Penelope Ward

The Assignment Penelope Ward, 2022-02-28 From New York Times bestselling author Penelope Ward, comes a new standalone novel. Reasons why I should not be drawn to Troy Serrano. Number one: He's obnoxious. Number two: He and I were enemies over a decade ago in high school. Number three: He's my friend's ex-boyfriend. I could go on and on, really. When my boss gives me an unwanted assignment and tells me it involves spending time with the grandson of one of our residents—the grandson turns out to be Troy. He's now as successful as he is undeniably handsome. Lucky me. Four hours a week of having to deal with his insufferable personality and unsolicited advice. The only consolation is getting to stare at his annoyingly gorgeous face in between our many arguments. Eventually, though, we slowly warm to each other and our outings become something I actually look forward to. What's happening to me? Apparently, I misunderstood the assignment, because it certainly didn't include thinking about Troy when I close my eyes at night, imagining what it would be like with him—just once. All the while hating myself for fantasizing about a guy who's all wrong for me. A guy whose car I keyed back in the day. (Long story, but he deserved it.) That's all this is—a fantasy. Well, until that one night at the bar. The night Troy and I run into each other, and all of our pent-up frustration comes barreling out. Still, I refuse to accept that it means anything. There's no way the guy I'm supposed to hate is also the one I can't live without.

Love Online Penelope Ward, 2018-08-27 From New York Times bestselling author Penelope Ward, comes a new, sexy standalone novel. We met in the least likely of places. It started out innocently enough. I was "ScreenGod" and she was "Montana," but of course, those weren't our actual names, just the virtual cloaks we hid behind. Logging in at night and talking to her was my escape—my sanctuary. Her real name was Eden, I'd soon come to find out. From the first time we connected online, I found myself transfixed. She was an addiction. At first, we knew nothing about each other's real identities...and she was adamant that we keep things that way. Anonymity had no effect on our unstoppable chemistry, though. If anything, it allowed us to open up even more in ways we may not have otherwise. Eden was funny, intelligent, gorgeous—everything I'd ever wanted in a woman. But I couldn't really have her. I had accepted things would have to stay the way they were—until the day I found a clue that led me straight to her. So I took a chance. And that was when our love story really began.

Sins of Sevin Penelope Ward, 2015-09-19 From the New York Times bestselling author of RoomHate, comes a new

forbidden STANDALONE romance. What happens when the one you want is the only one you can't have? It was set in stone. After years of rebelling against everything good and wholesome, I'd agreed to an arranged marriage as part of a business proposition. Elle and I hadn't spent any time together, though, aside from talking on the phone. After a long-distance relationship, I planned to move into a guesthouse on her family's property so we could get to know each other before the wedding. Elle was unlike anyone I'd ever been with. She was so innocent, and I had to respect her choice to wait until after we were married to have sex. In the months before moving, I'd accepted that as my fate--even learned to control my desires. Until I got there and met her...the one. That was when restraint became a problem...especially since "the one" wasn't Elle. It was her sister, Evangeline. For the first time in my life, I was falling in love. And I was screwed.

Gemini Penelope Ward, 2013-05-21 New York Times Bestselling author Penelope Ward's debut novel. A sexy standalone with a shocking twist you won't see coming... Diner waitress Allison Abraham had no idea her mundane life was about to dramatically change the day she serves a devastatingly handsome customer. Allison is immediately captivated by the mysterious man who stared through her soul with his electric blue eyes. After he abruptly leaves the restaurant, she can't get him out of her head. She has no idea that he had actually come on a mission to find her. Cedric Callahan wasn't expecting to fall in love at first sight with the pretty waitress he'd set out to find. In fact, she was the last woman on Earth he should be having feelings for. But his selfish heart had other plans. Feeling compelled to know her before revealing himself, he makes her believe their meetings are coincidental. After a passionate romance is ignited, Cedric's lies and secrets are finally revealed, changing both of their lives forever. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px Arial; color: #323333; -webkit-text-stroke: #323333} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px Arial; color: #323333; -webkit-text-stroke: #323333; min-height: 16.0px} span.s1 {font-kerning: none}

