

Your Driver Is Waiting

Priya Guns

Your Driver Is Waiting Priya Guns, 2023-02-28 In this electrifyingly fierce and funny social satire— a gender-flipped reboot of the iconic 1970's film "Taxi Driver"—a ride share driver is barely holding it together on the hunt for love, dignity and financial security . . . until she decides she's done waiting. "A ferocious new voice. A fierce and immersive debut." —Weike Wang, author of *Joan is Okay* and *Chemistry* Damani is tired. Her father just died on the job at a fast food joint, and now she lives paycheck to paycheck in a basement, caring for her mom and driving for an app that is constantly cutting her take. The city is roiling in protests --everybody's in solidarity with somebody-- but while she keeps hearing that they're fighting for change on behalf of people like her, she literally can't afford to pay attention. Then she gives a ride to Jolene (5 stars, obviously). Jolene seems like she could be the perfect girlfriend - attentive, attractive, an ally - and their chemistry is off the charts. Jolene's done the reading, she goes to every protest, and she says all the right things. So maybe Damani can look past the one thing that's holding her back: She's never dated anyone with money before, not to mention a white girl with money. But just as their romance intensifies and Damani finally lets her guard down, Jolene does something unforgivable, setting off an explosive chain of events. A wild, one-sitting read brimming with dark comedy, and piercing social commentary and announcing Priya Guns' feverishly original voice, *Your Driver Is Waiting* is a crackling send-up of our culture of modern alienation.

Your Driver Is Waiting Priya Guns, 2023-03-02 'What you are about to read is a call to arms. Best to prepare for a confrontation.' New York Times Book Review 'A hard-hitting masterpiece. I devoured it.' Kristen Arnett, author of *WITH TEETH* 'A madcap story you won't want to put down' Rachel Yoder, author of *NIGHTBITCH* Damani is tired. Every day she cares for her mum, drives ride shares to pay the bills and is angry at a world that promised her more before spitting her out. The city is alive with protests, fighting for people like her, but Damani can barely afford - literally - to pay attention. That is until the summer she meets Jolene and life opens up. Jolene seems like she could be the perfect girlfriend - attentive, attractive, an ally - and their chemistry is undeniable. Jolene's done the reading, she goes to every protest, she has all the right answers. So maybe Damani can look past the one thing that's holding her back: Jolene is rich. And not only rich, but white, too. But just as their romance intensifies, just as Damani learns to trust, Jolene does something unforgivable, setting off a truly explosive chain of events. Brimming with heart, humour, and rage, *Your Driver Is Waiting* is a powerful, blackly

funny social satire that announces the arrival of a fearless new voice.
