

Love Me Or Leave Me Lyrics

Agneta Pleijel

Ella Fitzgerald J. Wilfred Johnson, 2001-01-01 Ella Fitzgerald was one of America's greatest jazz singers. This volume is as complete a discography of her recorded songs as currently seems possible to compile. This volume also contains a complete discography (1927-1939) for drummer and bandleader Chick Webb, with whom Ella began her recording career in 1935. Part One includes a chronological listing of all known recorded performances of both Chick Webb and Ella. Part Two gives the complete contents of Ella's LPs and CDs, including track listings, titles (with lyricists and composers) and timings. Part Three is an annotated alphabetical listing of all songs contained on all of Fitzgerald's records, with detailed information on each song's composer, lyricist, and history. Reviews of the movies in which Ella appeared and surveys of her career with the Decca, Verve and Pablo music companies are included. The book also has an index of album and CD recordings, and composers, lyricists and musicians.

Hit Songs, 1900-1955 Don Tyler, 2007-04-16 This is a chronology of the most famous songs from the years before rock 'n' roll. The top hits for each year are described, including vital information such as song origin, artist(s), and chart information. For many songs, the author includes any web or library holdings of sheet music covers, musical scores, and free audio files. An extensive collection of biographical sketches follows, providing performing credits, relevant professional awards, and brief biographies for hundreds of the era's most popular performers, lyricists, and composers. Includes an alphabetical song index and bibliography.

Later Lyrics Joseph Edwards Carpenter, 1878

The Complete Lyrics of Irving Berlin Robert Kimball, Linda Emmet, 2005-12 (Applause Books). Gathered together in one volume for the first time, here are all of the incomparable song lyrics of Irving Berlin the lyrics of more than 1,200 songs, 400 of which have never before appeared in print along with anecdotal, historical, and musicological commentary and dozens of photographs. Berlin came from a poor immigrant family and began his career as a singing waiter, but by the time he was nineteen he was publishing his songs and quickly found fame with Alexander's Ragtime Band in 1911. In the extraordinary six decades that followed, Berlin wrote one popular hit after another: Blue Skies * Always * Cheek to Cheek * White Christmas * God Bless America * There's No Business Like Show Business * and many more. He also wrote a number of the classics of musical theater's Golden Age, climaxing with Annie Get Your Gun . He penned three Astaire and Rogers films Top

Hat, Carefree , and Follow the Fleet as well as the scores of Holiday Inn, Easter Parade , and other films. The breadth of his accomplishment is staggering.

Solo Standards for Piano Jeremy Siskind,2024-09-24 Eight arrangements of jazz standards from 1928 for serious jazz pianists. These arrangements incorporate the styles of pianists like Bill Evans, Erroll Garner, Hank Jones, Oscar Peterson, Robert Glasper, Chick Corea, Herbie Hancock, Tigran Hamasyan, Brad Mehldau, and more. The arrangements feature ballads, swing tunes, up-tempo swing, modern jazz, block chords, and stride piano. The book also includes access to a webpage with extra features include versions of the arrangements with chord symbols, high-quality videos of performances by the arranger, and videos of the arranger describing the pianistic techniques used in the arrangements. The book can be used for performance and for study. The tunes include: - Embraceable You - Mack the Knife - If I Had You - I Can't Give You Anything But Love - Softly As in the Morning Sunrise - Lover, Come Back to Me - Love Me or Leave Me - Sweet Lorraine

Music of the Great Depression William H. Young,Nancy K. Young,2005-02-28 Prior to the stock market crash of 1929 American music still possessed a distinct tendency towards elitism, as songwriters and composers sought to avoid the mass appeal that critics scorned. During the Depression, however, radio came to dominate the other musical media of the time, and a new era of truly popular music was born. Under the guidance of the great Duke Ellington and a number of other talented and charismatic performers, swing music unified the public consciousness like no other musical form before or since. At the same time the enduring legacies of Woody Guthrie in folk, Aaron Copeland in classical, and George and Ira Gershwin on Broadway stand as a testament to the great diversity of tastes and interests that subsisted throughout the Great Depression, and play a part still in our lives today. The lives of these and many other great musicians come alive in this insightful study of the works, artists, and circumstances that contributed to making and performing the music that helped America through one of its most difficult times. The American History through Music series examines the many different styles of music that have played a significant part in our nation's history. While volumes in this series show the multifaceted roles of music in our culture, they also use music as a lens through which readers may study American social history. The authors present in-depth analysis of American musical genres, significant musicians, technological innovations, and the many connections between music and the realms of art, politics, and daily life.

