Young and Lonely Janet Batsleer,James Duggan,2020-11-09 Anchored in accounts of young people's personal experiences of loneliness, this book addresses important questions about tackling today's epidemic of loneliness among young people. It explores experiences of loneliness in early life, how it is navigated when first encountered and considers how social conditions of poverty, precarity, inequality and competitive pressures to succeed can dramatically influence these feelings. Presenting diverse and nuanced social accounts of loneliness, the authors explore ways to harness the creative and positive potential of loneliness and provide evidence-based recommendations for policy makers, practitioners and young people to help tackle the crisis.

Cloneliness Michael O'Sullivan,2019-09-19 Recent posthuman philosophies, human-computer interface studies, and technology-inspired biopolitical discourses and practices are reinventing and reimagining loneliness in different communities. Cloneliness: The Reproduction of Loneliness takes a cross-cultural approach to loneliness by examining 20th-century artistic expressions and examinations of loneliness in the context of more recent global expressions grounded in

social networks, virtual reality, the biopolitical commons, academic credentialization and such practices as Hikikomori. Newer forms of loneliness, pushed by the algorithms of biopolitical capitalism, result in what this book calls cloneliness. Michael O'Sullivan plots the transformation in loneliness in literature and philosophy in readings that take us from Henry James and such classic works as Frank O'Connor's *The Lonely Voice* and Richard Yates's *Eleven Kinds of Loneliness* to more recent expressions in such writers as David Foster Wallace, Yiyun Li, and Sayaka Murata. Michael O'Sullivan argues that cloneliness as an institutional practice of reproduction in society nurtures, normalizes, and reproduces loneliness in order to create subjects who are more willing to accept ideologies of competition, "extreme individualism," and the stresses of being interconnected loners.

**Special** Melanie Dimmitt, 2019-09-01 Most of us expect to meander through the motions of love, marriage and (textbook) baby in the carriage, but once in a while life has something a little more special in store. *Special* is an uplifting, candid companion for those in the early stages of navigating a child's disability, offering honest, reassuring and relatable insight into a largely unknown (and so, initially terrifying) part of our world. It features antidotes to the obsessions at the forefront of a newly minted special-needs parent's mind: Why has this happened to me? Will I ever stop comparing my child to typical children? How will my relationship survive? Will I be able to work again? Should I have another baby? And the big one: What will my future look like? Inspired by the author's own crash-landing into special-needs parenthood, and shaped by her conversations with parents of children with wide-ranging disabilities, alongside specialists, psychologists and researchers, *Special* shares stories, guidance and simple coping strategies to soothe and surprise anyone whose life has taken an unexpected turn.

*The Art, Literature and Music of Solitude* Julian Stern, 2023-12-14 This book presents a thematic analysis of various aspects of solitude, silence and loneliness, from the ancient world to the present day, explored thematically with consideration to the links between aloneness to other social and political issues. The themes include exile (expulsion from a community), ecstasy (getting 'out of oneself') and enstasy (being comfortable within oneself), to the Romantic idea of the artist as solitary. There is work on aloneness in and through nature, especially the importance of natural settings for positive experiences of solitude. A central theme is alienation and its emotions, with the idea of loneliness and the rejected self being a more modern experience. The book explores modernism and postmodernism as presenting new forms of solitude in the twentieth century, and how, more recently, there have been attempts to 'recover' the self, through therapeutic uses of the arts. All of these types and experiences of aloneness are described through the lenses of artistic, literary and musical forms of expression, as aloneness is not only explored and articulated through these art forms, but is in many ways created through these art forms.

Don't Be Afraid of Loving Yourself: The Art of Loving Yourself According to Osho Alden Clamor, 2024-09-10 A couple of years ago, on a bustling Avenue des Champs Élysées in Paris, I found myself gazing into the window of a quaint bookstore called Golden Books, my reflection staring back at me, a young man far from home, searching for answers. That day, I bought a book entitled “A Course in Miracles” that promised secrets to happiness, peace, and love. Yet, as I flipped through its pages, I realized I was looking for happiness, peace, and love in the wrong places. I cannot find love in the cro This book springs from a fundamental truth that took me from the vibrant locales of Europe back to the serene shores of the Philippines to discover that self-love is not just a state of feeling good about oneself but a profound journey toward inner freedom, peace, and fulfillment. It’s a truth that resonates across cultures, touching the hearts of those from every generation—millennials to baby boomers alike—each of us grappling with our own narratives of worthiness, happiness, love, and peace. My journey, woven through the academic halls of psychology and the compassionate wards of nursing, enriched by the profound wisdom of Osho’s teachings, has taught me that self-love transcends geographical and psycho□logical borders. It is not confined to the corners of a mind or a specific latitude and longitude; it is a limitless, vibrant force that propels us forward. 1 DON’T BE AFRAID OF LOVING YOURSELF This book is crafted to guide you through the often tumultuous journey toward loving yourself. We all face the daunting challenges of societal expectations, the relentless pace of the digital age, and internal battles with our shadows of doubt and fear. Here, I offer not just understanding but practical pathways to navigate these trials. This book aims to illuminate the path to self-love through a blend of personal anecdotes, inspired insights from global wisdom traditions, and actionable steps. Each chapter builds on the last, creating a comprehensive map from understanding why self-love is crucial to integrating it into your daily life and finally sharing this love with your community, thereby transforming the world around you. In closing, I invite you to join me with an open heart and a willing spirit. Saying that loving yourself is selfish and egotistic is a pernicious lie and one that is robbing you and humanity of its power. Through the pages of this book, filled with practical and actionable steps in each chapter, you will be able to reclaim this power and make it your own again. This is not just a journey of self-discovery but a transformative adventure that promises to bring you closer to your most authentic self. Let us step forward together, forging a path toward a life filled with happiness, peace, and love. Our exciting journey begins now. Let the journey begin.

