**The Unshakable Truth** Josh McDowell, Sean McDowell, 2011-08-01 The name Josh McDowell promises real-life, on-the-street Christian apologetics. In his first Harvest House book, Josh joins his son Sean to draw on his life's work and comprehensively address a vital issue: why an entire generation of young Christians—and millions of older believers—is confused about what they believe, why they believe it, and how it's relevant. The Unshakable Truth is uniquely positioned for younger Christians because it presents apologetics relationally, focusing on how Christianity's doctrines affect relationships. The authors... ground every assertion in the overarching story of creation, incarnation, and re-creation. distill 12 crucial "faith statements"—for example, "A personal Creator God exists." explain why each statement is trustworthy, how it applies to real life, and—using examples, stories, and experiences—what its relevance is. A spiritual gold mine for parents, youth workers, pastors—anyone wanting to reveal Christianity's relevance to today's life and culture.

**The New Fulfilled the Old** Dr. Joseph Ajao Apostle, 2012-07-03 Many books are out there that touched nations with powerful impact, with biblical divine insight and with progressive encouragement to all that dare to read and believe. Those books spurs many people to take positive actions about their lives. Kudos to you all the great authors that made it possible for the needy people to receive help through self-help books which is the best help. Apostle, Dr Joseph O. Ajao's intention in this book is to bring the testimonies of the real people that faced real problems but stood their grounds and received breakthrough to you. Why? Because the problems did not break them but built them up successfully. The Apostle, Dr. Joseph Olutunde Ajao has done it again as he did in his former book that he wrote many years ago The New Fulfilled The Old. The proven evidence that Jesus Christ fulfilled the Scriptures. In his book, God can turn it around for you. With God all things will be possible. He proved once again that miracles have not ceased as many people believed now that miracles have stopped happening (See: John 4:48; Mark 2:12; Luke 1:37; Jeremiah 32:27; Jeremiah 33:3; Jeremiah 1:12; Psalm 50:15; Mark

11:22-25). He theologically, biblically and inspirationally proved his point beyond every reasonable doubt that God can perform His miracles in your life if you believe that the Almighty God called Yahweh can do it right now. The promises of miracles stand forever up till eternity by the power of the resurrection of our Lord Jesus Christ more than two thousand years ago. If you read his book without any liberal theological goggle, you shall understand and agree that Yahweh can turn your life around for good. For with Almighty God nothing will be impossible (See: Luke 1:37; Luke 18:27; Matthew 18:18-20; Isaiah 40:8; Isaiah 42:8; Psalm 81:10 .

Trials to Treasure Denise Hamilton,2008-08-08 All of us experience suffering; some much more than others. Having a Biblical perspective toward the trials and difficulties of life and responding correctly to them is vitally important. This book does an excellent job teaching how to prepare for the trials to come and how to appropriately respond when they do. Each chapter ends with Bible study questions, which offer an excellent opportunity to dig deep into Scripture, and discussion

questions, which make it an ideal tool for small group Bible studies. In this, her newest book, Denise has done an excellent job of covering a very crucial area of life - coping with suffering. This book is very sound, practical, and much needed. Frank M. Barker, Jr. Pastor Emeritus Briarwood Presbyterian Church In this marvelous well-crafted book, Denise Hamilton has given us an excellent instrument so that 'when we encounter various trials' we will learn the life-changing lessons from suffering and adversity in the classroom of God's Providence. Dr. Harry Reeder Pastor/Teacher Briarwood Presbyterian Church Denise Hamilton has led Bible studies for high school and college girls for the past 30 years. She was formerly the associate executive director of finance at University of Alabama Hospital and is currently an instructor of health care financial management at the University of Alabama at Birmingham. **My Paperback Book** APOSTLE OSEI NTI,2016-08-19 Many Christian around the world gather to pray, but really do not understand the tactics and strategies of prayer even though scripture declares that an effective prayer of the righteous avails much. (James 5:16b) Again, many who pray do not use the right menu or format for prayers and therefore find it difficult to allow the spirit of God to minister unto them in a divine manner. The right menu or format for fasting and prayer may be attained through scripture reading and involvement in camp ministry. But it is pretty easier to develop such a format by reading concise books prepared on the topic. This book is written with guidance of the Holy Spirit and against the background of scripture reading on prayer, involvement in camp ministry and extensive reading on these subjects. Its enriched content is expected to be of immense benefit to the reader. In short, The Hidden Secret of Prayer and fasting would help you to understand prayer and fasting in totality as full bible doctrine.

