him she had a great mind to have kiss'd him, but that the Grate hindered her, but desired she might kiss his Hand; whereupon he gave her his Hand through the Grate, and she kiss'd it; and towards break of Day they went away and parted, and soon after the Deponent heard that David Jones was ill. Whereupon he went to visit him, and was told by him that the Hag had him by the Hand, and was pulling off his Arm. And he said, Do you not see the old hag How she pulls me? Well, I lay my Death on her, she has bewitched me. About fourteen days languishing he died. This concludes the account of Florence Newton's trial, as given by Glanvill; the source from which it was taken will be alluded to shortly. It would seem that the witch was indicted upon two separate charges, viz. with...

*Angels, Let's Talk* Orlando Constantine, 2007-10 The anointing received is the deciding factor of the truth on this subject, which is unparallel in content as being current, biblical and to the point. Why are you angels here, where are you coming from and do you give a ?damn? where you are going!? This book intend to bring a resolution to these questions and if eternal damnation is obvious, redemption is also plausible; as one extremity has a equal opposite, except in the case of God. Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool (Isaiah 1:18).

**Demonology and Devil-Lore, Vol. 1 (Classic Reprint)** Moncure Daniel Conway, 2017-10-13 Excerpt from Demonology and Devil-Lore, Vol. 1 Three Friars, says a legend, hid themselves near the Witch Sabbath orgies that they might count the devils; but the Chief of these, discovering the friars, said Reve rend Brothers, our army is such that if all the Alps, their rocks and glaciers, were equally divided among us, none would have a pound's weight.' This was in one Alpine valley. Any one who has caught but a glimpse of the world's Walpurgis Night, as revealed in Mythology and Folklore, must agree that this courteous devil did not overstate the case. Any attempt to catalogue the evil Spectres which have haunted mankind were like trying to count the shadows cast upon the earth by the rising sun.
