The Morning After - The Fall of Man Jason Kruse, 2020-03-23 Two hundred and fifty thousand years ago, freshly out of boot camp and eager to explore the galaxy, Jacob took his first mission to discover the reason why the alliance had lost contact with one of its member worlds: Earth. Upon his team's arrival, a devastating virus had infected and killed nearly half the population within a day. However, that wasn't the problem. The bodies of those dead somehow reanimated, becoming a cannibalistic creature which threatened the very existence of earth and possibly the galaxy. After years of fighting the infected, the virus was destroyed, or so they thought. A few hundred thousand years later, Jacob, now a general within the alliance military, has returned to earth, fearing that the virus they once thought destroyed might have returned. While on leave visiting a small town in Northern Washington state, the virus mysteriously appeared without cause or warning; and like

before, millions of humans died. Two states away from his subterranean outpost, Jacob is forced to deal with the situation and fight the hordes of the undead, revealing the truth to an unlikely band of human survivors. He escorts them back to the outpost as the dead are hungry, and not all humans they counter are friendly.

Same-Sex Love in India NA NA,2016-04-30 Lambda literary award finalist, Same-Sex Love in India presents a stunning array of writings on same-sex love from over 2000 years of Indian literature. Translated from more than a dozen languages and drawn from Hindu, Buddhist, Muslim, and modern fictional traditions, these writings testify to the presence of same-sex love in various forms since ancient times, without overt persecution. This collection defies both stereotypes of Indian culture and Foucault's definition of homosexuality as a 19th-century invention, uncovering instead complex discourses of Indian homosexuality, rich metaphorical traditions to represent it, and the use of names and terms as early as medieval times to distinguish same-sex from cross-sex love. An eminent group of scholars have translated these writings for the first time or have re-translated well-known texts to correctly make evident previously underplayed homoerotic content. Selections range from religious books, legal and erotic treatises, story cycles,medieval histories and biographies, modern novels, short stories, letters, memoirs, plays and poems. From the Rigveda to Vikram Seth, this anthology will become a staple in courses on gender and queer studies, Asian studies, and world literature.

After the Winter Guadalupe Nettel,2018-09-04 Claudio's apartment faces a wall. Rising from bed, he sets his feet on the floor at the same time, to ground himself. Cecilia sits at her window, contemplating a cemetery, the radio her best companion. In parallel and entwining stories that move from Havana to Paris to New York City, no routine, no argument for the pleasures of solitude, can withstand our most human drive to find ourselves in another, and fall in love. And no depth of emotion can protect us from love's inevitable loss.

A conflict between the Descendants - half-human, half-gods - traced back the beginning of history until the present times. In each generation, two males were born, always as enemies and fighting till death. One of them wanted power, creating a World Government to rule over humans.
