

Antígona Salvador Espriu

N Noddings

The Poetry of Salvador Espriu D. Gareth Walters, 2006 Two standpoints govern the approach taken to the poetry of Salvador Espriu in this extended study of his work. First, the author explores the structural implications of symmetry and numerology, in a chronological rather than thematic survey of the poetry - a procedure that involves a consideration of how each book attains its distinctive character while having common preoccupations and stylistic traits. Secondly, he examines the tension implicit in Espriu's poetry between involvement and detachment or between the civic and the lyric.

Interpretando Antígona Laura Llevadot (ed.), 2016-05-30 La tragedia de Sófocles Antígona ha sido objeto de innumerables versiones, interpretaciones y traducciones a lo largo de la historia de la cultura occidental. La acción de la joven hija de Edipo que entierra a su hermano Polinices a pesar de la expresa prohibición real, la rebeldía de una mujer que arrastra consigo la turbulenta historia de su linaje, ha permitido replantear cuestiones esenciales de la existencia humana todavía vigentes. Antígona alumbra aún hoy problemas tales como la cuestión del derecho al duelo -allí donde hay todavía muertos sin enterrar o desaparecidos a los que no les ha sido restituida su dignidad simbólica-, experiencias como la muerte del otro, así como la decisión de la muerte propia consentida, la cuestión tan debatida hoy en torno a la fraternidad como cimiento de lo común, y aun la temática del género que las filosofías feministas de la diferencia se han propuesto repensar a partir de esta obstinada figura. Los textos que constituyen el presente volumen tratan de dar cuenta de las diversas aproximaciones que la tragedia de Antígona ha suscitado.

Antigone's Tomb / La tumba de Antígona, 2025-08-15 The philosopher María Zambrano grants Antigone a compelling new voice in her reimagining of Sophocles' tragedy, which she described as 'something quite different that hasn't occurred to anyone'. Written in 1967 from exile, *La tumba de Antígona* is Zambrano's only play and retells Antigone's story through the prism of the Spanish Civil War. This dramatized 'talking cure' evokes the eponymous hero's experience of solitude, delirium, and passion within the marginal space of her tomb, casting her as the messenger of consciousness for the second half of the twentieth century. Recent studies place Zambrano in the visionary company of women with questing minds such as Hannah Arendt, Simone Weil, and her close contemporary, the Spanish writer Rosa Chacel, whose lives were complicated by fascist conflicts that impelled them to travel across Europe and to the Americas in search of refuge. Placing emphasis on the play as a text for performance, this first English translation (including the author's prologue and a critical introduction) aims to

extend interest in this trailblazing reworking of classical myth by this acclaimed Spanish woman writer and encourage further connections within exile and Antigone scholarship.

The Aesthetics of the Ephemeral Jennifer Duprey, 2014-07-01 Analyzes theatrical texts and performances while providing political and historical mappings. In *The Aesthetics of the Ephemeral*, Jennifer Duprey examines five contemporary plays from Barcelona: Olors and Testament by Josep Maria Benet i Jornet, Antígona by Jordi Coca, Forasters by Sergi Belbel, and Temptació by Carles Batlle. She argues that in both the theatrical text and its performance an aesthetics of the ephemeral materializes that is related to specific manifestations of cultural and historical memory in Spain and Catalonia. These manifestations of memory include historical concerns such as the possibility of another form of justice in predicaments of violence after the Civil War, and they also include contemporary issues such as the production of ruins by the processes of gentrification in Barcelona, the complexity of immigration in Spain, and the destruction or preservation of Catalan cultural legacies. In her analysis of these topics, Duprey engages and expands on theories related to questions of subjectivity and identity in late modernity. This book will be of interest to those concerned with Iberian cultural studies and with how theater reflects on and contributes to contemporary political dialogue.

The Camp Colman Hogan, Marta Marin-Dòmine, 2021-02-03 The camp is nothing if not diverse: in kind, scope, and particularity; in sociological and juridical configuration; in texture, iconography, and political import. Adjectives of camp specificity embrace a spectrum from extermination and concentration, to detention, migration, deportation, and refugee camps. And while the geographic range covered by contributors is hardly global, it is broad: Chile, Rwanda, Canada, the US, Central Europe, Morocco, Algeria, South Africa, France and Spain. And yet—is to so characterize the camp to run the risk of diffusing what in origin is a concentration into a paratactical series of “identity particularisms”? While *The Camp* does not seek to antithetically promulgate a universalist vision, it does aim to explore the imbrication of the particular and the universal, to analyze the structure of a camp or camps, and to call attention the role of the listener in the construction of the testimony. For, by naming what cannot be said, is not every narrative of internment and exclusion a potential site of agency, articulating the inner splitting of language that Giorgio Agamben defines as the locus of testimony: “to bear witness is to place oneself in one’s own language in the position of those who have lost it, to establish oneself in a living language as if it were dead, or in a dead language as if it were living.”