The Anti-Boyfriend Penelope Ward , 2020-08-31 From New York Times bestselling author Penelope Ward, comes a new standalone novel. At first, my neighbor Deacon frustrated me. Sure, he was great-looking and friendly. But our walls were thin, and on occasion, he'd bring women to his place and keep me awake while he "entertained" them. As a single mother to an infant, I didn't appreciate it. So, finally it was my turn. When my daughter wouldn't stop wailing one night, Mr. Manwhore came knocking on my door. Miraculously, at the sound of his voice, Sunny stopped crying. And when he held her...she eventually fell asleep in his arms. Deacon was rough on the exterior, but apparently on the inside? Mr. Single-and-Ready-to-Mingle was a baby whisperer. After that night, we became friends. He'd go for coffee runs. Come over to chat. Normal friend stuff. But over time, our conversations ran deeper. We got closer. Until one night we crossed the line. Our friendship turned into a complicated mess. I'd gone and fallen for a guy who'd sworn off commitment and kids. I knew Deacon was starting to care for me too, even though Sunny and I didn't fit into any plan he'd ever imagined for himself. He was wrong for me—so wrong that I'd dubbed him the "anti-boyfriend." Then why did I wish more than anything that I could be the one woman to

change him?

The Aristocrat Penelope Ward ,2021-08-30 From New York Times bestselling author Penelope Ward, comes a new standalone novel. The one that got away. Every girl has one, right? Mine was a charming, British aristocrat who turned my world upside down one summer. From the moment I first spotted Leo in the distance through my binoculars, I'd been captivated. I certainly never expected to find a man showering outside of the property across the bay in his birthday suit. Then I noticed his housemate staring back at me with binoculars of his own—watching me watching Leo. That made for an interesting conversation starter when I inevitably ran into them. Turned out, the handsome Brits were only renting that house for the summer in my seaside town. Leo and I formed an instant connection, even though we were technically opposites by all appearances. I taught him how to dig for clams, and he taught me that not all wealthy and powerful guys are pretentious. Despite knowing he was totally wrong for me, I couldn't seem to stay away. It was a wild and crazy few months. And before I knew it, we'd fallen in love. We both had one wish: more time together. But Leo had obligations back home. He lived a life I'd never fit into. And I was going to law school. So, we decided to end it and never look back. A part of me always felt like I'd let my soulmate walk away. I believed our story was over. Until five years later when he sent me a letter that shook me to my core. I'd thought my world was turned upside down that first summer? Well, I knew nothing yet.

Gentleman Nine Penelope Ward ,2018-02-19

Just One Year Penelope Ward ,2020-02-24 From New York Times bestselling author Penelope Ward, comes a new standalone novel. The beginning of my sophomore year in college was off to a rough start. On the first day of orientation, I had an altercation with an infuriating British dude in a campus bathroom. (The ladies' room was out of order. So, I used the men's room. Don't judge.) I got home later that night and realized that the foreign student we were expecting to rent a room in my parents' house was allergic to our cat. So, the spare room went to someone else: Caleb—the British guy from the men's room. And so it began...my love-hate story with Caleb Yates. Or was it hate-love in that order? The guy knew how to push every one of my buttons. Sometimes I'd email him to express my aggravation and disdain. He'd actually rewrite my own words and send them back to me. That was the type of infuriating person Caleb was. So frustrating. And... Sometimes incredibly funny and endearingly sweet. And hot. He eventually grew on me, and Caleb soon became one of my best friends that year. Too bad he was headed back to England soon, so nothing could happen between us—for so many reasons. I definitely couldn't fall in love with him, especially since all we had was just one year.

The Drummer's Heart Penelope Ward ,2025-02-24 A new, standalone, second-chance romance from New York Times bestselling author Penelope Ward.

