**Who Was Doris Hedges?** Robert Lecker,2020-11-18 Despite her trailblazing efforts to represent the work of Canadian writers to publishers in North America and abroad, Doris Hedges (1896-1972), the Montreal author who started Canada's first literary agency in 1946, is routinely excluded from Canadian literary histories. In *Who Was Doris Hedges?* Robert Lecker provides a detailed account of her remarkable career. Hedges published several novels, short stories, and books of poetry, moved in Montreal literary circles, did a stint as a radio broadcaster, and provided reports to the Wartime Information Board during the Second World War, possibly as an American spy. She lived a privileged life in the Golden Square Mile district of downtown Montreal with her husband, Geoffrey Hedges, a member of the Benson and Hedges tobacco empire. The more one uncovers about Hedges's life, the more one discovers a courageous figure who was exploring many of the conflicted issues of her day: the rise of juvenile delinquency, the suppression of female sexuality, the place of women in business and finance, and the difficulties confronting the publishing industry in the years leading up to and following the war. Mixing lively biographical commentary with literary analysis, *Who Was Doris Hedges?* is a vivid account of a writer's life and concerns during a period when Canada's literature was coming of age.

*From the Streets To Million Dollar Peaks* Michael Labrecque,2024-02-07 This is an influential book that brings poetry and philosophy to life. It is a true-life story that demonstrates the human experience by looking into a young boy's journey

riddled with immense trials and tribulations, forcing him into manhood at a very young age, and against all odds. Living on his own at sixteen, homeless and loveless, Michael navigated his way through life to become a multi-millionaire in just over a decade later. Over the years, he has continued with this positive momentum to obtain great wealth. This book exemplifies an impossible journey against insurmountable odds that perfectly melds the perspective of one's journey, choices, and hardships, into blossoming potential and rewards. From the Streets to Million Dollar Peaks is a remarkable story that feeds truth on how to attract and control your destiny. Unequivocally, this book both teaches and reaffirms your ability to control all outcomes of life, regardless of difficult circumstances. Filled with tales of excitement, fear, violence, destitution, and resilience; this novel is a breath of confidence to those lacking. This memoir brings hope to all readers, even if they feel hopeless, regardless of the situation. An Odd Cross to Bear Anne Blue Wills, 2022-10-13 The fascinating life story, told critically but sympathetically, of a paragon of twentieth-century white Christian womanhood—and the wife of evangelist Billy Graham. Ruth Bell Graham's legacy is closely associated with that of her husband, whose career placed her in the public eye throughout her life. But, while it's true that her identity was significantly shaped by her role in supporting Billy Graham's ministry, Ruth carried a strong sense of her own agency and was widely influential in her own right, especially in the image she projected of conservative evangelical womanhood—defined by a faith that was deep, private, and nonpolitical. Beginning prior to Ruth and Billy's meeting at Wheaton College, Anne Blue Wills chronicles the many formative experiences of Ruth's life—especially the first decade of her childhood living in a community of American medical missionaries in China. Throughout the biography, Wills focuses not on Ruth's role in Billy's life, but on her own interests, ambitions, and fears—as a devoted mother of five, as the fastidious manager of a household, as a devout and well-read Christian, and as a beloved writer and poet. Dealing honestly with a life of contradictory responsibilities that Ruth Bell Graham herself called “an odd kind of cross to bear,” Wills draws from nearly a decade of original research and presents a nuanced portrait of Graham apart from the reverential awe of her admirers and the oversimplified caricatures put forth by her detractors. In telling Graham's story, Wills indirectly tells the story of millions of women who emulated Graham as a role model—women who spurned second-wave feminism and willingly submitted to patriarchy while maintaining an undeniable sense of independence and strength of conviction.

**For You, My Child** Ouisie Bulkeley,2022-11-03 Do you ever read God's Word, the Bible, and just think about it as a historical book, or in general terms? This book will show you what the Lord meant it to be as He talks to those willing to listen and take the time to see how it applies to their new life, or this new life that God offers to all. This book focuses on, in different ways, what the Lord says to all believers as a group and to an individual follower. Like the good Lord did with this author, He wants to do it for all readers too. The Lord will make clear what He is telling His followers to do. He told the author what to write, and what words to use to get the seriousness of His Word across and what He is telling His followers to do! God loves His children, and all sinners of this world, this book will open a reader's eyes to what God wants to tell them about their call in these last days.

*A Gentle Strength* Janella Henry,2010-05 Michael Jansen grew up in a strong, Christian home. He was a happy, well-adjusted teen-until a dark secret from the past shattered his world. In one instant, everything that the boy thought he knew and could count on wavered and vanished. The world had shifted on its axis, and nothing fit anymore. This teen's journey of discovery reveals the power of Christ-as our personal Savior, who wants to be involved in our daily choices. Michael has a lot to learn-about himself, about the nature of truth, about the importance of titles, and about the power of love. Michael learns that, sometimes, what we view as weakness is actually a gift from God-a gentle strength. Janella Henry lives in Sadler Texas, where she is relishing the recently rediscovered freedom that comes with having new wheels. She enjoys teaching and reading, and she has also had a hand in writing a book of Christian poetry entitled *Walking in The Shadow of the Cross*.