Antígona Sòfocles, 2022-09-01 *Antígona* , de Sòfocles, és segurament l'expressió literària antiga més sublim del conflicte humà entre els dictats de la consciència pròpia i les lleis establertes pels homes. Creont, rei de Tebes, ha prohibit sepultar el cadàver de Polinices, que s'ha alçat en armes contra ell. *Antígona*, però, la germana de Polinices, el desobeeix. I el seu acte i les conseqüències terribles que comporta també són l'expressió del sacrifici personal a causa d'un convenciment que, en aquest cas, té la raó de ser en la pietat entre germans. Ressenya: «La lluita per una justícia que està per damunt d'unes lleis

concretes, la lluita pels drets no escrits, no legislat, però inherents en la persona humana..., aquest és el tema de l' Antígona. I per això és una de les tragèdies gregues més valorades.» De la introducció de Joan Castellanos i Vila

Antígona. Relectura de un mito de la antigüedad Juan Alfredo Obarrio Moreno,Sandra Adams,2022-04-22 Hay una opinión muy difundida, y ciertamente poco razonada, de que solo lo novedoso merece nuestra atención. Argumentaciones como estas silencian el criterio de calidad y relegan al olvido los grandes libros del pasado. Esta triste realidad lleva a preguntarnos si ya no somos capaces de apreciar el valor de aquellos textos que llevan miles de años esperándonos, obras que cuando las descubrimos, las leemos y las comprendemos, nos llenan de gozo y de sabiduría. Gran descubrimiento lo llamamos. La Antígona de Sófocles lo fue para nosotros. Lo fue porque gracias a su estudio comprendimos la verdad de la afirmación de Zubiri: No es que los griegos sean nuestros clásicos: es que, en cierto modo, los griegos somos nosotros. Lo somos porque con ellos aprendimos que la razón significa la facultad de preguntarnos el porqué de las cosas, un logos -o una ratio- que lleva a concebir la ciencia y la cultura como un gran riesgo y como una azarosa aventura, una aventura, la del saber, que nos acompaña desde hace tres mil años, justo desde que Homero, como lo presenta la leyenda, era maestro de escuela en Quíos una cultura en la que hallamos esas respuestas de las que adolece nuestro maltrecho tiempo.Sandra Adams. Licenciada en Filología Alemana por la Universidad de Mainz. Máster en Humanidades y Artes Liberales por la Universidad Católica de Valencia San Vicente Mártir. Doctora por la Universidad Católica de Valencia San Vicente Mártir, con la tesis titulada Antígona: El derecho frente a la conciencia, obtenido la calificación de cum laude. Ha publicado diversos artículos en revistas científicas indexadas.Juan Alfredo Obarrio Moreno es Licenciado en Historia y en Derecho. Catedrático de Derecho Romano (Univ. de Valencia). Autor de 23 monografías. Entre sus líneas de investigación cabe destacar sus estudios de tradición romanísticas, sobre la Universidad, sobre la Apología de Sócrates, así como su inquietud por abordar la relación entre Derecho y Literatura, a la que ha dedicado cuatro monografías. Es Académico Correspondiente de la Real Academia de Jurisprudencia y Legislación de España, del Instituto de Historia de la Intolerancia, Inquisición y Derechos Humanos, así como de la Fundación Universitas.

Antígona: a eterna sedução da filha de Édipo Andrés Pociña,Aurora López,Carlos Morais,Maria de Fátima Sousa e Silva,2015-11-01 Este volume reúne um conjunto de estudos que têm por motivo o mito de Antígona, a sua expressão clássica e a sua recepção moderna e contemporânea, em diferentes contextos culturais (Portugal, Brasil, Espanha, França e Itália). This volume includes several texts about the myth of Antigone, its classical expression and modern and contemporary reception, in different cultural contexts (Portugal, Brazil, Spain, France and Italy). This volume includes several texts about the myth of Antigone, its classical expression and modern and contemporary reception, in different cultural contexts (Portugal, Brazil, Spain, France and Italy).

