**Choice Words** Peter Johnston,2023-10-10 In productive classrooms, teachers don't just teach students math and reading skills; they build emotionally and relationally healthy learning communities. Teachers create intellectual environments that produce not only technically competent students, but also caring, secure, actively literate human beings. Choice Words: How Our Language Affects Children's Learning shows how teachers can accomplish this by using their most powerful teaching tool: language.Throughout this book, author Peter Johnston provides examples of seemingly ordinary words, phrases, and uses of language that are pivotal in the orchestration of the classroom. Grounded in a study by accomplished literacy teachers, the book demonstrates how and what we say (and don't say) have surprising consequences for what children learn and for who they become as literate people. Students learn how to become strategic thinkers, not merely learning the literacy strategies, but adapting them to their lives outside of the classroom.In addition, Johnston examines the complex learning that teachers produce in classrooms that is hard to name and thus is not recognized by tests, by policy-makers, by the general public, and often by teachers themselves, yet is vitally important. This book will be enlightening for any teacher who wishes to be more conscious of the many ways their language helps children acquire literacy skills and view the world, their peers, and themselves in new ways.

**This Is Not a Love Story** Judy Brown, 2024-09-24 A memoir about a woman's coming of age in the closed world of the ultra-orthodox Jewish community is an unforgettable portrait of anguish and hope ( People). The third of six children in a family that harks back to a gloried Hassidic dynasty, Judy Brown grew up with the legacy of centuries of religious teaching. But her world begins to crumble when her crazy brother Nachum returns home after a year in Israel living with relatives. Though supposedly cured, he is still prone to retreating into his own mind or erupting in wordless rages. The adults' inability to make him better, forces Judy to ask larger questions: If God could perform miracles for her sainted ancestors, why can't He cure Nachum? And what of the other stories her family treasured? Judy starts to negotiate with God, swinging from holy tenets to absurdly hilarious conclusions faster than a Talmudic scholar: she fights with her siblings at the dinner table for the ultimate badge of honor (Who will survive the next Holocaust?); and she adamantly defends her family's reputation when, scandalously, her parents are accused of having fallen in love—which is absolutely not what pious people do. *This Is Not a Love Story* is ultimately a story of a family whose fierce love for each other and devotion to their faith pulled them through the darkest time in their lives. An instant classic. . . . With echoes of Scout Finch, the feisty Menuchah guides readers on an unforgettable journey. —Leah Vincent, author of *Cut Me Loose: Sin and Salvation After My Ultra-Orthodox Girlhood* A tender story gently told. — Kirkus Reviews

**Memoirs of a Black Philosopher** Richard A. Jones, 2024-01-26 *Memoirs of a Black Philosopher* is a chronicle of the life and times of Richard A. Jones. In these memoirs, Jones relates the dislocations and disillusionments of Black people in the great migration of Southern Blacks to Northern cities. He recalls the educational trauma brought on by *Brown v Board*, and his education in the inner-city public schools of Washington DC and Detroit Michigan. Beginning his higher education in the HCBUs at Fisk and Howard Universities, after serving in the US Air Force, Jones begins his educational diaspora in Midwestern universities. His struggles to attain an education culminates in a bachelor's degree in mathematics from Minot State University in 1970. After working as a federal Head Start director, Marketing representative at IBM, and college Minority Affairs Director, Jones begins a new career as a high school mathematics teacher. Never satisfied with his "education," he begins a new direction in academic philosophy. After completing an MA in philosophy at the University of Denver, he enrolls in a PhD program at the University of Colorado at the age of forty-nine. After completing the degree, Jones teaches philosophy at Kansas State University, followed by returning to Howard University, where he finished his teaching career. At Howard, Jones realizes that "philosophy is more" than teaching and writing. He becomes the Co-coordinator of the Radical Philosophy Association (RPA). His political activity with RPA culminates in conferences in Cuba and South Africa, where he sees the people's struggles with global capitalism. Jones left Howard in 2013 and continues his "philosophical praxes" in contemplation and writing. His story is one of the unending struggles for human dignity.

Bite Me Ally Hilfiger, 2016-05-10 Ally was at a breaking point when she woke up in a psych ward at the age of eighteen. She couldn't put a sentence together, let alone take a shower, eat a meal, or pick up a phone. What had gone wrong? In recent years, she had produced a feature film, a popular reality show for a major network, and had acted in an off-Broadway play. But now, Ally was pushed to a psychotic break after struggling since she was seven years old with physical symptoms that no doctor could explain; everything from joint pain, to night sweats, memory loss, nausea, and brain fog. A doctor in the psych ward was finally able to give her the answers her and her family had desperately been searching for, and the diagnosis that all the previous doctors had missed. She learned that she had Lyme disease and finally had a breakthrough. What she didn't know was that this diagnosis would lead her down some of the most excruciating years of her life before beginning her journey to recovery from eleven years of misdiagnosis and physical pain. She would need to find her courage to heal physically, mentally, and emotionally, and become the survivor she is today. Set against the backdrop of the fast-paced fashion and entertainment industries, *Bite Me* shares the heartbreaking and hilarious stories that moved Ally forward on her journey from sickness to health. Its themes will be familiar to more than 300,000 Americans diagnosed with Lyme disease

each year, many of whom, like Ally, wondered for years what was wrong with them. Bite Me offers readers hope and ideas for how one can transition from victim to survivor, and shares the spiritual principles and actions that have contributed to her wholeness as a human, mother, and international spokesperson against Lyme disease.

merrily, let me hear you scream. Aislinn Cain and SCTU Team Alpha heads to Tallahassee, Florida to do battle with a serial killer unlike any they have ever faced before. The victims endure psychological as well as physical torture at the hands of this merciless murderer. The crimes are staged as hate crimes. However, Ace and Lucas agree that each death appears to be a form of punishment, creating doubts that hate is the true motive. Identifying and capturing this killer is the easiest part for Ace. Deciding if justice is being served is more difficult, as this killer doesn't fit into the black and white morality, she has constructed for herself.

**My Victorian Novel** Annette R. Federico, 2020-05-08 The previously unpublished essays collected here are by literary scholars who have dedicated their lives to reading and studying nineteenth-century British fiction and the Victorian world. Each writes about a novel that has acquired personal relevance to them--a work that has become entwined with their own story, or that remains elusive or compelling for reasons hard to explain. These are essays in the original sense of the word, attempts: individual and experiential approaches to literary works that have subjective meanings beyond social facts. By reflecting on their own histories with novels taught, studied, researched, and re-experienced in different contexts over many years, the contributors reveal how an aesthetic object comes to inhabit our critical, pedagogical, and personal lives. By inviting scholars to share their experiences with a favorite novel without the pressure of an analytical agenda, the sociable essays in *My Victorian Novel* seek to restore some vitality to the act of literary criticism, and encourage other scholars to talk about the importance of reading in their lives and the stories that have enchanted and transformed them. The novels in this collection include: *Jane Eyre* by Charlotte Brontë *The Duke's Children* by Anthony Trollope *The Adventures of Sherlock Holmes* by Arthur Conan Doyle *The Newcomes* by William Makepeace Thackeray *Middlemarch* by George Eliot *Daniel Deronda* by George Eliot *The Return of the Native* by Thomas Hardy *Vanity Fair* by William Makepeace Thackeray *North and South* by Elizabeth Gaskell *Bleak House* by Charles Dickens *David Copperfield* by Charles Dickens *New Grub Street* by George Gissing *The Pickwick Papers* by Charles Dickens *Dracula* by Bram Stoker *Wuthering Heights* by Emily Brontë
