

Presidencialismo Y Partido Hegemnico

Catherine Andrews

Presidencialismo y sistema político Alicia Hernández Chávez,2016-10-24 Este volumen reúne seis estudios de distinguidos historiadores y politólogos mexicanos y estadounidenses y de un italiano, en los que se analiza la evolución histórica e institucional del presidencialismo en México y en Estados Unidos, a la luz de su función en el sistema político.

La oposición parlamentaria en el presidencialismo mexicano (1997-2003) Margarita Jiménez Badillo,2004

el Paradigma Del Presidencialismo En Las Relaciones Y El Equilibrio Entre Los Poderes En El Sistema Politico Mexicano Actual Jorge Kristian Bernal Moreno,2007

Sistema politico mexicano Francisco González Ayerdi,Francisco Reveles Vázquez,2007

El presidencialismo latinoamericano y sus claroscuros William Herrera Añez,2023-12-12 Este libro aborda el estudio del sistema presidencial y sus claroscuros en Colombia, México, Perú, Bolivia, Argentina y Chile. El sistema presidencial “reina” en América Latina y pese a todas las críticas que se le pueden hacer y se le hacen, no existe ninguna posibilidad de cambiar (a corto o mediano plazo) al sistema semipresidencial, menos al parlamentario europeo. Con la finalidad de cualificar a este modelo se ha propuesto, por ejemplo, el “Semipresidencialismo” en Chile y se ha introducido el Jefe de Gabinete de Ministros en la Argentina y el Presidente del Consejo de Ministros en Perú. Como advertía Jorge Carpizo no existe una forma universal de gobierno que sea la mejor, que diferentes condiciones de desarrollo social y económico, así como político hacen que un sistema de gobierno sea más adecuado en un país que en otro, que los estudios críticos del presidencialismo tienen importancia, que existen diversos tipos de presidencialismo y que unos funcionan mejor que otros, dependiendo de una serie de factores. En todo caso, cierta bonanza y crecimiento económico son determinantes para la estabilidad del gobierno y la funcionalidad de cualquier diseño político (presidencial, parlamentario o semipresidencial). En realidad, no hay Ejecutivo débil con un Presupuesto fuerte, y musculoso porque el Presidente siempre saldrá con cierta facilidad de las “turbulencias” políticas, que son imprescindibles en todo régimen democrático.

Estado, guerras internacionales e idearios políticos en Iberoamérica Carlos Alberto Patiño Villa,2012-01-01 En la actualidad, diversas corrientes de pensamiento cuestionan relatos tradicionales acerca del origen, formación y consolidación de los estados en Iberoamérica. Una de estas renovadas líneas de investigación hace referencia a la relación entre estado y guerra. En este marco, los autores analizan la historia política en naciones como Brasil, Colombia, México y España. Sus

conclusiones se convierten en insumos para comprender los actuales desafíos políticos y sociales de la región.

Gobernantes mexicanos, II: 1911-2000 Fowler, Will, 2021-10-01 El investigador reunió a un grupo de especialistas para estudiar la naturaleza del presidencialismo en México y comparar las políticas de quienes gobernaron el país a lo largo de los siglos XIX y XX, con hincapié en su relación con el Poder Legislativo. Este segundo tomo está dedicado a quienes gobernaron México en el siglo XX y toca a personajes tan contradictorios como fascinantes: Álvaro Obregón, Plutarco Elías Calles, Lázaro Cárdenas, Miguel Alemán, Adolfo Ruiz Cortines, Gustavo Díaz Ordaz y aun Carlos Salinas de Gortari. Al estudiarlos es ineludible analizar a la nación que los colocó en el poder.

Los poderes federales en la consolidación democrática de México Gabriel Corona Armenta, 2006

Un siglo de constitucionalismo en América Latina (1917-2017) Catherine Andrews, Un siglo de constitucionalismo en América Latina (1917 -2017). Tomo I En el centenario de la Constitución Política de los Estados Unidos Mexicanos vale la pena reflexionar acerca de la historia constitucional de México y su vínculo con las trayectorias constitucionales de otros países en América Latina. En este volumen el lector conocerá un panorama diverso de estudios académicos acerca de estas cuestiones y su relación con el desarrollo constitucional latinoamericano en el último siglo. Cuenta con contribuciones de destacados historiadores, juristas y politólogos provenientes de América Latina, así como de académicos europeos y estadounidenses.

Érase un país verde olivo Juan Jesús Garza Onofre, Sergio López Ayllón, Javier Martín Reyes, María Marván Laborde, Pedro Salazar Ugarte, Guadalupe Salmorán Villar, 2024-03-10 Érase que se era un México teñido de verde olivo. Así podría empezar un cuento distópico en el que las Fuerzas Armadas abandonan los cuarteles para ocupar, con el característico color de su uniforme, cada vez más espacios de nuestro atribulado país. Pero lamentablemente funciona también como descripción objetiva de lo que está ocurriendo hoy, con el Ejército, la Fuerza Aérea y la Marina cada vez más presentes en funciones que deberían serles ajenas. Este libro recorre un siglo de la tensa relación entre el poder civil y el poder militar, desde los tiempos en que un requisito no formal para ser presidente de la República era contar con galones de general hasta nuestros días, y en paralelo narra la historia de la crónica debilidad policiaca. Los autores muestran la dudosa ruta jurídica que como sociedad hemos recorrido para justificar la participación de las Fuerzas Armadas en la preservación de la seguridad pública —hoy puesta en vilo por la delincuencia organizada— y, en el actual gobierno, en funciones tan diversas como el manejo de aeropuertos, la construcción de obras, las aduanas y la migración, al punto de que hoy ejercen un control territorial sin precedentes. Tras un análisis detallado de la Constitución, de diversas leyes y de las resoluciones de la Corte Interamericana de Derechos Humanos, esta obra señala los riesgos no sólo de la militarización de facto sino del protagonismo de ciertos valores esenciales en la vida castrense: opacidad, obediencia, subordinación, contrarios al ideal de una convivencia democrática. Esta obra nos invita a alejarnos del país verde olivo en que estamos convirtiéndonos.