Culture in Exile Elisenda Marcer,2024-12-03 This edited book breaks new ground by bringing together research on

inner and territorial exile in the context of National Socialism in Germany and the Franco regime in Spain, and in proposing an integrated model of exilic cultural production. Original contributions explore previously neglected aspects of the inner and territorial exile cultures, focusing on the specificity of the national settings (including Catalonia) whilst also seeking to place research findings within a conceptual framework of exile which views the experiences and cultural manifestations of inner and territorial exiles not as polar opposites, but as interactions of response to fascist dictatorship. This book will be of interest to scholars and students of German Studies, Hispanic Studies, comparative literary and cultural studies, and modern history more broadly.

Portrayals of Antigone in Portugal, 2017-04-03 Portrayals of Antigone in Portugal gathers a collection of essays on the Portuguese drama rewritings of this Theban myth produced in the 20th and 21st centuries. For each of the cases analysed, the Portuguese historical, political and cultural context is described. This perspective is expanded through a dialogue with coeval European events. As concerns Portugal, this results principally in political and feminist approaches to the texts. Since the importation of the Sophoclean model is often indirect, the volume includes comparisons with intermediate sources, namely French (Cocteau, Anouilh) and Spanish (María Zambrano), which were extremely influential on the many and diversified versions written in Portugal during this period.

Feminist Readings of Antigone Fanny Söderbäck, 2012-02-01 Feminist Readings of Antigone collects the most interesting and provocative feminist work on the figure of Antigone, in particular looking at how she can figure into contemporary debates on the role of women in society. Contributors focus on female subjectivity and sexuality, feminist ethics and politics, questions of race and gender, psychoanalytic theory, kinship, embodiment, and tensions between the private and the public. This collection seeks to explore and spark debate about why Antigone has become such an important figure for feminist thinkers of our time, what we can learn from her, whether a feminist politics turning to this ancient heroine can be progressive or is bound to idealize the past, and why Antigone keeps entering the stage in times of political crisis and struggle in all corners of the world. Fanny Söderbäck has gathered classic work in this field alongside newly written pieces by some of the most important voices in contemporary feminist philosophy. The volume includes essays by Judith Butler, Adriana Cavarero, Tina Chanter, Luce Irigaray, and Julia Kristeva.

By the Grace of God William R. Viestenz, 2014-09-17 Though neither king nor priest, Spanish dictator Francisco Franco nevertheless conceptualized his right to sovereignty around a political theology in which national identity resembled a sacred cult. Using Franco's Spain and la España sagrada as a counterpoint to European secularity's own development, *By the Grace of God* is the first sustained analysis within Spanish cultural studies of the sacred as a political category and a tool for political organization. William Viestenz shows how imagining national identity as a sacred absolute within a pluralistic, multicultural state leads to dictatorship, scapegoating, and exceptional violence. Using novels and poetry from the Catalan

literary tradition and stalwarts of the Castilian canon, his analysis demonstrates that the sacred is a concept that spills over into key areas of secular political imagination. By the Grace of God offers an original theory of the sacred that challenges our understanding of twentieth-century political thought.

By the Grace of God William Viestenz,2014-01-01 Using Franco's Spain and la España sagrada as a counterpoint to European secularity's own development, By the Grace of God is the first sustained analysis within Spanish cultural studies of the sacred as a political category and a tool for political organization.

Brill's Companion to the Reception of Sophocles ,2017-04-03 Brill's Companion to the Reception of Sophocles offers a comprehensive account of the influence, reception and appropriation of all extant Sophoclean plays, as well as the fragmentary Satyr play The Trackers, from Antiquity to Modernity, across cultures and civilizations, encompassing multiple perspectives and within a broad range of cultural trends and manifestations: literature, intellectual history, visual arts, music, opera and dance, stage and cinematography. A concerted work by an international team of specialists in the field, the volume is addressed to a wide and multidisciplinary readership of classical reception studies, from experts to non-experts. Contributors engage in a vividly and lively interactive dialogue with the Ancient and the Modern, which, while illuminating aspects of ancient drama and highlighting their ever-lasting relevance, offers a thoughtful and layered guide of the human condition.

Bilingual Legacies Anna Casas Aguilar,2022-05-30 Bilingual Legacies examines fatherhood in the work of four canonical Spanish authors born in Barcelona and raised during the dictatorship of Francisco Franco. Drawing on the autobiographical texts of Juan Goytisolo, Carlos Barral, Terenci Moix, and Clara Janés, the book explores how these authors understood gender roles and paternal figures as well as how they positioned themselves in relation to Spanish and Catalan literary traditions. Anna Casas Aguilar contends that through their presentation of father figures, these authors subvert static ideas surrounding fatherhood. She argues that this diversity was crucial in opening the door to revised gender models in Spain during the democratic period. Moving beyond the shadow of the dictator, Casas Aguilar shows how these writers distinguished between the patriarchal father of the nation and their own paternal figures. In doing so, Bilingual Legacies sheds light on the complexity of Spanish conceptions of gender, language, and family and illustrates how notions of masculinity, authorship, and canon are interrelated.