*Buddhism in the Nordic Countries* Jørn Borup, Mitra Härkönen, Knut A. Jacobsen, Katarina Plank, 2025-05-30 This book provides new unprecedented research on Buddhism in the five Nordic countries Denmark, Finland, Iceland, Norway and Sweden. Aiming at comparisons between the different Nordic countries, the chapters identify possible unique characteristics of Nordic Buddhism. uddhism in the Nordic Countries contributes to the growing literature on Buddhism in the West. Identifying a number of similar cultural and social trends that have been at work in the Nordic countries, the book shows that these have favoured the growth of Buddhism in northern Europe. The chapters on each of the Nordic countries describe the

establishment of the main Buddhist traditions in the country, temple institutions, monasteries, demography, estimation on the number of Buddhists, geography, economy and funding. They discuss tensions between ethnic Buddhist and converts, if any, and controlling mechanisms of who is a proper Buddhist and how Buddhism should be presented in public space. The contributors analyse representation in media and images of Buddhism in popular culture and present relevant scholarly interest in Buddhism. Additionally, the book includes chapters on significant Buddhist individuals in the Nordic countries who have played major roles in the development of Buddhism. The first book to examine the characteristics of Nordic Buddhism, its connection to the ideology of the Nordic welfare society and to establish if Nordic Buddhism might differ from other forms of Buddhism, this work will be of interest to researchers in the field of religious studies, religion in context and Buddhist studies.

**The Plight of Potential** Emerson Csorba, 2019-03-30 Having grown up in a hyperconnected world, millennials are pressured by a lingering feeling that no matter their achievements, they can always do more. Conventional wisdom suggests that individuals should create and maintain their “personal brands” and continuously improve themselves, so that they can compete in a world that favors the most entrepreneurial and networked. Exacerbating these pressures are endless millennial success stories and “best-of” lists, educational systems that increasingly view their primary roles as creating “adaptable” and “skilled” workers, and a growing belief that in order to succeed, individuals must position themselves strategically in a rapidly changing world. But these trends only promote anxiety and psychological fatigue, hindering the cultivation of a long view in lives and careers. Individuals are drawn away from themselves, losing the spaces for solitude that are necessary for honest selfunderstanding. In *The Plight of Potential*, Emerson Csorba, blending scholarly research with first-hand experience based on his work on intergenerational engagement, discusses how millennials can recapture a sense of control in their lives through time and space for solitude. This requires that individuals sometimes resist pressures to constantly connect and share, and in place of this embrace their limitedness despite society’s emphasis on growth and potential.

**The Art of Tentmaking** Stephen Cottrell, 2012 An illustrious line up of contributors share their insights on essential aspects of liturgical renewal. Writing in honour of worship pioneer Richard Giles, they consider participation, simplicity, inclusivity, sacraments and more. A key text for all responsible for shaping Christian assembly.

**The Art of the Personal Essay** Phillip Lopate, 1997-01-15 For more than four hundred years, the personal essay has been one of the richest and most vibrant of all literary forms. Distinguished from the detached formal essay by its friendly, conversational tone, its loose structure, and its drive toward candor and self-disclosure, the personal essay seizes on the

minutiae of daily life-vanities, fashions, foibles, oddballs, seasonal rituals, love and disappointment, the pleasures of solitude, reading, taking a walk -- to offer insight into the human condition and the great social and political issues of the day. The Art of the Personal Essay is the first anthology to celebrate this fertile genre. By presenting more than seventy-five personal essays, including influential forerunners from ancient Greece, Rome, and the Far East, masterpieces from the dawn of the personal essay in the sixteenth century, and a wealth of the finest personal essays from the last four centuries, editor Phillip Lopate, himself an acclaimed essayist, displays the tradition of the personal essay in all its historical grandeur, depth, and diversity.

The Journey of Israel - Teacher's Manual PDF Dr. Brian J. Bailey, 2020-01-10 The study of Israel's journey from Egypt to the Promised Land is in reality a picture of the spiritual progression of a believer from new born babes in Christ to becoming mature fathers and mothers in the faith. Dr. Bailey will take you on a journey, where you will be given keys to attaining ever-greater heights in your relationship with Christ, until you come unto spiritual Mount Zion, and can say with the Apostle Paul, "I press toward the mark for the prize of the high calling of God in Christ Jesus."

Educators need to understand the context of learning and for that they need to understand student interests in both local and global aspects. This book values young people's expression of their own culture and personal interests. It is unique in that the starting point is the drawings of the young people - not to illustrate a predetermined theory, but to enable young people from different countries to express their visions about the world - illustrati.
