The Upheaval Series Charley Marsh, 2020-12-18 The Upheaval Trilogy contains all three volumes: *Slow Walk*, *Edge of Reality*, and *Solstice Moon*. *SLOW WALK* Courage is the mastery of fear. Mark Twain Three quarters of the earth's people wiped out. No power. No phones. No fuel for trucks to move food into the cities. Panic and anarchy rule. Her family gone, young Sydney Waters faces the greatest challenge of her life when she sets off to find a family friend she hopes will help her. A man who may or may not still be alive. A journey of a thousand miles. Alone and on foot. A journey that will test her every step of the way. *SLOW WALK*, the first book in the Upheaval series, brings alive a world where the rules of civilization no longer exist and survival often means choosing who deserves to live—and who should die. *EDGE OF REALITY* Sanity is madness put to good use. George Santayana Sydney Waters stares out over the brittle, dry landscape three hundred feet below, sunken land that used to be Nebraska. How to cross four hundred miles of desert with a blind man and a dog? Before Sydney can change course, the cliff edge breaks away, tumbling her blind companion down into the desert. Their only option now is a dark cave in the cliff that leads deep beneath the state, into the depleted Ogallala aquifer. Not an issue for a blind man, but uncomfortable and scary for Sydney. Book Two of the Upheaval Series takes Sydney and her companions on an extraordinary and unexpected adventure in a world turned upside down. *SOLSTICE MOON* Survival can be summed up in three words—Never Give Up. Bear Grylls Sydney Waters finds herself alone in the harsh and unforgiving Rocky Mountains. No sign of Jordan or the great hound, Dogma. The threat of snow in the air. Her choices whittled down to one: she must continue alone toward her destination. With many miles left to walk and winter closing in, the temptation to give up becomes overwhelming. But to give up now means sitting down and waiting to die. After coming this far, does Sydney really want to end her journey with a whimper? Book Three of the Upheaval series, *Solstice Moon* concludes Sydney's courageous journey, traveling down twisty, challenging paths the reader never imagined. A post-apocalyptic adventure.

And the Seasons Come David L. Mason, 2021-11-05 It is 1963 and Edward Kilton knows he is approaching a pivotal turning point in his life. Even though he is already the chief financial officer of the fourth largest corporation in America, he is determined to eventually secure the coveted role of CEO. Edward's wife, Dorothy, is a concert pianist and organist who seemingly only cares for two things in life: her piano and son, Michael. Quite simply, she has been pushed to her limits with

all of his business affairs and the fact that he always comes first. After he urges her to perform at Town Hall in New York City to impress his board of directors, a surprising series of events unfolds that creates an incredibly unexpected result that guides both Edward and Dorothy to discover themselves, the true meaning of family, and life itself. And the Seasons Come is a compelling tale that perpetuates the eternal struggle between unrequited ambition and love as life comes full circle for a corporate executive and his wife.

Gemini Caroline Robb,2021-09-30 A romance begins in 1943, in wartime Britain, between Annabelle, an English pianist, and Andrew, a United States Airforce Engineer. An accident separates them before she can tell him she's pregnant, as he's flown back to America. She has identical twin daughters via a caesarean section but is deceived into thinking she's had only one baby - by the Adoption Agent. Annabelle had changed her mind about adoption but Andrew had heard otherwise. The Adoption Agent gave one child to Annabelle and the other to Andrew in America. Neither parent or twins knew there was a twin sibling until the twins meet in their twenties and begin the process of unearthing the truth about their birth.

Every Day Is a New Beginning Pat Tyrrell,2025-08-26 The Jesus revolution was happening in the early '70s in California and all across America. Two nuns from St. Louis went to Notre Dame College in Indiana and swore they would not come back without the baptism of the Holy Spirit and speaking in tongues. They did come back to St. Louis and started an underground movement in the Catholic Church, which spread to every denomination. Megachurches sprang up, like New Covenant, Grace World Outreach, Church on the Rock, Life Christian Church, St. Louis Family Church. Every Day Is a New Beginning is the story of Pat Tyrrell and her journey to find peace and happiness in a world drastically changed since her childhood. She was born into a family that had just gone through the Great Depression prior to World War II. Money and jobs were scarce. Her parents were self-employed and started a business with two brothers and their families, Clark Water Well Drilling in Fenton, Missouri. She was the last of four children, born sixteen, fifteen, and thirteen years before her. She was the apple of her father's eye and the product of a very strict mother, who taught her a very strict moral code and carried her into the Methodist Church when she was very young. In spite of this, life happened, and she graduated from Lindbergh High School and went off to Central Methodist College in Fayette, Missouri. She graduated after four years with a bachelor's degree in music education. Never quite content with her life, she was always searching for the meaning of life and her purpose but never quite finding the answer. She was quite disillusioned with teaching and felt marriage and children were the answer to happiness, but that, too, became overwhelming when being a stay-at-home mother with two small children 24-7 became quite lonely. A teacher's salary was not enough, and her husband began working two jobs to make ends meet. Crying out in her kitchen-God, if you are real, come into my life right now! I can't stand it one more moment alone-brought answers through knowing and discovering Jesus was the answer she had been looking for. Life took on a new meaning and purpose, and ministry opened up with lots of wonderful new friendships.

Music Trade Indicator ,1918

Son David Appleton,2011-10-10 Beginning with his high school years, David Appleton embarks upon the journey called Life with high hopes and aspirations for a happy, fulfilling existence on this Earth. In a desperate struggle to free himself from his past, which has been marred by the emotional and mental trauma that was imposed upon him during his childhood, he seeks and finds a new identity for himself, taking dangerous risks, meeting and making friends with people from all walks of life and indulging in sex, drugs and alcohol while carousing with wild abandonment. His future seems uncertain until he takes a trip with his best friend, riding motorcycles from Los Angeles to New York. In the course of their travels, he meets Jesus in a miraculous, unexpected encounter, which is foreshadowed by events that have taken place earlier in his life. Gradually, his devotion to Jesus grows and develops. In his ministry of spreading The Gospel, he receives revelations, visions and miracles from God. He finds himself compelled to resist the nocturnal attacks of evil spirits and demons, which employ witchcraft and black magic in an attempt to prevent him from continuing his witness for Jesus. Based upon his experiences, he arrives at the conclusion that all is not what it seemingly appears to be in the day-to-day routine of ordinary living. He begins to strongly suspect that God has a plan for each individual within the context of a reality to which most human beings are oblivious. Utilizing the concept of subjective reality, he persists in sharing his faith in Jesus with others, as his relationship with Jesus evolves into a close personal friendship. The finale of this story is completely unforeseeable and incredible, leaving the reader with an uplifting sense of awe and wonder as David's destiny unfolds in accordance with The Divine Plan of God.
