Humor for a Sister's Heart Howard Books,2007-08-17 Celebrate the Bond of Sisterhood When it comes to sisters, there's plenty to laugh about -- and this joyful book is filled with humorous stories about the special relationship that sisters share. Sisters share secrets, sorrows, success, and sometimes silliness. It's this sense of sharing that brings sisters so close -- and in that closeness, there are all kinds of reasons to laugh. You'll giggle and grin as you read stories from some of your favorite authors and comedians -- like Patsy Clairmont, Martha Bolton, Karen Scalf Linamen -- and new friends you'll delight in getting to know. Whether sisters by family, faith, or friendship, you'll find yourself -- and your sister -- reflected in stories of childhood antics, shopping trips, midnight heart-to-heart talks, and the many shared oops! of life. Whether for yourself or your sister, this cheerful infusion of humor will bring joy to a day that's dreary and giggles to one that's already glorious.

Like a Sister Kellye Garrett, 2022-03-08 In this crackling domestic suspense filled with wry humor and deft pacing (Alyssa Cole), no one bats an eye when a Black reality TV star is found dead—except her estranged half-sister, whose refusal to believe the official story leads her on a dangerous search for the truth. Edgar Award Finalist for Best Novel • Anthony Award winner for Best Hardcover Novel • Lefty Award winner for Best Mystery Novel • A Book of the Month Club Pick • An Oxygen Book Club Pick • A Today Show Spring Fiction Pick • A New York Post Best New Book of the Week • A New York Public Library Best Book of the Year • A South Florida Sun-Sentinel Best Mystery of the Year • A CrimeReads Best Psychological Thriller of the Year “A mystery that has everything I love most: an intriguing set up; an absorbing storyline that kept me guessing; a satisfying ending; and, most of all, incredibly well-developed characters I kept thinking about long after I finished the book.” —Jasmine Guillory, Today Show “I found out my sister was back in New York from Instagram. I found out she’d died from the New York Daily News.” When the body of reality TV star Desiree Pierce is found on a playground in the Bronx the morning after her twenty-fifth birthday party, the police and the media are quick to declare her death an overdose. A tragedy, certainly, but not a crime. Yet Columbia grad student Lena—principled, headstrong, and allergic to the spotlight—knows that can’t be the case. Despite the bitter truth that the two hadn’t spoken in two years, they were half-sisters. Lena knew Desiree. And Desiree would never travel above 125th Street. Something is very wrong with the facts. So why is no one listening? While the two sisters had been torn apart by Desiree’s partying and by their difficult father, Lena becomes determined to find justice for Desiree. Even if that means untangling her family’s darkest secrets—or ending up dead herself. “A briskly plotted, socially astute thriller.” —Los Angeles Times “Equal parts charm and heartbreak, with razor-sharp insights on class, race, and family.” —Laura Lippman “Dishes up the glitz of the haves and the struggles of the have-nots, infusing classic noir storytelling with Big Apple glamour—#pageturner.” —Oprah Daily “A twisty murder mystery with nuance and heart.” —BookPage “Noir for the media-struck generation...Original and witty.” —National Public Radio

Islamic Sisterhood Etsuko Maruoka-Donnelly, 2019-01-24 Muslims have been major targets of hate crimes and discrimination in the US since 9/11. Anti-Muslim resentment increased again after Donald Trump won the U.S. presidency and revitalized far-right politics. In this hostile environment, why do many young Muslim women choose to wear a headscarf and publicly display their Islamic identity? This book unravels this puzzle by drawing on sociological insights and three years of ethnographic study with Muslim adolescents in New York during the post-9/11 backlash. It finds that young, American-born Muslim women choose to cover their hair and bodies not simply out of spiritual devotion to Islamic fundamentalism, but also, and primarily, to cope with social adversity rooted in sexism, racism, and patriarchy in both their ethnic community and the larger Western society. This book will appeal to scholars, students and other readers interested in the Muslim diaspora, gender, race and ethnicity, youth, immigration, and social movements.

Without question, the small-town preacher's daughter adopted the beliefs and morals of her Christian upbringing. But when Jewel violated her conscience and agreed to sing backup for Rett's band at a bar, it changed the trajectory of her future. With honeyed words, Rett lured her further from her family and godly values into a world of stardom shrouded in lies, deceit, and ultimate betrayal. As she rose to fame, the one who had vowed to love, honor, and cherish her became her greatest enemy. Under dire circumstances, Jewel summoned the courage to go home, only to find she did not run far enough. Disappointed and heartbroken, she ran further, becoming estranged from her family. When tragedy struck the Westin household, Jewel had to risk unveiling the biggest secret of her life to be there for her family. Would this be enough to reset the course of her life?

Monthly Entries for the Spiritual but not Religious through the Year Mark G. Boyer,2022-08-30 This is a book about spirituality for the spiritual but not religious. Those who identify themselves as spiritual but not religious make up one quarter of the population in the United States. This book provides 189 monthly entries based on the national and international celebrations that occur every month. Each entry begins with the name of the occasion and the date when it is marked during the month. A text from the Bible, a US public law, a presidential proclamation, a United Nations declaration, etc. that illustrates the day is presented. The text is followed by a reflection which gleans the spirituality from the text and provides historical background on the day being celebrated. Journal/meditation questions follow the reflection, and a prayer concludes the entry. This book is for the spiritual but not religious, a practice of spirituality that does not regard organized religion as a valuable means to further interior spiritual growth. A section of the introduction to the book explores who the spiritual but not religious are and presents the common themes that surface from research about them.
