

Anna Carey Eve Series

Anna Carey

Rise Anna Carey, 2013 In the stunning conclusion to Anna Carey's thrilling dystopian trilogy, Eve has the fate of The New America in her hands--

Eve Anna Carey, 2011-10-04 The first book in Anna Carey's chilling Eve trilogy, Eve is perfect for fans of The Handmaiden's Tale. After a deadly virus wiped out most of Earth's population, the world is a terrifying place. Eighteen-year-old Eve has grown up isolated from the rest of the destroyed world in an all-girls school. But it isn't until the night before her graduation that she discovers what her duties will be once she graduates. To avoid the horrifying fate that awaits her, Eve flees the only home she's ever known. On the run, she encounters Caleb, a rough, rebellious boy living in the wild. Eve knows she shouldn't trust him, but he slowly wins her confidence...and her heart. He promises to protect her, but when soldiers begin hunting them, Eve must choose between true love and her life. Eve is the first book in Anna Carey's trilogy, full of romance, adventure, sacrifice, all set in a near future that is both wonderfully strange, and chillingly familiar.

Once Anna Carey, 2012-07-03 In this breathless sequel to Eve, Anna Carey returns to her tale of romance, adventure, and sacrifice in a world that is both wonderfully strange and chillingly familiar, perfect for fans of The Handmaiden's Tale. When you're being hunted, who can you trust? For the first time since escaping from her School, Eve can finally sleep soundly. She is living in Califia, protected from the terrifying fate that awaits orphaned girls in The New America in the year 2041. But she was forced to abandon Caleb, the boy she loves, wounded and alone at Califia's gates. When Eve gets word that Caleb is in trouble, she sets out into the wild again to rescue him, only to be captured and brought to the City of Sand. Trapped inside the city walls, Eve uncovers a shocking secret about her past—and must confront the harsh reality of her future.

The Embodied Child Roxanne Harde, Lydia Kokkola, 2017-09-11 The Embodied Child: Readings in Children's Literature and Culture brings together essays that offer compelling analyses of children's bodies as they read and are read, as they interact with literature and other cultural artifacts, and as they are constructed in literature and popular culture. The chapters examine the ideology behind the cultural constructions of the child's body and the impact they have on society, and how the child's body becomes a carrier of cultural ideology within the cultural imagination. They also consider the portrayal of children's bodies in terms of the seeming dichotomies between healthy-vs-unhealthy bodies as well as able-bodied-vs-disabled, and examines flesh-and-blood bodies that engage with literary texts and other media. The contributors bring

perspectives from anthropology, communication, education, literary criticism, cultural studies, philosophy, physical education, and religious studies. With wide and astute coverage of disparate literary and cultural texts, and lively scholarly discussions in the introductions to the collection and to each section, this book makes a long-needed contribution to discussions of the body and the child.

Virginit**y in Young Adult Literature after Twilight** Christine Seifert, 2015-01-27 Around 2005 something surprising happened in young adult literature: YA books became obsessed with presenting characters who wanted to have sex but couldn't—at least not without losing something vital to their identity. Since the publication of *Twilight*, the YA market has been flooded with books that feature naive virgins finding true love. While some YA novels do present nuanced depictions of sex and of healthy sexual relationships, the fiction most popular with young adult readers presents adolescent girls as virginal sex objects waiting to be fulfilled by their love interests. In *Virginit***y in Young Adult Literature after Twilight**, Christine Seifert looks at an alarming trend in YA novels. Labeling this phenomenon “abstinence porn,” Seifert argues that these novels that fetishize virginity are harmful to readers. Like pornography, such works reduce female characters to objects whose sexual acts are the sole expression of their identities. Chapters in this book examine paranormal, dystopian, and contemporary romance, paying particular attention to recurring virginity themes or tropes. The book also provides an antidote by showing how some sex-positive teen novels provide more empowering messages to readers. Organized by genre, the books were selected for this study based on their popularity with teens. Exploring how messages about virginity are sustained and repeated from text to text, this book also calls out key reader reactions to demonstrate how they are responding to these messages. Featuring a list of discussion questions, *Virginit***y in Young Adult Literature after Twilight** will be a valuable resource for teachers, librarians, parents, and mature young adult readers.

Children's and Young Adult Literature and Culture Amie A. Doughty, 2016-08-17 This collection of essays explores a wealth of topics in children's and young adult literature and culture. Contributions about picture-books include analyses of variants of the folktale “The Little Red Hen” and bullying. Race and gender are explored in essays about picture-books featuring children as consumable objects, about books focused on African American female athletes, and about young adult dystopian fiction. Gender itself is further explored in articles about *Monster High*, Joyce Carol Oates's *Beasts*, and *The Hunger Games* and *Divergent*. Essays about fantasy literature include an exploration of environmentalism in Rick Riordan's *The Heroes of Olympus*, a discussion of Severus Snape as a Judas figure, an explication of Chapter 5 of *The Hobbit*, and an analysis of ghosts and nationalism in Eva Ibbotson's *The Haunting of Granite Falls*. An essay about *Horrible Histories* explores television, genre, and the way history is coded. Other contributions explore how teaching literature to reluctant readers can be effective through multimodal texts and how *Harry Potter* has played a role in the popularity of young adult literature for adult readers.

