The Bondage In Our Souls James Qualls, G.A. Sarna, 2025-12-23 **The Bondage In Our Souls** This book continues the story started in 'An Allegorical Love.' Without giving anything away, two children, both the oldest of three, stood first in line against the abuse of the very people who bore them. What the children and the world never noticed was the devastation that lay below the surface. In that, they were lucky; their grandparents counterbalanced the nightmares with dreams. They washed away the alcoholism, narcissism, and physical abuse with comfort, compassion, and bear hugs. They propped them up on countertops and let them sing. The grandparents watched Batman, Kukla, Fran, and Ollie with them and patched the holes in their young souls. The similarities in both our childhoods were what built our bond. Why the universe placed us in each other's orbit, I accepted as a gift. One of many I figured I'd earned. I know damn well Ms. Sarna has earned hers. She has lived with Lyme for twenty years. We never met in person. We didn't need to. Despite verbal role-play fantasies, the reality is that our bodies are fatigued from disease and arduous work. Rough sex was only wishful thinking unless gene therapy ever becomes viable. Then, Lord, help us both; there may be bruising. My point is that love will find you when you least expect it. It comes at an inopportune time. Love smiles upon us when we have nothing. I believe it smiles as proof that our hearts still belong with the one they were meant for. Twitter was a synchronicity highway where soulmates, messages, and miracles, all placed in time for us, waited. Serendipity flowed across electromagnetic fields in search of a parking space. Our smartphones activated the homing beacon that brought them home. We just needed to believe. At its height, 6,000 Tweets were sent every second. 500 million were sent every day. 140 characters. 140 single letters. The odds that Georgina would notice mine, the odds that 140 tiny letters could touch a soul, the odds that she could even feel my heart through the disease that ravages her mind make the odds almost incomprehensible. She is in more pain than anybody can handle. The disease is fighting to survive. The treatment may kill them both. 200 billion Tweets a year, and she finds mine. She finds

mine. I am not losing her now. I am not losing her ever. We're not losing what it cost us to rediscover our hearts.

Nightmare in Hostage Hills Christina Mask, 2017-11-20 “Sadly, Christina’s journey, and her children’s experience of being collateral damage, is not atypical. Kudos for her strength and bravery in putting her story out there as a cautionary tale for others.” (Dr. Susan Weitzman, author, *Not to People like Us: Hidden Abuse in Upscale Marriages*). “Christina Mask’s *Nightmare* is constructed around fragments from a life in agony as one woman attempts to escape abuse, retain her sanity, and regain the custody of three children the family court and her husband have taken from her. It’s all here—the daily records over months, then years; the diary entries; the self-blame; the excuses; the shame; the absurdist dialogues with family therapists; marginalia from readings or lectures or religious texts; letters pleadings with judges and lawyers and evaluators; poems; letters to and from the children, real and imagined; the reports that put her claims of abuse in quotations; and so, so much more. These pieces are loosely joined by a narrative and an interior monologue that I sometimes found too much to bear. But then I realized I was scanning something akin to a Picasso painting, whose underlying truth lay not in what was on the page, not the fragments, but in the hope that put them out here, no more evident than in the endlessly reasonable letters Mask writes to intractable foes. Mask has cast her eye on what Yeats termed ‘the broken, crumbling battlement’ of the self and lived to write it. As one director famously said about the sixty women and children crowded into her six-bedroom shelter, ‘If they can manage this, they can manage anything.’ Christina’s book gives us faith that she is right.” (Evan Stark, PhD, MSW. The writer is professor emeritus at Rutgers University, and author of *Coercive Control: How Men Entrap Women in Personal Life* [Oxford, 2007]).

Love's Seasons & Blossoms, Love's Fall & Leaves Andrew Patton, 2013-04-29 Within these pages are nothing more than my true experiences of love, chases, pursuits, crushes, and fallings. A small little pinch of poems and romantic sayings, ramblings, texts, and notes given, unappreciated, and innocent from a guy who is still currently looking for true love. Love blossoms so beautifully, the seasons the two of you share pass, and memories, trust and feelings should be invested upon, bonded and adhered, but sometimes those seasons pass and some new strange cold winds blow, sweeping whatever love you had...away. Love makes you fall for someone, like a leaf hewing down in slices, sure the swipes can keep it in the air, light and happy, but eventually, sometimes, that leaf hits the ground, and it leaves, love leaves sometimes.

