Argentina. Congreso de la Nación. Senado de la Nación

Coronas fúnebres de los jóvenes finados Jorge y Valdemaro Diez Gomez reproducides por su amoroso padre.
[With portraits.] José Manuel DÍEZ GÓMEZ,1870

Corona fúnebre en honor al general Manuel E. Bruzual Manuel Ezequiel BRUZUAL,1872

Los funerales políticos en la España contemporánea Pierre Géal ,Pedro Rújula ,2023-08-21 Nación y liberalismo marcaron el desembarco de España en el mundo contemporáneo transformando las instituciones y cambiando las relaciones de poder. Desde entonces, la creación de símbolos y la disputa por un espacio político diferenciado fue mucho más evidente que nunca. Y esto se manifestó, incluso, en el umbral de la vida y la muerte. Desde la guerra de la Independencia hasta la actualidad, los funerales políticos se han convertido en un instrumento de comunicación política, una forma de transmitir idearios y valores, de construir identidad de grupo o de prolongar la herencia de los desaparecidos. El presente libro muestra cómo se han utilizado y desarrollado estas posibilidades desde las distintas culturas políticas, tanto las que ocupaban el espacio oficial como aquellas que se valieron del homenaje a sus difuntos para hacer visible su oposición al poder.

The Sword of Luchana Adrian Shubert,2021-06-29 Born into obscurity in a rural backwater of central Spain in the waning years of the eighteenth century, Baldomero Espartero (1793-1879) led a life resembling that of a character created by Stendhal or Gabriel García Márquez. As a seventy-five-year-old man he was offered - and turned down - the throne of an industrializing nation. During his illustrious life, he fought against Napoleon, Simón Bolívar, and other Latin American independence leaders; won a seven-year civil war; served as regent for the child queen Isabella II; and spent years in exile in England. He governed as prime minister and also received multiple noble titles, including that of prince, which was normally reserved for members of the royal family. By his sixties, Espartero represented an almost mythical figure. Based on comprehensive archival research in Spain, Argentina, and the United Kingdom, *The Sword of Luchana* explores the public and private lives of this archetypal nineteenth-century hero. Adrian Shubert gives voice to the mass of ordinary Spaniards who revered Espartero as the embodiment of liberty and freedom, and to Jacinta Martínez de Sicilia y Santa Cruz, his wife of more than fifty years who played a key role in his public career. Including unprecedented access to Espartero's personal papers, and set against the background of wars and revolutions in Spain and its American empire, *The Sword of Luchana* is a compelling account of the history of a crucial period of war, revolution, and political and social change.

Entre Crónicas Viaje a La Venezuela Histórica Luis Alberto Perozo Padua,2020-06-11 Nos complace profundamente entregar esta serie de investigaciones periodísticas, de corte histórico, publicadas inicialmente en el Diario EL IMPULSO de Barquisimeto y luego en portales digitales nacionales e internacionales. Inmerso en esta obra, el lector se encontrará con escenarios y situaciones diversas que marcaron un hito y son referencia para las nuevas generaciones. Este volumen permitirá conocer a hombres y mujeres, que contribuyeron con su determinante actuación a construir la República. Esta investigación histórica, con base documental, brinda además la oportunidad de adentrarse en escenarios del pasado, unos más remotos que otros, lo que permitirá comprender de dónde venimos y hacia dónde vamos como nación. Entre crónicas, viaje a la Venezuela histórica, no es un manual de historia ni mucho menos pretende serlo; es solo el testimonio en crónicas de escenarios que merecen ser revelados porque fueron difuminándose en el camino pedregoso de la desmemoria. Luis Alberto Perozo Padua, nacido en Barquisimeto el 27 de abril de 1974, es licenciado en Comunicación Social, (Mención Periodismo) egresado de la Universidad Fermín Toro (2004). Autor de los textos, Personajes y acontecimientos de nuestra historia. Colección Cristóbal Palavecino. Edición de la UFT (1998), y Del antiguo trapiche a la gran factoría azucarera. Edición de Azucarera Río Turbio (2003). Asimismo, es articulista de importantes medios de comunicación como La Patilla, El Universal, El Impulso (Venezuela) y El Tiempo Latino y Prensa Libre de Maryland, estos dos últimos con sede en Washington D.C. Actualmente es corresponsal del ELIMPULSO.COM para el Área Metropolitana del Distrito de Columbia Maryland y Virginia, medio en donde ha trabajado por más de una década en su versión impresa como corresponsal en los municipios Iribarren y Palavecino, y luego en el digital. En 2014, fundó el sitio web www.CorreodeLara.com, que hoy tiene más de dos millones de visitas y se perfila como referencia de investigación periodística en el área de la crónica y la historia.

Historia de la Compañía de Jesús en al República Mexicana durante el siglo XIX. Gerard Decorme,1921

Gómez, el tirano liberal Manuel Caballero,2003

Diario de sesiones Uruguay. Asamblea General. Cámara de Representantes,1879

Las víctimas militares de ETA Luis Miguel Sordo Estella,2022-04-14 Durante los años de actividad terrorista de ETA un centenar de militares españoles fueron asesinados entre los años 1973 y 2008. Algunos de ellos eran altos mandos de las Fuerzas Armadas y ocupaban puestos relevantes pero la mayoría de las víctimas fueron oficiales, suboficiales y tropa o marinería. Otros militares, incluso ya retirados de la milicia o en su ancianidad, después de ser tiroteados gravemente fueron rematados en el suelo por los terroristas con la misma sangre fría de un vulgar asesino a sueldo. ETA no pretendía solamente asesinar a un militar por el simple hecho de llevar un uniforme y servir a un Estado al que ella consideraba opresor. Las Fuerzas Armadas estuvieron en el punto de mira de ETA de forma permanente con el objetivo último de esta organización

terrorista de provocar en sus componentes una continua situación de alta crispación que les condujera a enfrentarse al Gobierno del momento y dar lugar así a una situación de grave inestabilidad política. ETA nunca logró su objetivo. En Las víctimas militares de ETA se describen cronológicamente los atentados sufridos por ese centenar de militares españoles, algunos verdaderamente espeluznantes, así como una breve biografía personal de cada uno. Estas biografías contienen una vida profesional entregada al servicio de su país con testimonios desgarradores en los que fluye el sufrimiento, la desesperanza y el dolor-físico y psicológico-de familias destrozadas por la sinrazón de la violencia terrorista. Esta obra pretende ser un recuerdo perenne de aquellos hombres que, en el estricto cumplimiento de su deber, fueron asesinados por el terrorismo etarra. Asimismo, constituye también un magnífico medio para que las nuevas generaciones conozcan un periodo significativo de la historia de España marcado por la violencia y el terror. Un relato real que nunca debemos olvidar.