My Skylar Penelope Ward,2014-06-10 A USA TODAY bestseller. From New York Times bestselling author Penelope Ward comes an epic standalone, friends-to-lovers story...with a jaw-dropping twist you won't see coming. Skylar has been my best

friend since childhood, but I secretly pine for her. One thing after another has kept us apart, and I've spent the last decade in fear of losing her forever. Because of me, she left town. For years, I thought I'd never see her again. But now she's back...and living with him. I don't deserve her after everything I've put her through, but I can't live without her. This is my last chance, because she's about to make the biggest mistake of her life. I can see it her eyes: she doesn't love the man she's set to marry. She still loves me...which is why I have to stop her before it's too late. A STANDALONE novel. Standalone Books in the Jake Series: Jake Undone (Jake #1) My Skylar (Jake #2) Jake Understood (Jake #3)

Roomhate Penelope Ward, 2025 Sharing a summer house with a hot-as-hell roommate should be a dream come true, right? Not when it's Justin the only person I'd ever loved who now hates me. When my grandmother died and left me half of the house on Aquidneck Island, there was a catch: the other half would go to the boy she helped raise. The same boy who turned into the teenager whose heart I broke years ago. The same teenager who's now a man with a hard body and a hardass personality to match. I hadn't seen him in years, and now we're living together because neither one of us is willing to give up the house. The worst part? He didn't come alone. I'd soon realize there's a thin line between love and hate. I could see through that smug smile. Beneath it all the boy is still there. So is our connection. The problem is now that I can't have Justin, I've never wanted him more--

The Crush Penelope Ward, 2021-02-22 From New York Times bestselling author Penelope Ward, comes a new standalone, second-chance story of forbidden love... It's natural to want the one you can't have. And for as long as I could remember, I'd secretly wanted my brother's best friend, Jace. He was six years older and always treated me like the sister he never had. Fast forward a decade. We were all in our twenties now. Jace had moved in with my brother, Nathan, and me to help us make ends meet after our parents died. It was just the three of us—an odd family dynamic. Living under our roof, Jace was as bossy and protective as ever. But he certainly didn't look at me like a sister anymore. That was what made things so complicated. I was pretty much hot and bothered twenty-four-seven. And he was torn. The signs were subtle, at first. Like on movie night, I'd casually rest my leg against his, and he wouldn't exactly shift away. Still, I assumed he would never...go there. Nathan would kill us. The knowledge of that wasn't enough to stop the inevitable, though. Eventually our slow burn exploded. But more than the physical attraction, we'd developed a strong connection. We just couldn't get caught, right? That sounded simple. Until it wasn't. This is a story of forbidden love, broken trust, and an unexpected second chance.

Hate Notes Vi Keeland, Penelope Ward, 2018 A love letter sewn into a wedding gown ignites a scorching romance between a down-on-her-luck sculptor and an arrogant real estate heir.

The Day He Came Back Penelope Ward, 2019-08-19 From New York Times bestselling author Penelope Ward, comes a new standalone novel. It was the summer of my life. I'd met the guy of my dreams. Unfortunately, he was the son of my uppity employer—and very much off-limits. But Gavin was a rebel. He knew his mother would disown him if she found out about us; in

his eyes, we just had to be careful. He never treated me as his mother did—like hired help. Instead, Gavin put me on a pedestal and loved me harder than I'd ever been loved in my life. What a summer it was. Until it all ended badly. I was never supposed to see Gavin again. That didn't stop me from thinking about him every day for ten years. I knew little about his life now, just that he was an entrepreneur living an ocean away. When a twist of fate had me working again in the very place our love affair started a decade earlier, I knew it was only a matter of time before I might see him again. But I wasn't prepared. What if he hated me? What if he loved someone else now? I wasn't prepared for all the unknowns. And most of all, I wasn't prepared for today to be the day he came back.

Mack Daddy Penelope Ward, 2017-02-11

Stuck-Up Suit Vi Keeland, Penelope Ward, 2019-12-17

Mister Moneybags Vi Keeland, Penelope Ward, 2019-12-17 I met Bianca in an elevator. She was on her way to interview me when we got stuck. The beautiful raven-haired reporter assumed I was a delivery guy because of the way I was dressed. She had no clue I was really Dex Truitt, the wealthy, successful businessman she'd dubbed Mister Moneybags—her afternoon appointment. Bianca told me how much she hated Dex's type—snobby, over educated, silver-spooned men who didn't appreciate the simple things in life. So, after the elevator finally started moving again, I cancelled the interview and let her believe I was someone I wasn't—a bike messenger named Jay. I loved the way she looked at the fake me and didn't want it to end. I began dating her as Jay—all the while letting her interview the real me over email. I didn't expect that our chemistry online would be just as hot. I didn't expect the mess I'd gotten myself into. I didn't expect that Jay and Dex would fall in love with her. And she was falling for two men. Only, both men were me. And when she found out, we were both going to lose her. Nothing could have prepared me for that day. And I certainly wasn't prepared for what came after. All good things must come to an end, right? Except our ending was one I didn't see coming.