Female Rebellion in Young Adult Dystopian Fiction Sara K. Day, Miranda A. Green-Barteet, Amy L. Montz, 2016-04-15

Responding to the increasingly powerful presence of dystopian literature for young adults, this volume focuses on novels featuring a female protagonist who contends with societal and governmental threats at the same time that she is navigating the treacherous waters of young adulthood. The contributors relate the liminal nature of the female protagonist to liminality as a unifying feature of dystopian literature, literature for and about young women, and cultural expectations of adolescent womanhood. Divided into three sections, the collection investigates cultural assumptions and expectations of adolescent women, considers the various means of resistance and rebellion made available to and explored by female protagonists, and examines how the adolescent female protagonist is situated with respect to the groups and environments that surround her. In a series of thought-provoking essays on a wide range of writers that includes Libba Bray, Scott Westerfeld, Tahereh Mafi, Veronica Roth, Marissa Meyer, Ally Condie, and Suzanne Collins, the collection makes a convincing case for how this rebellious figure interrogates the competing constructions of adolescent womanhood in late-twentieth- and early twenty-first-century culture.

The Beloved Does Not Bite Debra Dudek, 2017-07-06 In this new monograph, author Debra Dudek defines a new era of vampire texts in which vampires have moved from their iconic dark, feared, often seductive figure lingering in alleys, to the beloved and morally sensitive vampire winning the affections of teen protagonists throughout pop culture. Dudek takes a close look at three hugely-popular vampire series for young adults, drawing parallels between the TV series *Buffy the Vampire Slayer*, the *Twilight* Saga novels/films, and *The Vampire Diaries* TV series/book series. By defining a new era of vampire texts and situating these three series within this transition, *The Beloved Does Not Bite* signals their significance and lays the groundwork for future scholarship on the flourishing genre of paranormal romances for young adults.

Affect, Emotion, and Children's Literature Kristine Moruzi, Michelle Smith, Elizabeth Bullen, 2017-09-01 This volume explores the relationship between representation, affect, and emotion in texts for children and young adults. It demonstrates how texts for young people function as tools for emotional socialisation, enculturation, and political persuasion. The collection provides an introduction to this emerging field and engages with the representation of emotions, ranging from shame, grief, and anguish to compassion and happiness, as psychological and embodied states and cultural constructs with ideological significance. It also explores the role of narrative empathy in relation to emotional socialisation and to the ethics of representation in relation to politics, social justice, and identity categories including gender, ethnicity, disability, and sexuality. Addressing a range of genres, including advice literature, novels, picture books, and film, this collection examines contemporary, historical, and canonical children's and young adult literature to highlight the variety of approaches to emotion and affect in these texts and to consider the ways in which these approaches offer new perspectives on these texts. The individual chapters apply a variety of theoretical approaches and perspectives, including cognitive poetics, narratology,

and poststructuralism, to the analysis of affect and emotion in children's and young adult literature.

Girls on Fire Sarah Hentges, 2018-04-04 Under the threat of climate change, corruption, inequality and injustice, Americans may feel they are living in a dystopian novel come to life. Like many American narratives, dystopian stories often focus on males as the agents of social change. With a focus on the intersections of race, gender, class, sexuality and power, the author analyzes the themes, issues and characters in young adult (YA) dystopian fiction featuring female protagonists--the Girls on Fire who inspire progressive transformation for the future.

The New Feminist Literary Studies Jennifer Cooke, 2020-12-03 The New Feminist Literary Studies presents sixteen essays by leading and emerging scholars that examine contemporary feminism and the most pressing issues of today. The book is divided into three sections. This first section, 'Frontiers', contains essays on issues and phenomena that may be considered, if not new, then newly and sometimes uneasily prominent in the public eye: transfeminism, the sexual violence highlighted by #MeToo, Black motherhood, migration, sex worker rights, and celebrity feminism. Essays in the second section, 'Fields', specifically intervene into long-constituted or relatively new academic fields and areas of theory: disability studies, eco-theory, queer studies, and Marxist feminism. Finally, the third section, 'Forms', is dedicated to literary genres and tackles novels of domesticity, feminist dystopias, young adult fiction, feminist manuals and manifestos, memoir, and poetry. Together these essays provide new interventions into the thinking and theorising of contemporary feminism.

Blackbird Anna Carey, 2014-09-16 From the author of the Eve trilogy comes the breathless story of a girl racing to figure out who she is—and how to stay alive. When a nameless girl wakes up on the subway tracks, she knows only one thing for sure: people want her dead. Can she find them before they track her down? This pulse-pounding contemporary thriller is perfect for fans of *The Maze Runner*, *The Darkest Minds*, and *Legend*. Things I Know Are True: I am in Los Angeles I woke up on the train tracks at the Vermont/Sunset station I am a teenage girl I have long black hair I have a bird tattoo on the inside of my right wrist with the letters and numbers FNV02198 People are trying to kill me

Persuasive Genres Sujata S. Kathpalia, 2021-09-30 This book provides an analysis of persuasive genres in the domain of media, ranging from traditional to new media genres on the internet. Kathpalia provides a layered analysis of a family of persuasive genres at the functional, semantic, and linguistic levels and a reconceptualization of genres as empowering rather than constraining, enabling rather than binding, and dynamic rather than static. The book leads readers to an understanding of genre that accounts for the way we interpret, respond to, and create genres in different settings whilst shedding light on how genres change and how they evolve into new and unique forms to meet the ever-changing needs of society. This book would be of interest to those studying or researching the topic of genres, and those interested in reconceptualizing the way in which we interpret and understand genres from linguistic and discourse perspectives.

Anna Carey Eve Series Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid

reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Anna Carey Eve Series PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their

entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Anna Carey Eve Series PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Anna Carey Eve Series free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a

vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Anna Carey Eve Series Books

1. Where can I buy Anna Carey Eve Series books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?