**The Oxford Guide to Ideas & Issues of the Bible** Bruce M. Metzger,Michael D. Coogan,2001-12-20 The Bible has been a rich source of inspiration for two thousand years, one of the great wellsprings of Western civilization. In The Oxford Guide to Ideas and Issues of the Bible, dozens of eminent scholars explore how the Bible has influenced our religious, ethical, artistic, and philosophical traditions. Here are more than two hundred alphabetically-arranged entries that explore key aspects of the Bible and its teachings. The contributors examine what the Bible says about timeless issues such as adultery and abortion, divorce and drunkenness, marriage and murder, suffering and temptation; and they discuss religious concepts found in the Bible, ranging from incarnation, sin, and grace, to baptism, ethics, and the Holy Spirit. The book also considers the wider intellectual world, examining the Bible's influence on Western law and medicine and it looks at how the Bible has been viewed by thinkers such as Marx and Freud and by fields such as social science and archaeology. Thoughtful essays also analyze the Bible's influence on human creativity, in areas such as music, dance, art, and literature (the latter includes an extensive discussion of the impact of the Bible on American writing, from Cotton Mather to Saul Bellow). There is even an

article on everyday expressions from the Bible, ranging from the love of money is the root of all evil to such common sayings as the skin of one's teeth, at one's wit's end, and you can't take it with you. The Oxford Guide to Ideas and Issues of the Bible brings together a wealth of insight into the Bible's impact on our culture. It is an essential addition to any school or home library.

Stephen Lang, 2007-03-01 From the author of the bestselling Complete Book of Bible Trivia (over 700,000 copies sold) comes this instant reference guide to God's Word. This is the perfect foundational book for anyone who wants to learn about the Bible, its books, and the wonderful treasures within. Lang answers many key questions, including... What are the books in the Bible named for? Why are there two testaments? Why are there so many versions? What do the chapter and verse numbers mean? Is the Bible the only holy book? This is an ideal resource for anyone who has never used the Bible before, as well as for new believers. It will give them a running start on getting to know the God who loves them, and understanding the written Word He has given them.

**God is beyond the philosophical dimensions** Eugen Pop, 2025-01-16 This book deals with what some famous philosophers have said about God, metaphysics. The book is also about the fact that human conceptions and explanations, the philosophical definitions can't fully explain and define God's supernatural reality, the metaphysical dimension, reality.

**Truth or Deception?** B. L. Smith, 2016-01-07 Did God really say, You must not eat from any tree in the garden? (Genesis 3:1) With a seemingly small twist on God's Word, the assault on truth began in Eden. The enduring battle against truth is prevalent today as some argue that there is no inherent truth. Instead, they assert that truth is ever changing and necessary in order to complement the times. Still others pretend to uphold the truth, yet preach a false gospel. They twist the Scriptures in order to propel their selfish and highly flawed agendas, deceiving many. Truth or Deception? urges believers to examine the Scriptures for themselves in order to be equipped to discern between the truth and the lies. The church that believes and lives in Christ can only experience victory in today's hostile environment if it is founded upon the truth of God's Word. While the world is lost and confused, it ought not to be so with believers. The Word of God is the owner's manual for mankind. It offers guidance and warns on the dangers of the deceivers. Jesus said, Ye shall know the truth, and the truth shall make you free (John 8:32). But how can one who is deceived truly experience freedom or lead anyone else toward freedom? It's impossible. It is time for God's people to uncompromisingly stand for truth and expose the counterfeits for what they truly are—enemies of God.

Confessions of A Coward James Colwell, 2022-08-01 Confessions of a Coward is a book intended to give men the freedom to acknowledge their fears and failures as men and more specifically as husbands and fathers. Once they find the strength to

do so, they can then discover the path to courageous manhood. This is not a how-to book written from an expert perspective. This book does not give the answers but attempts to point men to the answers found in the grace, mercy, and truth of God. This is truly a confession of sorts and hopefully a road map out of the abyss of the cowardly lifestyle far too many Christian men are living today.
