**If the World Only Knew** Jason T. Beck, 2021-04-11 You've heard the phrases: You get what you give, it's karma, out of the blue, what goes around comes around, and so on. In *If the World Only Knew*, author Jason T. Beck teaches you the true meaning and fundamentals behind these phrases as well as others, and he shares the universal intelligence that co-creates, guides, and governs our reality and existence. Focusing on truth, Beck discusses the truth about who we really are as a people in relation to each other and the world in which we live. With the thousands of religions and orthodoxy belief systems, it's difficult to unite as a human species. *If the World Only Knew* shows how when we align with this one life force, God, or unified field of intention, everything changes. We can heal individually and collectively by understanding who we really are in the simplest forms. We can thrive in harmony and live a life of purpose and meaning by relinquishing the conflicting egos that have been conditioned for many years. Opening minds and inspiring change, Beck demonstrates how our attitudes and beliefs are the driving force of our actions. We need to align our actions with the unified field of intention to become the best version of ourselves for the greater good of mankind. If the world only knew, our world would be new.

EXCERPT FROM THE BOOK *The Secret* is a self-help book about the power of positive thinking by Rhonda Byrne. The book is based on a pseudo-scientific theory called the law of attraction the principle that like attracts like. Specifically, Byrne focuses on the idea that your dreams do in fact come true thinking about money and

wealth will attract these very things, causing them to manifest in your life. Likewise, fretting over a worst-case scenario will only cause your fears to be realized. Hence the importance of positive thinking. There are no accidents and bad luck. Instead Byrne writes, Your life right now is a reflection of your past thoughts. Throughout the book, Byrne intersperses quotes from proponents of the law of attraction, such as Jack Canfield, creator of the Chicken Soup for the Soul series. These experts believe the law to be supported by quantum physics, arguing that it is a law of nature like gravity. According to Byrne, the mind is a magnet, emitting and receiving frequencies to and from the Universe. Each thought sends out a signal, which in turn gathers similar frequencies due to the law of attraction before returning back to you. In this fashion, your mind can bring you anything you desire dream of a new house, and somehow, somehow, it will come to you. On the flip side, dwelling on war and poverty will only perpetuate these evils. Byrne even proposes that too much negative thinking can put you in the path of a natural disaster or terrorist attack. The rest of the book explores different methods of using the law of attraction to your advantage. The primary technique is ask, believe, receive. This process involves imagining what you desire and pretending that you already have it. For example, Byrne suggests filling out a fake check and pretending to buy all the things you've always wanted. Doing so, she says, will make you wealthy. Buy a copy to keep reading!

*The Chaos of the Prosperity Gospel* John Ntui-Abung, 2017-02-17 Over the years, John Ntui has written so many articles on Christian apologetics and defense from false teachers. On his journey, he became increasingly aware that Christianity is being ravaged by the prosperity gospels, so John decided, as a theologian and pastor, to confront the heresy of his age where Christianity is being reduced by a group of sophists to a mere meal ticket. He then decided to write in order to correct the influence of a defective Christianity in the minds of those who truly desire to know God. Join Pastor John on a ride to uncover the tricks of these false prophets who are ravaging the Gospel for their own gain and taking the lead of spreading the gospel from Africa to ends of the earth. Americans, in their quest for a flamboyant lifestyle, invented the prosperity gospels; and

Nigerians, consumed by their lust, are spreading it to the ends of the earth (John Ntui-Abung).

K.C. of a Thousand Trails Gay Paris Pratt, 2011-03-29 Have you ever wondered how one person could have crossed paths with you a convenient time in your life? Some people plan it out, methodically, from childhood. Others were born to serve a mission on earth from God that endures throughout their entire lifetime. My amazing cat, K.C., was one of these beings... Have you ever considered that God's animal beings have missions on earth, too? This is a true story of one such sentient being—in a cat suit—who was assigned by the angels to pounce upon an unsuspecting woman's life that was in shambles in a time when internet and smartphones did not exist. This cat helped save her from choosing death, and then devoted his entire life to transforming her into a better human being. This cat had a mission assigned from God. The mission was—me! This story is not to convince you, but rather to enlighten you as to the possibilities of the divine—along with the billions of internet cat and pet videos of people who are trying to share the good news of their intelligence: “animals have souls!” This

account is to serve as a comfort to anyone who has lost someone—be it your pet companion or human relation—to a serious illness. No one escapes the pain of heartbreak...but to endure such an obstacle course of anguish brings a light of lasting peace that will anchor your heart with joy that exists past this lifetime—being reunited again with beloved pets in the hereafter... It's called love.

A man gives his (securitive) love to a woman; a woman gives her (reproductive) love to a man. That is all there is. We don't need to concern ourselves about 'loving ourselves,' as if one could. Our only concern is to love our sexual other half. Do you hear this? Only the action of giving your love to your sexual other half will keep you in alignment to Source such that the Law of Attraction will work for you. Why is this so?