Theatre Censorship in Spain, 1931-1985 Catherine O'Leary,Michael Thompson,2023-05-15 This is a comprehensive study of the impact of censorship on theatre in twentieth-century Spain. It draws on extensive archival evidence, vivid personal testimonies and in-depth analysis of legislation to document the different kinds of theatre censorship practised during the Second Republic (1931-6), the civil war (1936-9), the Franco dictatorship (1939-75) and the transition to democracy (1975-85). Changes in criteria, administrative structures and personnel from these periods are traced in relation to wider

political, social and cultural developments, and the responses of playwrights, directors and companies are explored. With a focus on censorship, new light is cast on particular theatremakers and their work, the conditions in which all kinds of theatre were produced, the construction of genres and canons, as well as on broader cultural history and changing ideological climate - all of which are linked to reflections on the nature of censorship and the relationship between culture and the state.

Catalan Culture, 2018-03-28 1) The subject matter is topical: Catalonia's relationship with Spain is arguably the most important political issue within the peninsula today. 2) The coverage is diverse, adopting a multi-generic approach focusing on new and innovative cultural outputs, some of which have received limited critical attention to date. 3) The volume brings together the scholarship of leading UK and US Catalan specialists which is nicely contextualized by the thoroughgoing introduction.

Tragedias Sófocles, 2021-09-16 Con las tragedias de Sófocles (siglo V a. C.), podría decirse que el teatro alcanza su plena consolidación como género literario en el sentido moderno del término. Por un lado, se introduce una serie de innovaciones formales que darán a la pieza teatral un perfil escénico en buena medida definitivo. Y, por otro lado, eso está al servicio de intereses de fondo más importantes: Sófocles plasma la problemática del individuo aislado, representado en el héroe trágico que se caracteriza por una grandeza extraordinaria, una soledad doliente y una impotencia trágica ante fuerzas superiores. Además, es un excelente testigo de las inquietudes ideológicas de la apasionante época que le tocó vivir y que fue fundamental en la evolución intelectual de Occidente. Publicado originalmente en la BCG con el número 40, este volumen presenta la traducción De las siete Tragedias de Sófocles que se conservan íntegras realizada por Assela Alamillo. Carmen Morenilla (Universidad de Valencia) ha redactado una nueva introducción para esta edición.

Actes del quinzè Col·loqui internacional de llengua i literatura catalanes, Universitat de Lleida, 7-11 de setembre de 2009 Imma Creus, Maite Puig, 2010 El Quinzè Col·loqui Internacional de Llengua i Literatura Catalanes es va celebrar a Lleida el 2009, organitzat com sempre per l'associació Internacional de Llengua i Literatura Catalanes en col·laboració amb les entitats locals i del país, i es va desenvolupar, al voltant del motiu central de la frontera, en tres línies temàtiques; el català i les llengües veïnes, la literatura i les arts, la llengua dels escriptors. En aquest segon volum oferim les ponències i les comunicacions referents al tema de les relacions entre la literatura i les arts, a més de la conferència de clausura.

Catalan Review, 2009

Antigona Salvador Espriu Introduction

In the digital age, access to information has become easier than ever before. The ability to download Antigona Salvador Espriu has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book,

or a professional seeking research papers, the option to download Antigona Salvador Espriu has opened up a world of possibilities. Downloading Antigona Salvador Espriu provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Antigona Salvador Espriu has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download

Antigona Salvador Espriu . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Antigona Salvador Espriu . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Antigona Salvador Espriu , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Antigona Salvador Espriu has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

Espriu Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What is the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more

FAQs About Antigona Salvador

immersive learning experience.

Antigona Salvador Espriu is one of the best book in our library for free trial. We provide copy of Antigona Salvador Espriu in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Antigona Salvador Espriu . Where to download Antigona Salvador Espriu online for free? Are you looking for Antigona Salvador Espriu PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom.

However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Antigona Salvador Espriu . This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Antigona Salvador Espriu are for sale to free while some are payable. If you

arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Antigona Salvador Espriu . So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Antigona Salvador Espriu To get started finding Antigona Salvador Espriu , you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally

hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Antigona Salvador Espriu So depending on what exactly you are searching, you will be able tochoose ebook to suit your own need. Thank you for reading Antigona Salvador Espriu . Maybe you have knowledge that, people have search numerous times for their favorite readings like this Antigona Salvador Espriu , but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Antigona Salvador Espriu is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Antigona Salvador Espriu is universally compatible with any devices to read.
