*All Flesh Must Be Eaten* Al Bruno,2005-02-20 As they approach your home, the evening wind carries their stench through the air. Your dog barks wildly, frenzied by the smell. You awaken from a restless sleep, look out your window and see staggering corpses on the move. You are halfway down the stairs when you hear footsteps on the porch. You run into the living room and pry open your gun cabinet. As you fumble, the front door collapses from the weight of a pair of rotting corpses. They shamle into the hall, arms outstretched, reaching for you. You unload your shotgun into them. They fall back. To your horror, they rise . . .

The Uncivilized Races of Men in All Coutries of the World, Vol. 1 John G. Wood,2022-11-24 Excerpt: This work is simply, as the title-page states, an account of the manners and customs of uncivilized races of men in all parts of the world. Many travellers have given accounts, scattered rather at random through their books, of the habits and modes of life exhibited by the various people among whom they have travelled. These notices, however, are distributed through a vast number of books, many of them very scarce, many very expensive, and most of them ill-arranged; and it has therefore been my task to gather together in one work, and to present to the reader in a tolerably systematic and intelligible form, the varieties of character which develop themselves among races which have not as yet lost their individuality by modern civilization. In this task I have been greatly assisted by many travellers, who have taken a kindly interest in the work, and have given me the invaluable help of their practical experience.