Understanding the Culture Jeff Myers, 2017-03-01 Addressing issues such as gender identity, abortion, technology, and poverty, Dr. Myers challenges readers to ask: How can an authentic Christian worldview provide a compassionate, effective witness in culture today? Dr. Myers first shows readers what they can learn from Christian history—and why today's issues might not be as new as they seem. Then he takes them through the significant topics that affect them every day, offering biblical ideas for conversing with others in an increasingly hostile culture. This capstone book to a groundbreaking worldview trilogy equips readers to apply a bold Christian witness to their relationships with loved ones, neighbors, and colleagues.

Critical Autoethnography Robin M. Boylorn, Mark P. Orbe, 2020-11-26 Critical Autoethnography: Intersecting Cultural

Identities in Everyday Life, Second Edition, examines the development of the field of critical autoethnography through the lens of social identity. Contributors situate interpersonal and intercultural experiences of gender, race, ethnicity, ability, citizenship, sexuality, and spirituality within larger systems of power, oppression, and privilege. Approachable and accessible narratives highlight intersectional experiences of marginalization and interrogate social injustices. The book is divided into three sections: Complexities of Identity Performance, Relationships in Diverse Contexts, and Pathways to Culturally Authentic Selves. Each thematic section includes provocative stories that critically engage personal and cultural narratives through a lens of difference. The chapters in the book highlight both unique and ubiquitous, extraordinary and common experiences in the interior lives of people who are Othered because of at least two overlapping identities. The contributors offer first person accounts to suggest critical responses and alternatives to injustice. The book also includes sectional summaries and discussion questions to facilitate dialogue and self-reflection. It is an excellent resource for undergraduate students, graduate students, educators, and scholars who are interested in autoethnography, interpersonal and intercultural communication, qualitative studies, personal narrative, cultural studies, and performance studies.

No Silver Bullets Daniel Im, 2017-09-01 What if I told you that you were only one step away from unlocking new levels of maturity and growth in your church? The myth of the silver bullet still exists because we desperately want it to. We all prefer quick fixes and bandage solutions to the long, hard, slow work that produces real change. So the moment we learn about a new ministry or strategy and see its effect in another church, we run to implement it in our own. Unfortunately, this impulse is usually met by opposition, skepticism, and ultimately, rejection. What if the solution isn't a new model or a complicated strategy, but a shift in perspective? What if you could keep your church's current vision, values, and model, and simply make a few micro-shifts...leading to macro-changes? This book explores five micro-shifts that have the potential to produce macro-changes in your church. As you read, you will discover how to integrate these micro-shifts into the life of your church, starting with the way you disciple. You will finish by developing a plan to structure, communicate, and evaluate these changes to ensure that they take root and pave the way for lasting change and kingdom impact.

C. S. Lewis's Mere Christianity George M. Marsden, 2020-02-25 The life and times of C. S. Lewis's modern spiritual classic *Mere Christianity*, C. S. Lewis's eloquent defense of the Christian faith, originated as a series of BBC radio talks

broadcast during the dark days of World War Two. Here is the story of the extraordinary life and afterlife of this influential and inspiring book. George Marsden describes how Lewis gradually went from being an atheist to a committed Anglican—famously converting to Christianity in 1931 after conversing into the night with his friends J. R. R. Tolkien and Hugh Dyson—and how his plainspoken case for Christianity went on to become one of the most beloved spiritual books of all time.

Sensational Devotion Jill Stevenson, 2013-04-15 In Sensational Devotion, Jill Stevenson examines a range of evangelical performances, including contemporary Passion plays, biblical theme parks, Holy Land re-creations, creationist museums, and megachurches, to understand how they serve their evangelical audiences while shaping larger cultural and national dialogues. Such performative media support specific theologies and core beliefs by creating sensual, live experiences for believers, but the accessible, familiar forms they take and the pop culture motifs they employ also attract nonbelievers willing to "try out" these genres, even if only for curiosity's sake. This familiarity not only helps these performances achieve their goals, but it also enables them to contribute to public dialogue about the role of religious faith in America. Stevenson shows how these genres are significant and influential cultural products that utilize sophisticated tactics in order to reach

large audiences comprised of firm believers, extreme skeptics, and those in between. Using historical research coupled with personal visits to these various venues, the author not only critically examines these spaces and events within their specific religious, cultural, and national contexts, but also places them within a longer devotional tradition in order to suggest how they cultivate religious belief by generating vivid, sensual, affectively oriented, and individualized experiences.
