Rebecca Ross

Divine Rivals Rebecca Ross, 2023-04-04 After centuries of sleep, the gods are warring again... All eighteen-year-old Iris Winnow wants to do is hold her family together. With a brother on the frontline forced to fight on behalf of the Gods now missing from the frontline and a mother drowning her sorrows, Iris's best bet is winning the columnist promotion at the Oath Gazette. But when Iris's letters to her brother fall into the wrong hands - that of the handsome but cold Roman Kitt, her rival at the paper - an unlikely magical connection forms. Expelled into the middle of a mystical war, magical typewriters in tow, can their bond withstand the fight for the fate of mankind and, most importantly, love

Divine Rivals Rebecca Ross, 2026-03-03 A GORGEOUS AND LUXE COLLECTOR'S EDITION OF THE WORLDWIDE BESTSELLER! When two young rival journalists find love through a magical connection, they must face the depths of hell, in a war among gods, to seal their fate forever. After centuries of sleep, the gods are warring again. But eighteen-year-old Iris Winnow just wants to hold her family together. Her mother is suffering from addiction and her brother is missing from the front lines. Her best bet is to win the columnist promotion at the Oath Gazette. To combat her worries, Iris writes letters to her brother and slips them beneath her wardrobe door, where they vanish—into the hands of Roman Kitt, her cold and handsome rival at the paper. When he anonymously writes Iris back, the two of them forge a connection that will follow Iris all the way to the front lines of battle: for her brother, the fate of mankind, and love.

Le Fay Sophie Keetch, 2024-07-16 A very real, passionate retelling of Morgan le Fay's story, with detail about political and magical lives, and the women who are such a vital part of the tale. —Tamora Pierce, #1 New York Times bestselling author “Sophie Keetch’s prose is as mesmerizing as the ocean’s tides, illuminating Morgan’s life with a deft and attentive hand.” —Rebecca Ross, #1 New York Times bestselling author of *Divine Rivals* and *Ruthless Vows* From the author of *Morgan Is My Name* comes the second installment in the Morgan le Fay trilogy, a feminist retelling of the story of the formidable and misunderstood villainess of Arthurian legend, Morgan le Fay. Having escaped an unhappy marriage, Morgan finds herself in Camelot—the city of dreams and peace. Her brother, King Arthur, treats her as a valued advisor and Morgan finally has recognition befitting her intelligence within his trusted circle, despite a longstanding conflict with Queen Guinevere. But Morgan’s life is not without complications. Between a vengeful husband determined to snatch their son away, the strict ideals of court life and a jealous rival for Arthur’s attentions in the sorcerer Merlin, gaining true power and freedom is a greater challenge than Morgan envisioned. And when a face from her past arrives at Camelot, bringing old memories and new desires, the future that she has planned becomes fraught with danger. Morgan must break the shackles of expectation to seek true happiness. But at the risk of destroying everything she’s worked so hard to gain, what is she willing to sacrifice for control over her life?

Ruthless Vows Rebecca Ross, 2023-12-26 The epic conclusion to the intensely romantic and beautifully written story that started in *Divine Rivals*. Two weeks have passed since Iris Winnow returned home bruised and heartbroken from the front, but the war is far from over. Roman is missing, and the city of Oath continues to dwell in a state of disbelief and ignorance. When Iris and Attie are given another chance to report on Dacre’s movements, they both take the opportunity and head westward once more despite the danger, knowing it’s only a matter of time before the conflict reaches a city that’s unprepared and fracturing beneath the chancellor’s reign. Since waking below in Dacre’s realm, Roman cannot remember his past. But given the reassurance that his memories will return in time, Roman begins to write articles for Dacre, uncertain of his place in the greater scheme of the war. When a strange letter arrives by wardrobe door, Roman is first suspicious, then intrigued. As he strikes up a correspondence with his mysterious pen pal, Roman will soon have to make a decision: to stand with Dacre or betray the god who healed him. And as the days grow darker, inevitably drawing Roman and Iris closer together...the two of them will risk their very hearts and futures to change the tides of the war.

The Oxford Illustrated History of the Book James Raven, 2020-07-31 In 14 original essays, The Oxford Illustrated History of the Book reveals the history of books in all their various forms, from the ancient world to the digital present. Leading international scholars offer an original and richly illustrated narrative that is global in scope. The history of the book is the history of millions of written, printed, and illustrated texts, their manufacture, distribution, and reception. Here are different types of production, from clay tablets to scrolls, from inscribed codices to printed books, pamphlets, magazines, and newspapers, from written parchment to digital texts. The history of the book is a history of different methods of circulation and dissemination, all dependent on innovations in transport, from coastal and transoceanic shipping to roads, trains, planes and the internet. It is a history of different modes of reading and reception, from learned debate and individual study to public instruction and entertainment. It is a history of manufacture, craftsmanship, dissemination, reading and debate. Yet the history of books is not simply a question of material form, nor indeed of the history of reading and reception. The larger question is of the effect of textual production, distribution and reception - of how books themselves made history. To this end, each chapter of this volume, succinctly bounded by period and geography, offers incisive and stimulating insights into the relationship between books and the story of their times.

