

The Village By The Sea

J Elliott

The Village by the Sea Anita Desai, 2019-04-16 A classic survival story by one of India's most acclaimed authors, set in a quiet village outside of Bombay about two siblings who struggle to maintain their family's bond in difficult times Anita Desai's *The Village by the Sea* is an exciting and moving story about life in an Indian coastal village and life in the unimaginably big city of Bombay. It is the story of thirteen-year-old Lila and her twelve-year-old brother, Hari. As the book begins, Lila is wading into the sea to bring scarlet hibiscus, sweet-smelling lilies, and butter-yellow allamanda flowers to the sacred rock the fishermen's wives pray to, just as her mother did before her father had to sell his boat to pay his debts and her mother fell ill. Now Lila and Hari must care for their ailing parents as well as their two younger sisters. Sensing adventure and a chance to save his family, and possibly his village, Hari impulsively joins a group of farmers and fishermen traveling to Bombay to protest the construction of a fertilizer factory that threatens to pollute the coastline and destroy their livelihood. Will the protest succeed? Can Hari survive in the city, and can Lila manage at home without him? Through their own resources, and the kindnesses of strangers, Hari and Lila must find a way to "Adapt! Adapt!" as their ornithologist friend urges, just as the birds and animals must do to survive.

The Village by the Sea Paula Fox, 2016-06-28 Winner of the Boston Globe-Horn Book Award: A young girl learns some hard truths about human nature in this thought-provoking, beautifully crafted novel. Tomorrow, Emma's uncle is coming to take her to his house on Long Island while her father undergoes surgery and her mother stays with him in hospital. For two whole weeks, Emma will be stuck with her father's half-sister: the strange, bossy Aunt Bea. Luckily, Emma makes a friend at the beach, Bertie, and the two girls begin building a village made entirely of shells. There's the mayor's house, constructed of sand dollars and with a roof of pinecones, and the main street with white bubble shells. Every day the girls add to their village by the sea. Then, just before Emma is to return home, something awful happens. In this thoughtful novel, Newbery Medal and Hans Christian Andersen Award winner Paula Fox offers an unflinching and candid depiction of forgiveness and unconditional love.
