Ranger's Apprentice The Royal Ranger 7: Ambush at Sorato John Flanagan, 2024-06-18 Will and his apprentice, Maddie, are in Toscana to help with negotiations between the Tuscans and the Arridi. When a scout brings word that their old enemies the Temujai are moving into Toscana, Will and Maddie leap into action, knowing that a Temujai advance is always bad news. To have any kind of chance, Will must convince another former foe, the Genovesans, to contribute crossbowmen to the fight – but the mercenary Genovesans require payment. A trap is set for the Temujai in the valley of Sorato, but can Will and his uneasy new allies make sure the Temujai fall for it?

The Royal Ranger: Ambush at Sorato John Flanagan, 2024-10-15 International bestselling author John Flanagan returns to world of Ranger's Apprentice in the seventh installment of the Royal Ranger series in which Will and Maddie must travel through Toscana and encounter the dangerous Temujai forces. Will and Maddie are in Toscana on a diplomatic mission

when word comes of a cavalry force crossing the northern body and marauding through the countryside. At the behest of the emperor, the rangers head north to investigate. They discover that the invaders are a group of Temujai—a reconnaissance force searching for a place to penetrate and invade. So Will and Maddie must split up to gather forces and information in order to push the Temujai back once again. As the Temujai move their forces ahead, cutting at the Toscan forces, Maddie and Will must step up and lead their allies to victory, despite the danger of one of their greatest enemies.

The Royal Ranger: Arazan's Wolves John Flanagan, 2024-09-03 Internationally bestselling author John Flanagan returns to world of Ranger's Apprentice in the sixth installment of the Royal Ranger series. When Maddie and Will get a message that dire wolves—huge misshapen changelings, much larger than regular wolves—have been marauding and attacking through the hills and valleys of Celtica, the Rangers are sent on a mission to unravel just who or what is behind these dangerous creatures. Will isn't anxious to return to Celtica, especially approaching the Rift. And as they travel, Maddie must grapple with their growing dealings with the spiritual and supernatural. But they are Rangers—and they will do whatever it takes to accomplish their mission. After they receive some offers of help from locals, Will and Maddie learn the name of the sorceress behind these strange and dangerous attacks, Arazan, along with the location of her hideout. On the way to take her down once and for all, the Rangers must face dire wolves, wargals, dark magic, and more. And as Arazan's desires lead her to the most evil of powers, Will and Maddie must form a plan of action that can outwit not just the sorceress but the darkest forces from the beyond.