*GRIT 4 LIFE* David Douglas, The book is a daily devotion for those who wish to "change the relationship they have with their life." It was originally designed for use within an addiction recovery facility. We found that many others were improving the quality of their life through these God inspired devotions. They are simply written and easy to understand, therefore easily applied to your life. If we allow God into our lives, He will help us with our Relationships. Living in God's will for our lives gives us the Integrity to walk through life with our head held high. And last, but not least, we need to find the Truth. We must put in the work to find the Truth and stop accepting what the world tells us. We can use this G.R.I.T. FILTER to help us on the journey of changing the relationship we have with our lives. By asking four simple questions, we can avoid many of the "potholes" of life. Those four questions are: Have I invited God into my decision process? How will my decision affect my Relationships? What will my decision do to my Integrity? Have I done the research and found the Truth before I react? Living a life with G.R.I.T. will give you joy as you "Transform the relationship you have with your life." If you believe you have a terrible life, it will be terrible. If you work to change your outlook and become grateful for what you have, every day becomes a blessing. It is my sincere hope that these devotional messages will be a blessing to you as you start to live with G.R.I.T.. GETCHASOME! David Douglas

**Embracing Life Again After the Death of a Spouse** Dr Anniekie Ravhudzulo, 2011-01-12 When someone we love dies, our whole world is knocked off balance. One of the most common and yet difficult feelings you experience is isolation. It seems no one understands what you are going through. And many of us are so busy, you don't take the time to fully grieve and, therefore, heal from your losses. It is very true that people who are grieving often feel extremely tired because the process of grieving usually requires physical and emotional energy. The grief you are feeling is not just for the person who died, but also for the unfulfilled wishes and plans for the relationship with the person. Death often reminds most of the people of past losses or separations. Remember, there are a number of conditions that can make it harder for you as a person to successfully make it through the grief process. For example, sudden losses are harder to deal with than ones that have been anticipated. With anticipated losses, the knowledge that a loss will occur allows people to prepare, both by feeling grief

before the fact of the loss and also by planning ways to minimize the negative impact of the loss when it does occur. The loss of a spouse, lover, child, parent, or best friend is usually more deeply felt than the loss of more distant relations and friends. This is because such central relationships have long and deeply felt histories and an intensity of attachment that does not occur with more distant relationships. Central relationships are more deeply and significantly knitted into the grieving persons sense of self, and thus leave a bigger hole in the grieving persons sense of self when they are lost. I discovered that when things are going badly, whether in the family or work environment, most of us strive mightily to improve our situations. But what if the way to overcome a series of losses and failures is just to sink into them? We all go through trials and tribulations. Everyone has difficult situations in their life. It is the way we look at them, and the way we handle those situations. I believe it is the struggle we must endure to gain the strength needed to break through the barriers. With every victory comes the strength we need to overcome the obstacles and move forward. Most people today give up easily because of what you may call emotional downturn. This book in your hand has been written and carefully thought out with you in mind. It has been written to bring you out of your sociological pit and emotional defeat. I therefore gladly recommend this book to your reading that you may be built in His grace. I believe that God will never give you more than you can handle. You often wonder how some people cope with their situations in life, I often hear people saying, I don't think I could deal with that but we don't know what strength lies within us, until the time comes to face the challenge. The harder the struggle, the sweeter the victory. No test, no rewards.

**Love Poems from God** Various, Daniel Ladinsky, 2002-09-24 In this luminous collection, Daniel Ladinsky interprets the work of twelve of the world's finest spiritual writers, six from the East and six from the West. Ladinsky reveals his talent for culling the essence of classic poetry for a modern audience. Ladinsky's poems are not translations in a literal sense. Rather than capture the form of a particular classical work, Ladinsky crafts poems that release the spirit of these timeless writers. Rumi's joyous, ecstatic love poems; St. Francis's loving observations of nature through the eyes of Catholicism; Kabir's wild, freeing humor that synthesizes Hindu, Muslim, and Christian beliefs; St. Teresa's sensual verse; and the mystical, healing words of Sufi poet Hafiz—these along with inspiring works by Rabia, Meister Eckhart, St. Thomas Aquinas, Mira, St. Catherine of Siena, St. Teresa of Avila, St. John of the Cross, and Tukaram are all "love poems by God" from writers considered "conduits of the divine." Together, they form a spiritual treasure to cherish always.

**The Negro's God** Benjamin E. Mays, 2010-10-01 The ideas of God in Negro literature are developed along three principal lines: (1) Ideas of God that are used to support or give adherence to traditional, compensatory patterns; (2) Ideas, whether traditional or otherwise, that are developed and interpreted to support a growing consciousness of social and psychological adjustment needed; (3) Ideas of God that show a tendency or threat to abandon the idea of God as a 'useful instrument' in perfecting social change. From Chapter IX, Summation

*Major Poems of the Hebrew Bible* Jan Fokkelman, 2018-07-17 Volume II of *Major Poems of the Hebrew Bible* deals with 85 Psalms (83 poems) and the poems in Job 4-14, and aims at presenting an integrated prosodical theory which is able to bypass the highly controversial question of metrics. There are two approaches which initially are kept apart on grounds of method: structural analysis and the counting of the original, i.e. pre-Masoretic, syllables. Each poem receives a compact description of structure which gives a reasoned delimitation of cola, verses, and strophes. In a separate operation, the syllable counts for each word, colon, verse, strophe, stanza, section and poem are recorded in a comprehensive Appendix. All the poems under discussion show a precise integer as the average of syllables per colon. For half of them this is 8.00, the others have either 7.00 or 9.00. The 9.00 is a ceiling: there is no Psalm with a higher average. Combining the two approaches, the author shows that the poets themselves did count their syllables, and how they were able to mesh the syllable figures with the structural units of their compositions in a virtuoso combination. The greatest challenge of this enterprise is to delimit and objectify the correct colometry for all the songs, as the figure of syllables per colon depends on the right amount of cola. There are only about 30 Psalms which have a cola figure that can be considered beyond doubt. Fortunately, in the Book of Job the correct number of cola is certain for most chapters. Here we meet the number 8 again as a normative figure