La silla embrujada Alejandro Rosas, Carlos Silva, 2024-04-26 «La silla presidencial está embrujada. Cualquier persona buena que se siente en ella se convierte en mala.» - E miliano Z apata En 2024 México cumple 200 años de haber adoptado la república como forma de gobierno. Y a pesar de intentar resolver —durante dos siglos— la sucesión presidencial a través del voto libre, la democracia ha resultado un galimatías que por momentos parece negada para los mexicanos. A gritos y sombrerazos (en el mejor de los casos) o a balazos y traiciones (en el peor) los avances en la democracia mexicana nos han costado sangre, sudor y lágrimas. La silla embrujada es un recorrido minucioso a través de cada una de las sucesiones presidenciales durante el siglo XX y las que llevamos en el XXI. Embrujada o no, la silla presidencial siempre ha sido la manzana de la discordia. Y tras cada sucesión surgen los cuestionamientos infaltables: ¿pudimos haberlo hecho diferente? ¿Acudir a las urnas sí marca una diferencia? ¿Esta vez no habrá fraude?

El Estado mexicano, 2005

La regla ausente Francisco Valdés Ugalde, 2013-09-10 En este libro, el autor analiza lo que considera el principal problema político de México: la contradicción irresoluble entre las reglas de gobierno impuestas después de la Revolución con las modificaciones constitucionales que habilitaron el autoritarismo y el sistema presidencialista, y la apertura obligada por la crisis económica y política de 1995, que llevó al partido hegemónico a pactar una transición democrática hacia un régimen competitivo de partidos con alternancia en el poder. Sin transformaciones constitucionales que solucionen este conflicto, nos advierte, la democracia mexicana está condenada a involucionar.

Transiciones a la democracia Jorge Cadena Roa, 2004

Lecturas sobre el cambio político en México Carlos Elizondo Mayer-Serra, Benito Nacif Hernández, 2019-03-14 Artículos reunidos sobre el proceso de transformación política en México, los cuales señalan la sutil diferencia entre democratización y liberalización política. Brindan una nítida y sorprendente radiografía de la historia y del presente político mexicano: una paradoja de cambio y continuidad.

La política desde la justicia Karina Ansolabehere, 2013

México en tres momentos, 1810-1910-2010 Alicia Mayer, 2007

A la sombra de la superpotencia. Soledad Loaeza, 2022-01-28 En este libro, Soledad Loaeza propone mirar el desarrollo del presidencialismo autoritario mexicano, de 1945 a 1958, desde una perspectiva que privilegia la influencia del factor externo en este proceso. Su interpretación es novedosa porque se aparta de la visión del desarrollo institucional como un fenómeno puramente interno y lo sitúa en el contexto de la Guerra Fría que, en la temprana posguerra, condicionó la reconstrucción de los sistemas políticos de todo el mundo. La autora se plantea dos grandes preguntas: ¿Cómo respondió México al orden internacional de la Guerra Fría, en particular a la transformación de Estados Unidos en una superpotencia?, y ¿Cuál fue el impacto del contexto internacional sobre la evolución del presidencialismo mexicano? A partir del presupuesto

de que el poder político se define tanto por sus límites como por sus alcances y de una extensa investigación documental, la autora examina las estrategias de respuesta de tres presidentes al mundo bipolar: Manuel Ávila Camacho, Miguel Alemán Valdés y Adolfo Ruiz Cortines, en tres dimensiones de su responsabilidad, así como la relación geoestratégica con Estados Unidos, la organización de la participación política y la estabilidad de la coalición revolucionaria.

La formación del sistema político mexicano Víctor López Villafañe, 1999-01-01 La obra se divide en cuatro partes. La primera se refiere al tránsito de las nuevas formas de dominación política que surgen de la Revolución y culminan en los años cuarenta. La segunda estudia el fenómeno del presidencialismo desde sus raíces más importantes. La tercera analiza el movimiento obrero y campesino, y su impacto en el sistema político del país. Por último, la cuarta parte se dedica al estudio de los partidos políticos.

Presidencialismo Y Partido Hegemnico Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Presidencialismo Y Partido Hegemnico PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and

manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Presidencialismo Y Partido Hegemnico PDF books and manuals is convenient

and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Presidencialismo Y Partido Hegemnico free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Presidencialismo Y Partido Hegemnico Books

1. Where can I buy Presidencialismo Y Partido Hegemnico books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book

Depository, and various online bookstores offer a wide range of books in physical and digital formats.
