The Land of Weddings and Rain Gediminas Lankauskas, 2015-01-15 In *The Land of Weddings and Rain*, Gediminas Lankauskas examines the components of the contemporary urban wedding - religious and civil ceremonies, "traditional" imagery and practices, and the conspicuous consumption of domestic and imported goods - in the context of the Western-style modernization of post-socialist Lithuania. Studying the tensions between "tradition" and "modernity" that surround this important ritual event, Lankauskas highlights the ways in which nationalism serves to negotiate the impact of modernity in the aftermath of state socialism's collapse. His analysis also shows the importance of consumption and commodification to Lithuania's ongoing "Westernization." Based on more than a decade of ethnographic research, *The Land of Weddings and Rain* is a fascinating account of the tensions - between national and transnational, East and West, and old and new - that shape life in post-socialist Eastern Europe.

What constitutes a southern writer is always a matter for debate. Editors Joseph M. Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region, in either a personal or literary sense. New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication, as well as older talents previously unknown or unacknowledged. For almost every writer found in the previous edition, a new biography has been commissioned. Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners, Southern Writers is an indispensable reference book for anyone intrigued by the subject.

Thomas Wolfe and Lost Children in Southern Literature Paula Eckard, 2024-01-12 “Paula Gallant Eckard not only explores the utterly teachable *The Lost Boy*, she also provides substantive and provocative readings of a wide variety of contemporary Southern fiction. Through her critical analysis and admirable focus on “lost” children and children suffering loss, Eckard examines how some contemporary writers provide new stories of the Civil War, the role of other wars in Southern lives, and the centrality of family.” —Margaret M. Bauer, Rivers Chair of Southern Literature at East Carolina University First published in 1937, Thomas Wolfe’s *The Lost Boy* gives name to the theme of lost children that has permeated much of southern literature and provides a template for telling their stories. In *Thomas Wolfe and Lost Children in Southern Literature*, which grew out of many years of teaching *The Lost Boy* and other works of southern literature, Paula Gallant Eckard uses Wolfe’s novel as a starting point to trace thematic connections among contemporary southern novels that are comparably evocative in their treatment of lostness. Eckard explores six authors and their works: Fred Chappell’s *I Am One of You Forever*, Mark Powell’s *Prodigals*, Kaye Gibbons’s *Ellen Foster*, Sue Monk Kidd’s *The Secret Life of Bees*, Bobbie Ann Mason’s *In Country*, Robert Olmstead’s *Coal Black Horse*, and Lee Smith’s *On Agate Hill*. Though each novel is unique and a product of its own time period, all the novels explored here are cast against the backdrop of the South during eras of conflict and change. Like *The Lost Boy*, these novels reflect a sense of history, a sense of loss associated with that history, and an innate love of story and narrative, as well as representations of work that historically have defined the lives of individuals and families throughout the South. In its artistic treatment of lostness, *The Lost Boy* creates a significant literary legacy. As Eckard demonstrates, that legacy continues in the form of these six contemporary authors who, in writing about the South, perpetuate Wolfe’s efforts as they also create or find the lost child in new ways. PAULA GALLANT ECKARD is an associate professor of English and the director of the American studies program at the University of North Carolina at Charlotte. She is the author of *Maternal Body and Voice in Toni Morrison, Bobbie Ann Mason, and Lee Smith*.

*What Southern Women Know (That Every Woman Should)* Ronda Rich, 2000-09-01 A Southern Belle Primer meets *The Rules* in this engaging volume that explains the mystique of Southern women and why they always get what they want, and shows women how to get the same kind of romantic, professional, and personal success.
