Atherton #1 Patrick Carman,2008-04-01 Edgar, a gifted climber, secretly scales the treacherous walls separating the three worlds of Atherton: the humble grove that is his home...a mysterious highland realm of untold beauty and sinister secrets ...and a vast wasteland below, where a monstrous danger lurks that could destroy them all. While searching the forbidden cliffs for a treasure lost in his faded memory, Edgar discovers the first of many startling revelations to come: the three realms are beginning to collapse, turning his entire world inside out. Atherton is not what it seems, but something far more dangerous, with a history locked inside the mind of a madman and a future beyond Edgar's wildest imagining.

The House of Power Patrick Carman,2008 Edgar, an eleven-year-old orphan, finds a book that reveals significant secrets about Atherton, the strictly divided world on which he lives, even as geological changes threaten to shift the power structure that allows an elite few to live off the labor of others.

Purpose, Power and Prison: Stories About Former Illinois Governors Robert E. Hartley,2020-03-04 What happened to the 11 men who served as governor of Illinois from 1933 to 2003? That is what this book is about. Each life is traced from highlights and lowlights in office to the day the music stopped and life played out as a former governor. Most of them would have preferred to continue serving as the state's chief executive. But that wasn't an option. Each man faced the challenges of a new life. Some performed well, some did not. The eleven are a mixed bag of personalities, ambitions and attempts at further glory. Their stories offer a rich assortment of adventures ranging from failure to success, from further political

involvement to heroic legal battles, and efforts to earn their way. Yes, stories of three who went to prison, Kerner, Walker and Ryan, are included. For the first time in print, the rest of the story is available.
