Girl of sixteen, one Mad'llie Noemi, who some years later made herself notorious under the name of Claude Vignon. Two children were born of this union, but the wife finding out that he was deaeon aban doued him, and the marriage was declared null and void on the ground of illegality, man in holy orders not being allowed to contract matrimony in France. The Abbe now took the name of Eliphas Levi, and published several works on alchemy and similar occult sciences, as well as one or two novele of very doubtful morality, which eamed for him a little sad notoriety among readers of that class of literature. The Aube Constant, however, repented of his misspent life et the last moment, made a full confession and retrac tiou, and died, as we are told, in the arms of the Church. The lady above referred to is now the wife of Radical Deputy. Another Paris correspondent thus refers to the astrological pursuits of this curious man.