The American Popular Ballad of the Golden Era, 1924-1950 Allen Forte,1995 In this pathbreaking book, Allen Forte uses modern analytical procedures to explore the large repertoire of beautiful love songs written during the heyday of American musical theater, the Big Bands, and Tin Pan Alley. Covering the work of such songwriters as Jerome Kern, Irving Berlin, Cole Porter, George Gershwin, Richard Rodgers, and Harold Arlen, he seeks to illuminate this extraordinary music indigenous to America by revealing its deeper organizational characteristics. In so doing, he aims to establish it as a unique corpus of music that deserves more intensive study and appreciation by scholars and connoisseurs in the broader fields of

American popular music and jazz. Expressing much of the traditional tonality associated with European music in the eighteenth and nineteenth centuries, the love songs of the Golden Age are shown to draw on a rich variety of elements--popular harmony, idiomatic lyric-writing, and Afro-American dance rhythms. His analyses of such songs as Embraceable You or Yesterdays in particular exemplify his ability to convey the sublime, unpretentious simplicity of this great music.

The Complete Lyrics of Johnny Mercer Johnny Mercer, Robert Kimball, Barry Day, Miles Kreuger, Eric Davis, 2009-10-20 The seventh volume in Knopf's critically acclaimed Complete Lyrics series, published in Johnny Mercer's centennial year, contains the texts to more than 1,200 of his lyrics, several hundred of them published here for the first time. Johnny Mercer's early songs became staples of the big band era and were regularly featured in the musicals of early Hollywood. With his collaborators, who included Richard A. Whiting, Harry Warren, Hoagy Carmichael, Jerome Kern, and Harold Arlen, he wrote the lyrics to some of the most famous standards, among them, "Too Marvelous for Words," "Jeepers Creepers," "Skylark," "I'm Old-Fashioned," and "That Old Black Magic." During a career of more than four decades, Mercer was nominated for the Academy Award for Best Song an astonishing eighteen times, and won four: for his lyrics to "On the Atchison, Topeka, and the Santa Fe" (music by Warren), "In the Cool, Cool, Cool of the Evening" (music by Carmichael), and "Moon River" and "Days of Wine and Roses" (music for both by Henry Mancini). You've probably fallen in love with more than a few of Mercer's songs--his words have never gone out of fashion--and with this superb collection, it's easy to see that his lyrics elevated popular song into art.

America's Songs Philip Furia, Michael Lasser, 2006-05-12 America's Songs tells the stories behind the most beloved popular songs of the last century. We all have songs that have a special meaning in our lives; hearing them evokes a special time or place. Little wonder that these special songs have become enduring classics. Nothing brings the roarin '20s to life like Tea for Two or I'm just Wild About Harry; the Great Depression is evoked in all of its pain and misery in songs like Brother Can You Spare a Dime?; God Bless America revives the powerful hope that American democracy promised to the world during the dark days of World War II; Young at Heart evokes the postwar optimism of the '50s. And then there are the countless songs of love, new romance, and heartbreak: As Time Goes By, Always, Am I Blue...the list is endless. Along with telling the stories behind these songs, America's Songs suggests, simply and succinctly, what makes a song great. The book illuminates the way each great song melds words and music - sentiment and melody - into a seamless whole. America's Songs also traces the fascinating but mysterious process of collaboration, the give-and-take between two craftsmen, a composer and a lyricist, as they combined their talents to create a song. For anyone interested in the history of the songs that America loves, America's Songs will make for fascinating reading.

The Answering Voice Sara Teasdale, 1928

Queer Arrangements Lisa Barg, 2023-10-03 Winner of the 2024 Philip Brett Award, sponsored by the LGBTQ Study Group

of the American Musicological Society (AMS) Honorable Mention for the 2025 Woody Guthrie Award The legacy of Black queer composer, arranger, and pianist Billy Strayhorn (1915–1967) hovers at the edge of canonical jazz narratives. *Queer Arrangements* explores the ways in which Strayhorn's identity as an openly gay Black jazz musician shaped his career, including the creative roles he could assume and the dynamics between himself and his collaborators, most famously Duke Ellington, but also iconic singers such as Lena Horne and Ella Fitzgerald. This new portrait of Strayhorn combines critical, historically-situated close readings of selected recordings, scores, and performances with biography and cultural theory to pursue alternative interpretive jazz possibilities, Black queer historical routes, and sounds. By looking at jazz history through the instrument(s) of Strayhorn's queer arrangements, this book sheds new light on his music and on jazz collaboration at midcentury.

