**The Expositor's Study Bible** Jimmy Swaggart, 2008-07-01 The Expositor's Study Bible (KJV) is different than any other study Bible ever produced. With abbreviated commentary notes placed directly in the scripture, it makes Bible study easier than ever before. With over 1 million copies in print today, The Expositor's Study Bible has become one of the most loved Bible study tools of our time.

Matthew: Jimmy Swaggart Bible Commentary Jimmy Swaggart, 1996 MATTHEW BIBLE COMMENTARY After nearly 40 years of full-time ministry, Brother Swaggart published his first commentary on the book of Genesis that was later described as “the most helpful Bible commentary ever published.” It would take nearly 20 years to complete the entire commentary series—from Genesis to Revelation. True to Pentecostal theology, the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible. Rather than providing notes on every Bible verse, these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended. Where most relevant, cultural and historical references are also included, along with explanations of the allegories, types, and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures. Yet, what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer. Printed on high-quality paper and bound with a beautiful hardback cover, this unique reference will be cherished by anyone who loves to study the Word of God.

*The Expositor's Word for Every Day* Jimmy Swaggart, 2011 This is, we believe, the most unique Daily Devotional in the world today. All 366 Messages, one for each day of the year (including leap year), in some way deal with the Cross of Christ. Consequently, the wealth of Doctrine, help, strength, encouragement, and blessing carried in this Volume is, we think, exceptional. It addresses modern-day problems, which can be solved only by the age-old remedy of the Word of God.

America is on a decline. Biblical literacy is at an unprecedented low amongst believers, and it seems as if there is no end to where this could lead to in our churches. The COGIC Sunday School department desires to help aid literacy by providing quality supplemental lesson material. Enlisting help from scholars across the country, the department wrote the Interpretative Expository, an exposition for each lesson of the Sunday School curriculum. Also, to assist pastors, preachers, missionaries, and laity with sermon subjects and preparation, our team has included a sample sermon outline from one of the lessons. Reemphasize the message of Sunday School by preaching a message from the text of the lesson.

**Brother Swaggart, How Can I Understand the Bible** Jimmy Swaggart, 2020-03-19 Jesus said: "Man shall not live by bread alone, but by every Word that proceeds out of the Mouth of God" (Mat. 4:4). The Word of God is, pure and simple, the single most important thing on the face of the Earth. As someone has rightly said: • Much Bible, much Freedom! • A little Bible, a little Freedom! • No Bible, no Freedom! In his book, "Brother Swaggart, How Do I Understand the Bible?", Brother Swaggart has tried his best to address every major Doctrine given to us in the Word of God. This is material that is necessary for every Believer to know and understand. Hopefully, we have addressed these great subjects in the Word of God in such a way to make it simple and easy to comprehend. The following are some of the subjects addressed: • The Doctrine Of The Bible • The Doctrine Of Grace • The Doctrine Of "Justification By Faith" • The Doctrine Of Our Lord Jesus Christ • The Doctrine Of Satan • The Doctrine Of Sin • The Doctrine Of The Baptism With The Holy Spirit

**The Spiritual Root of the Matter Is Found in Me!** Pamela McKissack, 2012-06 This work is being released after being hindered for a little over 3 years. However, due to the importance, continued promptings, encouragement, consistent help and steadfastness of the Holy Spirit, we are finally able to release it to the body of Christ as led and directed by the Lord. Seeing that none of us are perfect, we have done our best to help you understand how the Lord is desiring us to gain the ability to resist dark spirit infiltrations, development and infestations against our body, soul, spirit life and relationships, which could lead to spiritual captivity, spiritual spoil, spirit domination and can even cause or produce servants of corruption without, consistent releases from dark spirit activity and intrusions of dark spirit life. Although, it may not be a perfect work (it is the Lord that perfects His work in our lives), it is a complete assignment within itself. None of us will ever be perfect

outside of Christ. We have stood in the gap to complete this work for the body of Christ and those desiring to be in the Lord's camp, by the will of the Lord and by His grace we humbly release this writing, to help you stand in these last days, in obedience to the Lord and we pray to do a Volume Two to continue working towards perfecting anything we could have missed while continuing to stand, during try times and hindrances, to complete this work. It continues to be a good fight of faith all the way for the honor and glory of His name! Eze 22.30. Sam 15.22. Eph 6.13. Please remember that our independent flow charts are now available (to help preserve the body, soul and/or spirit life and situations in Christ) and can be used as a supplement to this writing to help you stand in battle in these areas and/or withstand whatever and however the enemy is trying to affect and/or operate in your life. Be encouraged, there is hope in Christ Jesus because of His complete work at Calvary. HE IS RISEN! He is Lord, in the spirit realm. He is Lord of all! Mt. 28.6. We bless you in the name of the Lord! **Expository Sermons on the Ten Commandments** Joe Tolin, Jr.,2015-07-23 This compilation of sermons on the Ten Commandments covers in detail the three uses of the Law, the application of Law and Gospel, and the details of each commandment.

**Getting Acquainted with the Holy Spirit** R. Michael Baldock PHD.,2017-03-17 Does learning excite you? Do you long to grow in the Word of God? Are you tired of being stagnant and stuck in your walk with the Lord? In this book of books Dr. Michael Baldock examines and breaks down the most powerful force known to man, The Holy Spirit. Finally a book has been written and put together between one set of covers so that Pastors, Leaders, laymen, and even new born babies in Christ can read it and study its pages and take steps into new levels in God through the power of the Holy Spirit. Pastor Tim Agee, The Sanctuary Church

The Resurrection Jimmy Swaggart,2018 Next to the miracle of salvation, the resurrection is the most exciting, the most thrilling, and the most glorious of all doctrines in the Word of God. Why? Because as mortals, we carry inside of us the dread of death. Inevitably, death comes to us and to our loved ones and when it does, we need a living faith. That's why, when Martha stood at her brother's gravesite, Jesus told her, "I am the resurrection and the life." And the great truth on resurrection, as relayed by the apostle Paul, has brought more comfort to mourners than any human words ever written. In this anointed book, Evangelist Jimmy Swaggart reveals the power of Christ's resurrection which enables every believer, and His church, to rise again.

