

Dolores Cannon The Three Waves Of Volunteers

Daniel Rose

The Three Waves of Volunteers & the New Earth Dolores Cannon, In 1945 when the atomic bombs were dropped in WWII, our protectors and watchers in outer space saw that Earth was on a collision course with disaster. The prime directive of non-interference prevented them from taking any action, but then they came up with a brilliant plan to save Earth and assist her in her ascension. They couldn't interfere from the outside, but maybe they could influence from the inside. So the call went out for volunteers to come and help. Earth is in trouble - who wants to volunteer? The native souls living on Earth were too caught up on the wheel of karma. The only hope was to ask for pure souls to come who had never been trapped on the karmic cycle. Dolores in her hypnosis work has discovered three waves of these volunteers. Some have come direct from the Source and have never lived in any type of physical body before. Others have lived as space beings on other planets or other dimensions. Because all memory is erased upon entry to the Earth dimension, they do not remember their assignment. Thus these beautiful souls have a difficult time adjusting to our chaotic world. These souls have a vital role to play as they help all of the rest of us ascend to the New Earth. * Characteristics of the Three Waves of Volunteers * The Difficulties being Experienced by First-Timers * How the Shift is affecting the Physical Body * The Roles of ETs and Light Beings in the Shift * Keepers of the Grid * The Separation of the Old and New Earth * What is the New Earth? * What is the Significance of 2012?

Adam's Gift Cindy Williams Adams MEd, 2024-06-12 In Adam's Gift, author Cindy Williams Adams shares the story of the death of her twenty-seven-year-old son, Adam, and her subsequent spiritual journey. Hi! I'm Adam, and I'm dead. Well, not really. I'm still here ... “The first night in the hospital, while Adam was on life support, around midnight, a nurse advised me to go home and get some rest. I looked at Adam's monitor. His heart rate was 180, a normal heart rate for an infant. At that point, his vital signs were nominal. I said I'd go home when Adam's heart rate reached 111. Greg and I sat in the dark, listening to the beep-beep of Adam's monitor. A few minutes later, Greg said, “Look at the monitor.” Adam's heart rate was 111. My youngest sister, Rhonda, and I clipped some locks of Adam's dark brown hair as a keepsake. I was sitting at the head of his bed examining our handiwork when I heard Adam say jokingly, “Mom, what the fuck did you do to my hair?” In that pivotal moment, if I'd talked myself out of believing what I'd just experienced, I would have grieved Adam's death in an

entirely different way. Trusting the communication from Adam was real not only allowed me to accept the loss of Adam's physical presence, it allowed me to create an entirely new relationship with the part of Adam that is eternal. Adam's lungs, kidneys, pancreas, and liver saved the lives of two individuals and significantly improved the lives of three others. Adam's liver went to a young mother from Indiana, where I was born. Adam's pancreas went to a woman with diabetes who'll never have to suffer another amputation. Adam's kidneys went to a woman from somewhere in California and to a man in Oakland who no longer plan their life around the need for dialysis. Adam's lungs went to a seventy-two-year-old man from Arizona." From January 2011 to February 2023, Adam led me on a twelve-year-long wild goose chase where I collected seemingly random puzzle pieces that when presented altogether, finally make sense. From a past life as a knowledge keeper in Atlantis to serving as an intergalactic guardian, Adam's mind-blowing after-death adventures will change everything you thought you knew about life and death and the world as we know it. Don't let your skin suit fool you into thinking you're anything less than a co-creator with God. We don't have to die to evolve to a higher level of consciousness. When it comes to consciousness-raising, Adam and I are giving away the cheats. Adam's Gift is more than a memoir, it's a multidimensional multimedia experience. Brace yourself, you're in for an e-ticket ride. Adams' debut memoir is an effectively concise account of a mother navigating her own grief while also finding ways to help others heal. Adams vividly renders her story of her life's journey, and her sense of exuberance is evident throughout... — Kirkus review The story of Adam and the special bond he shares with his mom gives those hope who question an afterlife. —Dannion Brinkley, internationally bestselling author of *Saved by the Light*, *At Peace in the Light*, and *Secrets of the Light* You don't have to have experienced loss to love Adam's Gift. It isn't a book of grief. Its gift to the reader is about the resilience of love and the unwavering faith of a mother faced with unimaginable circumstances and boundless faith. —Meg Blackburn Losey, PhD, author of international bestsellers, *The Children of Now*, *The Secret History of Consciousness*, and *Touching the Light* Through the experiences recounted by Adam's mother, readers are immersed in a world where love transcends physical boundaries and continues to connect souls even after death. —Rhys Wynn Davies, Australia's 2023 Psychic of the Year, and author of *How to Talk to the Dead in 10 Easy Steps* Adam's Gift was so riveting to read. I came away from it feeling as if I had gained so much. I can't thank Adam and Cindy enough for writing this book. —Sarah Breskman Cosme, bestselling author of *A Hypnotist's Journey to Atlantis*, *A Hypnotist's Journey to the Secret of the Sphinx*, and *A Hypnotist's Journey from the Trail to the Star People*