Well Played Vi Keeland, Penelope Ward, 2021-10-25 From New York Times Bestselling authors Vi Keeland and Penelope Ward comes a new, sexy standalone novel. It all started with a bet. When my young son inherited half of his great grandfather's historic inn, I decided to move us both to the place where I grew up. Notice I said half of the Inn. The other half now belonged to Levi Miller, the famous quarterback who had other ideas about what we should do with the property. We won't mention that I accidentally injured him during our first meeting, causing him to get eight stitches. You could say we got off on the wrong foot. We bickered a lot as we both moved into the property while we figured things out. He wanted to unload the rundown place which, admittedly, needed a lot of work. I wanted to restore The Palm Inn to its original beauty and re-open it as a bed and breakfast. We couldn't agree on anything. So Levi made me a proposal. One he thought I would surely lose. If I could sell out the place by the time he had to leave for training at the end of summer, he would back off and let me run it. But in the weeks that followed, we got more than we bargained for while we were living under the same roof.

Levi and I got closer, and before I knew it, my nightly fantasies about the brawny Adonis became a reality. Not to mention, he was so great with my son. We were in over our heads in more ways than one. Because not only was he the last man on Earth I should be falling for because of our deal, but Levi was also my ex's older brother. And now the inn was the least of my problems.

I Could Never Penelope Ward, 2023-08-21 From New York Times bestselling author Penelope Ward comes a new forbidden, enemies-to-lovers story... It all started with an unexpected phone call. Two years after my fiancé passed away in an accident, his father died suddenly, leaving Brad's adult, special-needs brother with no one to care for him. The next thing I knew, I was on a cross-country drive to New Hampshire where I'd be moving in to look after Scottie until I could get him into a group home. The last thing I ever expected? I wouldn't be taking care of him alone. Josh Mathers, my fiancé's best friend—who also happened to be my sworn enemy—insisted he was the better person for the job. He told me to go back to California, and I told him where he could stick that demand. Our disdain for each other wasn't anything new. It dated back to a text I'd accidentally read years ago. We hated each other. But we both loved Scottie, so neither of us budged. Now we were living together in a tiny house—with one available bedroom. Thank goodness it was only temporary. Over time, I realized the broody jerk I thought I knew was different than I'd imagined. I found myself slowly growing attached to someone I once considered the enemy...and growing attracted to him. Sure, both of us were guilt-ridden over Brad. We were also two grown people with pent-up frustration toward one another—stuck in a cabin in the woods. But this was Josh. I could never.

When August Ends Penelope Ward, 2019-02-25 From New York Times bestselling author Penelope Ward, comes a new standalone novel. What do you do when a sexy, older man moves into your family's summer rental? Well, apparently, you make a fool of yourself—over and over. Things didn't exactly get off on the right foot with Noah Cavallari. Our first encounter was embarrassing, to say the least. But despite that, I found myself waking up every day with a newfound energy. Nothing exciting ever happened on the lake—not until Noah moved into the small boathouse on our property. He'd booked it for the entire summer...and I was still trying to figure out why. When my mother became ill, I inherited the responsibility of making sure our guests were well taken care of. I should have been finishing up college. Instead, I was living my best life...as a maid. Dark, handsome, and mysterious, everything about Noah screamed forbidden. I knew he was just passing through town for the summer. I knew he was probably a little old for me. Yet, I was drawn to him. Not to mention, he tried to save my life when he mistakenly thought I was drowning. I wanted him and made no secret of it. His own attempts to warn me away soon gave way to late-night moonlight chats by the lake. We were slowly easing into a friendship that was gearing up to explode into something I might not recover from. Because he's leaving at the end of the summer. And I have no idea what I'll do when August ends.
