

La Cancin De Aquiles

Lope de Vega

La canción de Aquiles Madeline Miller, 2012-04-25 Dioses, héroes y hombres en un mundo aparentemente gobernado por el Destino. La más grande epopeya de nuestra civilización sigue presente hoy más que nunca. El joven príncipe Patroclo mata por accidente a un muchacho. Repudiado por su padre, es exiliado al reino de Ftía, donde lo acoge el rey Peleo, un hombre bendecido por los dioses, inteligente, apuesto, valiente y reconocido por su piedad. Tanto que se le concedió el más alto honor, la posibilidad de engendrar un hijo con una diosa: Aquiles. Aquiles es fuerte, noble, luminoso. Patroclo no puede evitar admirar hasta el último de sus gestos; su belleza y perfección hacen que sea incapaz de contemplarlo sin una punzada de dolor. Por eso no se explica que Aquiles lo escoja como hermano de armas, un puesto de la más alta estima que lo unirá a él por lazos de sangre y lealtad, pero también de amor. Así emprenden juntos el camino de la vida, compartiendo cada instante, cada experiencia, cada aprendizaje y preparándose para el cumplimiento de una profecía: el destino de Aquiles como mejor guerrero de su generación. Especializada en cultura clásica, Madeline Miller acomete una relectura del mito de Troya, demostrando su plena actualidad y vigencia. Todos los elementos que tan familiares nos resultan y que forman una parte tan esencial de nuestra cultura tienen cabida en ella: la belleza de Helena, la fuerza de Ájax, la astucia de Ulises, la nobleza de Héctor, el sacrificio de Ifigenia, la obstinación de Agamenón... Libro ganador del Orange Prize 2012 Reseñas: «Una versión deslumbrante, vívida y convincente de una de las más legendarias historias de amor». Emma Donoghue, autora de La habitación «La canción de Aquiles es al mismo tiempo un homenaje a La Ilíada y una obra de arte asombrosamente original de una escritora novel de tremendo talento. (...) Un libro que no se puede soltar». Ann Patchett, autora y ganadora del Premio Faulkner «La decisión de escribir La Ilíada como una novela moderna fue inteligente y el resultado es magnífico. Leí este libro pasmado de admiración por la calidad de su escritura, su ritmo narrativo y su profundidad imaginativa. Si tuviera que dar un premio a la mejor obra de ficción que he leído este año, este sería el ganador sin lugar a dudas». Reader's Digest «Original, inteligente y con estilo propio (...). Su habilidad es considerable: nos hace pensar en Aquiles y Patroclo casi como si fueran los personajes contemporáneos de una película de Hollywood». The Independent on Sunday «En una novela moderna se demandan otras explicaciones para la forma en que las personas se comportan, y Miller proporciona esto en una revisión de la historia, a veces muy conmovedora. Todo un logro». The Times «Sobresaliente». Sunday Times «Buen ritmo, atractiva y de buen gusto». Times Literary Supplement «Extraordinaria. Bella, descriptiva, conmovedora y lírica, es una

historia de amor sensible e intuitiva». Daily Mail «Miller ha quitado la modernidad de su historia. No hay psicología freudiana, no es escepticismo ilustrado acerca de la religión, no hay ironía inteligente del siglo XXI. Armada por la erudición, su imaginación se combina perfectamente con los incidentes de La Ilíada». Washington Post «Imprescindible para aquellos a los que le guste la mitología y recomendado a los amantes de la ficción histórica y con pequeñas tonalidades homosexuales». Blog La nevera de los libros

La canción de Aquiles - Edición especial (AdN)

The Song of Achilles Madeline Miller, 2012-04-12 SHORTLISTED FOR THE ORANGE PRIZE FOR FICTION 2012 Greece in the age of heroes. Patroclus, an awkward young prince, has been exiled to the court of King Peleus and his perfect son Achilles. Despite their differences, Achilles befriends the shamed prince, and as they grow into young men skilled in the arts of war and medicine, their bond blossoms into something deeper - despite the displeasure of Achilles's mother Thetis, a cruel sea goddess. But when word comes that Helen of Sparta has been kidnapped, Achilles must go to war in distant Troy and fulfill his destiny. Torn between love and fear for his friend, Patroclus goes with him, little knowing that the years that follow will test everything they hold dear.