An Investigation of Mars CJ Dearlove, 2023-06-21 Have you ever wondered if our materialist view of reality is incomplete? Can you feel that something truly disruptive and extraordinary is just around the corner? This book is for you. Tomi's normal suburban life is turned upside down as she begins exploring remote viewing - shifting her consciousness to another time or space to collect information. A psychic spy. Join Tomi as she slips down a paranormal rabbit hole that will leave you wondering about the nature of humanity - and reality itself. As Tomi uncovers answers about the nature of reality and the

true history of humanity, she and her friends engage in an exploration of the cross-section of UFOs and non-human intelligences, human consciousness, spirituality, reincarnation, the occult, and forgotten knowledge of ancient humans. Under pressure that both breaks and builds relationships, and threatens her physical safety, Tomi uncovers information that upends her understanding of the history - and the future - of humanity. While Tomi's journey builds within her a deeper spiritual understanding, that growth comes at a cost, as she finds herself grappling with the ontological shock that takes hold as her materialist worldview is shattered. Taking inspiration from declassified CIA Stargate Project documents, ancient wisdom, spiritual traditions, and modern divergent research, this story dives deep into our spiritual natures and the fantastic possibilities human consciousness may hold. Tomi, with the support of her friends, uses her developing abilities to weave threads of truth together in her drive to solve universal and personal mysteries - including what happened to her beloved, long-missing grandmother. A story that does not forsake characters with depth for a deep and progressive plot, at its core this is a book about what it is to be human in a universe that stretches far beyond our perception and comprehension. Reading this book may make you stop for just a moment and wonder about the mysterious universe we create. CJ Dearlove is a writer, artist, and community builder from Ontario, Canada.

Dogs at Large Daniel Rose, 2018-05-10 Dogs at Large weaves together the struggles of two women as they confront the slings and arrows of our Matrixed world. Because they live in the information age, they have turned to the Internet for guidance with their current conflicts. Here they discover a double edged sword for, although information may be powerful, too much can be overwhelming. They soon realize that a fine line exists in cyberspace ranging from the usual array of charlatans and false prophets to a remarkable community of like-minded people whose goal is to save the planet. It is to the

later that this book is dedicated. On one level this is a story about how we go to bat for what we love the most. On another, it is as multi-dimensional as the changes that are in store for the human race. To sum it all up: God is truly alive; magic is truly afoot.

Snoring Awoken Wide Awake Conrad Kirk, 2024-11-08 So busy struggling through life feeling somehow invisible doors when only half opened getting slammed shut. With the flash of a bright light going from an ordinary life to an extraordinary spiritual awakening which was so raw and intensifying is best described as a yo-yo spinning on the String of life, riding an emotional rollercoaster, navigating a spaghetti junction, inside a cosmic Rubix cube, drowning in a Waterfall of tears, whilst unconsciously and unknowingly deprogramming from a Matrix I never knew existed. Thrust into a Metaphysical Realm infused with parallel Dimensions, so Magical, so real and at times so dark. I dived with a bungee jump deep into my Heart that I haven't yet touched the ground. I'm not opening Doors. Now I'm blowing them off the hinges. With a spark in my soul, a flame in my Heart and Tears in my eyes. This is my story through the Darkness to spread love and light to all the neglected and unawakened Divine Souls of this Earth. To then start your own journey of truth, unravelling the light of your inner child that has been trapped deep within a consciousness. Controlled, restricted and encased inside a hidden cocoon. Patiently waiting to be unshackled from its dormancy, and then begin to radiate its loving glow letting it shine outwards in every direction.

The Search for Hidden, Sacred Knowledge Dolores Cannon, 2014-12-21 Many of us lived previous lives as keepers of sacred knowledge that was taught in the ancient mystery schools. Much of this knowledge was lost through time due to

disasters and destruction or death. The knowledge was reserved for a select few who devoted their lives to understanding and teaching it.

Phantoms in the Night or ETs? Lorraine McAdam, 2023-08-25 Writing *Phantoms in the Night or ETs?* was not easy for author Lorraine McAdam, and what she relates in this book might not be believed by the vast majority of people - which is why she delayed writing it for so long... Indeed, until now, only those in her close, nuclear family had known of the details of her story, which has been a lifelong one. But in her heart she eventually realised that withholding her story - of what she has now come to believe is some form of ongoing ET contact - was no longer an option. And because it seems that the world at large has moved to a more enlightened attitude towards 'abductees' or 'experiencers' who have experienced and gone through this high strangeness, loosely called 'alien contact', McAdam now thinks that the time is ripe to reveal her story. "This is my own simple, truthful, riveting, intriguing, and sometimes frightening account of multiple encounters, and experiences, with beings I believe originate from other worlds and, possibly, other dimensions", she writes. "And yet I am, to all who know me, an ordinary English teacher, wife, and mother. So why me? I have no answer."

Spiritual Nutrition Mike Radice, 2024-04-26 The New Earth is the happy ending predicted by spiritual mystics for thousands of years. Nirvana, Heaven, Shambhala, Gaia, and Third Temple are some of the names, but the name is irrelevant. It's a higher vibrational dimension without fear, binarism, and violence. Peace, collaboration, and a clean planet are the norms. Spiritual Nutrition provides tools to bring the New Earth to us smoothly. The book enables readers to understand and feel what's going on and helps them make changes to themselves to help. It presents strategies and steps to clean the body, mind, and spirit; lift the vibration; and spread loving light as an antidote for fear and hate. It also questions the meaning of reality. The book relies on an energy vibration context for its argument. Higher vibrations are peaceful, kind, and smooth, the kind we need to move to the New Earth. Lower vibrations are angry, destructive, and disempowering--the kind that holds us in a world of fear and hate. The book relies on vibrational lifting as the goal and prescribes a path of a plant-based diet, meditation, yoga, thoughtfulness, and kindness to self and others.