*A Biblical Perspective of the Anointing* Edward Greenstein,2017-08-31 There is much written and taught concerning the Anointing of God that is the result of someone's experience. Teaching one's experience or even their interpretation has brought confusion and even division in the Body of Christ. God's intention has always been that we be of one mind and one

heart. This book is intended to clearly show that which the Bible declares about the Anointing of God and the intended purpose in which it is given.

**Caught Between Two Spiritual Worlds** Reverend Harold A. Vieux, 2012-11-01 This is a true story, a series of events that transpired in my life which I deemed necessary to expose and by so doing alert others to vigilance. Naturally, the subject matter is sensitive both for me and all parties involved. I can never discount the relevance of demons, deny their reality and their harassing ways. If and when I was to do so, I would magnify the role of human agents. Frequently, even mature Christians underestimate the magnitude of the spiritual warfare enlisted in from the time of the new birth. We are in a severe struggle, persistently and subtly driven by powerful, spiritual opposing forces beyond our comprehension. Often we rely on human resources and fail to use the spiritual source available to us through the power of the Holy Spirit. I fell in the fourth generation of my maternal fore-parents lineage to suffer unnecessary heartbreaking consequences because of spiritual ignorance. Since I came to see the light of Jesus Christ, I made up my mind to loose all yokes of bondage over my generation and the ones to come after me should Christ tarry. I now know demonic spirits are to be kept afar and never be trusted. Even though at times through subtlety we may be deceived to think that certain spirits work for the good and well-being of a person, such deception should be seen as a trap, a means of securing the individual into a mesh. Sooner or later, such individual will be caught unaware and conquered. It should never be a surprise how the Devil, the starch enemy of the saints, will use anyone, foe and often those who would be considered ally, to win a person over to cause him to fall. Read on and enjoy this treat to your spiritual health!

Innocence Patricia A. King, 2021-03-19 What defines a wave? A tidal or any wave is the disturbance of a medium (water in this case) caused by the movement of energy from a source, etc. wind, tsunami, hurricane or a Deity (God), Transferring

Energy moving through the Medium (Water). My conclusion is that God created the heaven and the earth and made the firmaments and created the waters. In reference to the scripture found in Genesis 1:6-9. Patricia A. King is an avid writer and artist who was born and raised in Detroit, Michigan in 1938. Having a speech impediment, she won first place in a city-wide speech contest by sheer determination at the age of seven. She was diagnosed with cancer in 1973 at the age of thirty-five and was given two years to live. But God healed her of cancer forty-six years ago. She is a mother of five children, a grandmother to twenty-five, and a great grandmother to twenty-eight. She was a Sunday school teacher for over thirty-five years. She worked as a social worker in Geriatrics and owned a successful bridal business, until retirement. Her youngest son's death prompted her to write about her struggles and family hurts. Miraculously, God was always there in those troubled waters. And he showed me a pure river of waters of life, clear as crystal proceeding out of the throne of God and the Lamb (Revelation 22: 1).

**Catholicism & Christianity** Jimmy Swaggart, 2020-03-20 There are more than 50 million Roman Catholics in the United States...over one billion in the entire world. Most see their Roman Catholic traditions and the Christian faith as one and the same. Yet the sad fact is that there are vast differences between Catholicism and Christianity. Christianity was founded not as an institution, but as a witness to Jesus Christ. It is Christ, not Christianity, that has the power to change lives. Catholicism arose from the ruins of the Roman Empire. It brought itself to power through the glory of Rome by deception and force. And by force and bloodshed it has maintained that power throughout the years. Millions of people around the world are following an institution, without the slightest understanding of the Saving Grace of Jesus Christ. This powerful book examines each of the basic tenets of Catholicism and compares them against the standards and precepts of the Word of God. It is an enlightening look behind the scenes into the history of the Catholic church and the establishment of its power throughout the ages. It is also a book of hope and promise as it lays bare the institution and proclaims the Person of Jesus Christ. It is a book that every Catholic must read and every Christian should read.

**Restore Such a One** Lance M. Bacon, 2024-08-01 Widespread deficiencies in spiritual formation see an increasing number of ministers buckle under the significant burdens common to the task. There are seasons when a powerful triad of the flesh, the world, and the devil converge (Eph 2:2-3, cf. Jas 3:15 and 1 John 2:16). Misdirected attempts to fulfill emptiness, find worth, or heal longstanding wounds ensue. Widespread instances of sexual immorality result. Sound exegesis and analysis of theological doctrine presents an allowance, in certain cases, for ministerial restoration. However, this necessitates an intimate and intricate approach that differs significantly from the varied solutions churches and denominations offer. Few restoration programs bring a biblical response to bear. Remarkably rare are restoration programs that look to correct causal factors and commit to congregational care. This program orients itself on an understanding of brokenness and the need for holistic (re)formation. The latter requires fallen ministers to progress beyond biblical confession

and repentance to partner with the Holy Spirit and key authorities such as an overseer, mentors, Christian mental health professionals, and a designated congregation. The unitive goal is a “sanctifying psychopathology” that properly diagnoses spiritual and emotional health; eradicates the adverse influences of emotional, cultural, and spiritual factors; and redirects self-oriented patterns of thought and behavior.
