Werenberg - Wiedling Wilhelm Kosch,2012 The Dictionary of German Literature is one of the best-known and most comprehensive and reliable works of reference on German literature. It spans a period from the Early Middle Ages to most recent times. Vol. 31 includes articles on Christoph Martin Wieland, Josef Winkler, Johann Georg August Wirth, Heinrich Wittenwiler and Christa Wolf. The notion of 'literature' is defined very broadly, so the work contains not only authors from the classic genres, but also representatives from other fields.