The Song of Achilles Madeline Miller, 2012-03-06 "At once a scholar's homage to The Iliad and startlingly original work of art by an incredibly talented new novelist....A book I could not put down." —Ann Patchett "Mary Renault lives again!" declares Emma Donoghue, author of Room, referring to The Song of Achilles, Madeline Miller's thrilling, profoundly moving, and utterly unique retelling of the legend of Achilles and the Trojan War. A tale of gods, kings, immortal fame, and the human heart, The Song of Achilles is a dazzling literary feat that brilliantly reimagines Homer's enduring masterwork, The Iliad. An action-packed adventure, an epic love story, a marvelously conceived and executed page-turner, Miller's monumental debut novel has already earned resounding acclaim from some of contemporary fiction's brightest lights—and fans of Mary Renault, Bernard Cornwell, Steven Pressfield, and Colleen McCullough's Masters of Rome series will delight in this unforgettable journey back to ancient Greece in the Age of Heroes.

Origen y evolución de la canción patriótica Juan Rafael Sánchez Morales, 1986

Cuentos Edgar Allan Poe, 2004 Fue un niño sumamente sensible e inseguro. Expulsado de la Universidad y después del ejército, la literatura y el periodismo fueron su único camino. Entre frecuentes depresiones, alcoholismo y pérdidas amorosas, encontró tiempo para crear el género del cuento policial y desarrollar las formas más modernas del cuento fantástico. Pocos días antes de su segunda boda murió en la calle víctima de un "delirium tremens". "El gato negro", "El corazón delator" y "Los crímenes de la calle Morgue", incluidos en este volumen, forman parte de las joyas de la literatura universal.

La canción andaluza Arcadio de Larrea, 1963

The Song of Achilles Deluxe Edition Madeline Miller,2025-09-30 This deluxe edition features elegant sprayed and stenciled edges; sparkling gold foil; endpapers featuring a map of Homer's Greece; a guide to Greek gods, mortals, and heroes; essays by Madeline Miller; and discussion questions. A thrilling, profoundly moving, and utterly unique retelling of the legend of Achilles and the Trojan War from the bestselling author of Circe. A tale of gods and goddesses, kings and queens, immortal fame and the human heart. Achilles, the best of all the Greeks, son of the cruel sea goddess Thetis and the legendary king Peleus, is strong, swift, and beautiful--irresistible to all who meet him. Patroclus is an awkward young prince, exiled from his homeland after an act of shocking violence. Brought together by chance, they forge an inseparable bond, despite risking the gods' wrath. They are trained by the centaur Chiron in the arts of war and medicine, but when words come that Helen of Sparta has been kidnapped, all the heroes of Greece are called upon to lay siege to Troy in her name. Seduced by the promise of a glorious destiny, Achilles joins their cause, and torn between love and fear for his friend, Patroclus follows. Little do they know that the cruel Fates will test them both as never before and demand a terrible sacrifice.

The Militant Song Movement in Latin America Pablo Vila,2014-05-01 Latin America in the 1960s and 1970s underwent a profound and often violent process of social change. From the Cuban Revolution to the massive guerrilla movements in Argentina, Uruguay, Peru, Colombia, and most of Central America, to the democratic socialist experiment of Allende in Chile, to the increased popularity of socialist-oriented parties in Uruguay, or para-socialist movements, such as the Juventud Peronista in Argentina, the idea of social change was in the air. Although this topic has been explored from a political and social point of view, there is an aspect that has remained fairly unexplored. The cultural—and especially musical—dimension of this movement, so vital in order to comprehend the extent of its emotional appeal, has not been fully documented. Without an account of how music was pervasively used in the construction of the emotional components that always accompany political action, any explanation of what occurred in Latin America during that period will be always partial. This book is an initial attempt to overcome this deficit. In this collection of essays, we examine the history of the

militant song movement in Chile, Uruguay, and Argentina at the peak of its popularity (from the mid-1960s to the coup d'états in the mid-1970s), considering their different political stances and musical deportments. Throughout the book, the contribution of the most important musicians of the movement (Violeta Parra, Víctor Jara, Patricio Manns, Quilapayún, Inti-Illimani, etc., in Chile; Daniel Viglietti, Alfredo Zitarrosa, Los Olimareños, etc., in Uruguay; Atahualpa Yupanqui, Horacio Guarany, Mercedes Sosa, Marian Farías Gómez, Armando Tejada Gómez, César Isella, Víctor Heredia, Los Trovadores, etc., in Argentina) are highlighted; and some of the most important conceptual extended oeuvres of the period (called "cantatas") are analyzed (such as "La Cantata Popular Santa María de Iquique" in the Chilean case and "Montoneros" in the Argentine case). The contributors to the collection deal with the complex relationship that the aesthetic of the movement established between the political content of the lyrics and the musical and performative aspects of the most popular songs of the period.
