Who's My Lover Tawana Charles, 2013-10-28 16-year-old Jesse McKnight is on a crazy adventure. Isolated from people she once cared about, Jesse is on the verge of finding herself again. Who's My Lover is a contemporary love story circled around Jesse, who has fallen in love with three guys. She was a laughing stock among her classmates, losing sight of who she was. She changed her image as a sign of rebellion, brutally mocked from former friends and family. But all that suddenly change. Three boys changed her outlook on love, assuring her there's more to her than her intelligence and that beauty comes from within. Who will she choose to be her knight and shining armor?

The Lover Marguerite Duras, 2011-07-06 An international best-seller with more than one million copies in print and a winner of France's Prix Goncourt, *The Lover* has been acclaimed by critics all over the world since its first publication in 1984. Set in the prewar Indochina of Marguerite Duras's childhood, this is the haunting tale of a tumultuous affair between an adolescent French girl and her Chinese lover. In spare yet luminous prose, Duras evokes life on the margins of Saigon in the waning days of France's colonial empire, and its representation in the passionate relationship between two unforgettable outcasts. Long unavailable in hardcover, this edition of *The Lover* includes a new introduction by Maxine Hong Kingston that looks back at Duras's world from an intriguing new perspective--that of a visitor to Vietnam today.

Tenor of Love Mary di Michele, 2007-11-01 A NOVEL OF PASSION AND BETRAYAL, ART AND AMBITION BASED ON THE LIFE OF ONE OF THE GREATEST OPERA SINGERS OF ALL TIME One summer day in 1897, a young singer, Enrico Caruso, arrives at the home of the Giachetti family. He has come to Livorno to sing on the summer stage with Ada Giachetti,

a famous and beautiful soprano. Ada's mother offers him a spare room, and before Ada herself has a chance to meet the unknown tenor, her younger sister, Rina, arrives home from the market and falls fatefully in love. With the help of singing lessons from Ada, Caruso wins the leading role in Puccini's new opera *La Bohème*. Although Caruso loves Rina, it is Ada he adores, and they soon become lovers. Heartbroken, Rina becomes an opera singer too, hoping to take her sister's place. For decades, the two sisters are locked in a struggle to be the star on Caruso's stage and in his bed, while Caruso's voice grows more and more unimaginably beautiful. But as his relations with the two sisters break down in scandal and tragedy, the now world-famous Caruso builds a new life for himself as the star of the Metropolitan Opera in New York. There, far from the drama and passion of Caruso's Tuscan life, a shy young American woman will win his heart and, taking the greatest leap of faith of all, supplant Ada and Rina as his one true love.

My Lover's Resolve (Blossoming of Fate 2) Rosa Swann,2021-03-10 Two young mates agree to stay away from each other, but when they break that promise, everything falls apart... Destin I wasn't supposed to see Seb for four years. That was the only plan we could come up with to keep us both safe, so he can finish his degree and I can work my way up at my Omega father's company. Two weeks in, I can't stand our separation any longer and impulsively go visit him anyway. Not being able to see him was hard enough when we were best friends, but now that we know we're mates, I really can't stay away from him... I've tried, but I can't do it. Seb I know that I should send him away, I really should. But when Destin suddenly appears at the apartment, looking as troubled as I feel, I don't have the strength to do it. Seeing him makes me feel alive for the first time in weeks and I don't want to let go of that sensation. Mia won't let us stay in the apartment for the weekend, since she knows about Destin and me, and we're not allowed to have mates sleep over. So we sneak away to a holiday park, hoping to spend a relaxing weekend together and come up with a better plan than trying to stay away from each other, which obviously isn't working. Only, the weekend isn't as relaxing as I'd hoped and things get much, much more complicated quickly... This is the second novella about Alpha Destin and Omega Seb in *Blossoming of Fate*, which takes place in the non-shifter Omegaverse Mates World and contains mpreg (male-pregnancy). This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author).

She believes her exceptional beauty hinders people from seeing her for who she is. Men from all over the world have pursued her, marveled at her, and showered her with money and jewels. Gayle became sufficient at recognizing men who are not who they profess to be. By her having this unusual ability to discern fakes, she decides to wait for the type of man she wants. This one special quality, if a man possess it, will be the perfect man for her. She will pray for that special man to come along.

Urith A Tale of Dartmoor S. Baring Gould, 2025-06-17 Urith: A Tale of Dartmoor by S. Baring Gould invites readers into a world steeped in the rugged beauty and rich folklore of Dartmoor, an enchanting region of England known for its turbulent landscapes and captivating legends. Setting the stage for an intricate tale, Gould weaves together the essence of Dartmoor legends and the life of Urith, a young woman whose journey encompasses adventure, love, and the trials of existence. Faced with the dual storms of nature and societal expectation, Urith becomes a symbol of resilience and hope. From the very first pages, readers find themselves immersed in the lush depictions of the English countryside, where the moors breathe life into the narrative. Urith's spirit is reflective of the land around her; wild, beautiful, and occasionally haunting. As she navigates her youthful innocence amidst the harsh realities of Victorian society, her confrontation with the elements becomes a metaphor for the struggles of life itself. Urith is not only a character but a representation of nature's untamed spirit, a reflection of the adventure and intrigue that await within the pages of this timeless tale. The novel intricately explores themes of love and loss, revealing Urith's deep connections with those around her. Relationships are tested, and the ties of family heritage are examined, leading characters toward emotional depths that resonate with readers across generations. Hallucinatory glimpses into local culture highlight the emotional textures of the story, allowing the landscape and characters to intertwine seamlessly. Gould's heavy emphasis on strong, relatable characters showcases how love can thrive even in the face of dire circumstances. Readers will encounter a vibrant cast of individuals who traverse the moors alongside Urith, each with their own hopes, dreams, and burdens. The emotional complexity of their stories creates a compelling backdrop against which Urith's own narrative unfolds. As the challenges she faces grow increasingly daunting, Urith becomes indomitable, embodying the resilient characters that populate Gould's literary world. This emotional journey through love and withstanding adversity leads to a catharsis that speaks to every human heart. Gould expertly embeds motifs of nature and beauty throughout the novel, utilizing Dartmoor's tempestuous weather and harsh landscapes not just as a backdrop but as pivotal elements that influence character development. The struggle against the elements becomes a journey inward, as Urith discovers the strength of her spirit and the essence of her place in the world. The rich narrative unfolds to reveal a

nuanced perspective on life challenges and the enduring bonds of community, culminating in a reflection on what it means to belong to a land and a heritage. *Urith: A Tale of Dartmoor* is a brilliantly rendered narrative that captures the depth of human experience against the backdrop of a breathtaking landscape. S. Baring Gould's masterful storytelling breathes life into the mystery in the moors, creating a journey that resonates long after the final page is turned. This is a story that weaves together the threads of heartache, joy, struggle, and triumph, leaving readers spellbound by the beauty and complexity of both its characters and their surroundings. Perfect for fans of historical romance and those who appreciate the powerful connection between people and place, this book is an invitation to step into Urith's world and experience the richness of human emotions intertwined with the spellbinding Dartmoor.
