Where Once We Feared Enemies Nibs Stroupe,2005 Whether we are conscious of it or not, we fear difference. That often unwarranted fear leads us to create enemies in our hearts and minds. Growing out of the experience of a multi-cultural congregation in which diversity is both valued and feared, Where Once We Feared Enemies offers an uncompromising prophetic vision of the American church's identity and mission. Stroupe firmly grounds a liberal social viewpoint within the biblical and theological traditions of the church, and he calls us to hear God's claim on us in our place and in our time. Underlying his powerful messages is the fundamental conviction that the barriers which separate us from our neighbors have

been brought down in Jesus Christ. This book will be an indispensable addition to any pastor's library. It is also inspiring and enlightening reading for anyone interested in the future of the American church, as well as its role in the continuing stories of race relations, civil rights, and peace and justice issues.

Where is the Ark of God Today? Curtis Reed,2020-11-02 The Ark of God was not just a piece of sacred furniture in the Old Testament temple. It represented God's deliverance for His righteous people and its presence assured those who looked upon it that God was always there for them. But in today's world which is plagued with turmoil, chaos, and confusion, where can we look to find that same comfort. Where is the Ark of God today?Pastor Curtis Reed boldly answers that question. Man is the Ark of God today. In his dissertation, Pastor Reed substantiates this thesis statement with scriptural content, historical references, theological studies, and by holy revelation. Man, the Ark of God today, is just as sacred as the Arks of the days of old. Man was chosen by God, to be His earthly representative. As you dive into this study, rediscover God's purpose for your life and the destiny He has called you to.

Where God's People Are Going, Life Giving Messages Lyle McTeer,2012-10 For many years the church has prayed for revival to come, never knowing or understanding how God might answer that prayer. Today, we are witnessing the greatest shaking that we have ever known, and on a world wide scale. As financial institutions become bankrupt, and many

lose jobs, land, and homes, the awakening that we once prayed for has come! Everything that can be shaken is, and this scenario is causing even the weakest links within the soul of man to rise up, as God becomes our only hope. But what will become of it all, and how will we survive? Where God's People are Going is like an oracle from the Lord. He tells us in His word that My sheep hear My voice, and I know them, and they follow Me. John 10:27 Until we come to know the Lord's voice, our relationship, and our knowledge of Him is vague at best. The life giving messages in this book are just that, messages that bring life to dark situations, and answers to life's questions about today, and what is yet to come. My questions to the Lord often reflect the times in which we live as I ask the simple question, why?