Musicals in Film Thomas S. Hischak, 2016-11-07 This wide-ranging guide introduces (or reintroduces) readers to movie musicals past and present, enabling them to experience the development of this uniquely American art form—and discover films they'll love. This comprehensive guide covers movie musicals from their introduction with the 1927 film *The Jazz Singer* through 2015 releases. In all, it describes 125 movies, opening up the world of this popular form of entertainment to preteens, teens, and adults alike. An introduction explains the advent of movie musicals; then, in keeping with the book's historical approach, films are presented by decade and year with overviews of advances during particular periods. In this way, the reader not only learns about individual films but can see the big picture of how movie musicals developed and changed over time. For each film covered, the guide offers basic facts—studio, director, songwriters, actors, etc.—as well as a brief plot synopsis. Each entry also offers an explanation of why the movie is noteworthy, how popular it was or wasn't, and the influence the film might have had on later musicals. Sidebars offering brief biographies of important artists appear throughout the book.

A Fortune Foretold Agneta Pleijel, 2017-06-13 Agneta Pleijel writes a painful yet humorous autobiographical novel about childhood in the aftermath of World War II. A prophecy is received by a beloved aunt, a prophecy that her young niece eagerly waits to see fulfilled. The story takes place in the 1950s in the suburbs of Stockholm, in the university town of Lund, and in the United States. Neta's childhood is in disarray. She reads—words give form to the vagueness of existence—and is busy thinking about the female sex, family, and the stupendous diversity of people in the world. Her father, a mathematician, and her mother, a musician, are in constant conflict, but she loves them both. Gradually Neta realizes that she's grown up in a lie and that she must step carefully through the war zone of her parents' marriage. This is an insightful tale about the search for truth, morality, and a place of your own in the world.

Show Tunes Steven Suskin, 2010-03-09 *Show Tunes* fully chronicles the shows, songs, and careers of the major composers of the American musical theatre, from Jerome Kern's earliest interpolations to the latest hits on Broadway. Legendary composers like Gershwin, Rodgers, Porter, Berlin, Bernstein, and Sondheim have been joined by more recent songwriters like Stephen Schwartz, Stephen Flaherty, Michael John LaChiusa, and Adam Guettel. This majestic reference book covers their work, their innovations, their successes, and their failures. *Show Tunes* is simply the most comprehensive volume of its kind ever produced, and this newly revised and updated edition discusses almost 1,000 shows and 9,000 show tunes. The book has been called a concise skeleton key to the Broadway musical (*Variety*) and a ground-breaking reference work with a difference (*Show Music*)-or, as the *Washington Post* observed, It makes you sing and dance all over your memory. The eagerly anticipated Fourth Edition, updated through May, 2009, features the entire theatrical output of forty of Broadway's leading composers, in addition to a wide selection of work by other songwriters. The listings include essential production data and statistics, the most extensive information available on published and recorded songs, and lively commentary on the shows, songs, and diverse careers. Based on meticulous research, the book also uncovers dozens of lost musicals-including shows that either closed out of town or were never headed for Broadway-and catalogs hundreds of previously unknown songs, including a number of musical gems that have been misplaced, cut, or forgotten. Informative, insightful, and provocative, *Show Tunes* is an essential guide for anyone interested in the American musical.

Rhythm and Blues Goes Calypso Timothy Dodge, 2019-03-15 Starting in 1945 and continuing for the next twenty years, dozens of African American rhythm and blues artists made records that incorporated West Indian calypso. Some of these recordings were remakes or adaptations of existing calypsos, but many were original compositions. Several, such as "Stone Cold Dead in de Market" by Ella Fitzgerald and Louis Jordan or "If You Wanna Be Happy" by Jimmy Soul, became major hits in both the rhythm and blues and pop music charts. While most remained obscurities, the fact that over 170 such recordings were made during this time period suggests that there was sustained interest in calypso among rhythm and blues artists and record companies during this era. *Rhythm and Blues Goes Calypso* explores this phenomenon starting with a brief history of calypso music as it developed in its land of origin, Trinidad and Tobago, the music's arrival in the United States, a brief history of the development of rhythm and blues, and a detailed description and analysis of the adaptation of calypso by African American R&B artists between 1945 and 1965. This book also makes musical and cultural connections between the West Indian immigrant community and the broader African American community that produced this musical hybrid. While the number of such recordings was small compared to the total number of rhythm and blues recordings, calypso was a persistent and sometimes major component of early rhythm and blues for at least two decades and deserves recognition as part of the history of African American popular music.

FAQs About Love Me Or Leave Me Lyrics Books

What is a Love Me Or Leave Me Lyrics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document,

regardless of the software, hardware, or operating system used to view or print it. **How do I create a Love Me Or Leave Me Lyrics PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Love Me Or Leave Me Lyrics PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Love Me Or Leave Me Lyrics PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG,

etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Love Me Or Leave Me Lyrics PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out

forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