Morgan Is My Name Sophie Keetch, 2023-06-13 “A very real, passionate retelling of Morgan le Fay's story, with detail about political and magical lives, and the women who are such a vital part of the tale.” —Tamora Pierce, #1 New York Times bestselling author “Sophie Keetch's prose is as mesmerizing as the ocean's tides, illuminating Morgan's life with a deft and attentive hand.” —Rebecca Ross, #1 New York Times bestselling author of Divine Rivals and Ruthless Vows A powerful feminist retelling of the early life of Morgan le Fay, the famed villainess of Arthurian legend, this dazzling debut is the story of a woman both mortal and magical, formidable and misunderstood, told in her own words. Young Morgan of Cornwall lives a happy life in Tintagel Castle until King Uther Pendragon, with the help of the sorcerer Merlin, murders her father and tricks her mother into marriage. Furious, brilliant, and vengeful, Morgan defies her brutal stepfather, taking up a secret education, discovering a lifelong affinity with the healing arts, and falling in love with a man far beneath her station. However, defiance comes at a cost. Used as a bargaining chip in her stepfather's war games, Morgan finds herself banished to a world of isolated castles and gossiping courts, amidst the machinations of kings, sorcerers, and men. But some desires

are not easily forgotten, and the search for her independence is a quest Morgan cannot give up. As the era of King Arthur approaches, she must use all her wit, knowledge, and courage to fight against those who wish to deny her intelligence, crush her spirit, and control her body. But, in seeking her freedom, Morgan risks losing everything—her reputation, her loved ones, and her life.

Augustine Beyond the Book Karla Pollmann, Meredith Jane Gill, 2012-05-11 This interdisciplinary collection of essays investigates the processes by which Augustine of Hippo's writings were re-invented in other media, including the visual arts, drama and music. Thereby it highlights the crucial role of Augustine's readers in constructing his universal stature.

Book of Infinite Love Mother Louise Margaret Claret, 1992-03 Shortly before her death, Mother Louise Margaret Claret de la Touche (1868-1915) was commissioned by her bishop to write *The Book of Infinite Love*. Aimed at all Catholics, it is an effort to expound upon the nature and bounties of God's love for men, but more particularly, it shows how God's love is meant to be manifested throughout the world by the overflowing of Christ's love in His priests. Those who read these pages will marvel that they were composed by an uneducated and unlettered woman. Those who knew her personally concluded that this book was written with divine assistance. Infinite Love! It is the substance of Catholic doctrine, it is its center; it is the explanation of all the mysteries of our Faith. It is not only the love of God for the creature, it is God Himself.

Thematic Threads in the Book of the Twelve Paul L. Redditt, Aaron Schar, 2012-08-06 For some years the view has become established that the Book of the Twelve is a systematically structured literary unity. An exegesis which takes the final canonical text seriously undertakes to understand the structure and theological intention of this unity. The papers collected here attempt to reveal significant structures which overarch the individual components. Particular emphasis is placed on the reconstruction of thematic threads which are created when individual prophets take up topics from their predecessors (e.g. Jehovah's Day, conversion, role of the peoples) and intensify them. The papers were written between 1999 and 2002 under the aegis of the Society of Biblical Literature's Working Group on The Formation of the Book of the Twelve.

Myths of the Ancient Greeks Richard P. Martin, 2003-04-01 From one of today's foremost scholars, a lively retelling of the timeless tales... Here are the myths that have influenced so much of our cultural heritage. Such age-old stories as the tragic love of Orpheus and Eurydice or Demeter's loss of her daughter, Persephone, resonate strongly with readers even today. In this book the rousing adventures of the heroes Herakles, Theseus, and Perseus are intertwined with the tragedies of immortal Prometheus and mortal Oedipus, the amorous escapades of Zeus, the trickery of Hermes, and the ecstasy of

Dionysus. In-depth introductions to each section deepen your understanding of the myths—and heighten your reading pleasure. Presented in simple yet elegant prose, these tales emerge in brilliant new life. From the creation battle of the gods and Titans to Odysseus' return home from the Trojan War, this indispensable volume contains fifty-six legendary stories—handed down from generations past—that will continue to captivate readers for generations to come.

Divine Rivals Book Introduction

In the digital age, access to information

has become easier than ever before. The ability to download Divine Rivals Book has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Divine Rivals Book has opened up a world of possibilities. Downloading Divine Rivals Book provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Divine Rivals Book has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are

enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Divine Rivals Book . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Divine Rivals Book . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of

content. When downloading Divine Rivals Book , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Divine Rivals Book has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
