

Trifles One Act Play

Frederick Winthrop Faxon, Anne C. Sutherland

Trifles Susan Glaspell, 1924

Trifles Susan Glaspell, 1916

Trifles Susan Glaspell, 1951

Women Pulitzer Playwrights Carolyn Casey Craig, 2004-11-05 In the first century of the coveted Pulitzer Prizes, only 11 women have won the prize for drama: Zona Gale (1921), Susan Glaspell (1931), Zoe Akins (1935), Mary Coyle Chase (1945), Ketti Frings (1958), Beth Henley (1981), Marsha Norma (1983), Wendy Wasserstein (1989), Paula Vogel (1998), Margaret Edson (1999), and Suzan-Lori Parks (2002). This book is about them and their landmark plays, beginning with Gale's *Miss Lulu Bett*, which championed the unmarried woman forced to work in the home of a married relative, and closing with Parks' controversial *Topdog/Underdog*, which made her the first black woman to win the prize. Drawn from personal interviews with the playwrights and research from archives and unpublished material, this work shows how the stage art of women has reflected life in the American family and traces a strong thread of feminist history in our culture. Overview chapters set the stage for each playwright and play with sketches of the time period, highlighting the major points of women's experiences in culture, society and the family. Other chapters analyze each play in detail and discuss the playwright's life and opinions. The book also includes a quick history of the Pulitzer Prize and a chapter honoring black female playwrights.

Trifles Susan Glaspell, Hannah Wilson, 2014-06-16 Susan Glaspell's 'Trifles' is as relevant today as when it was first performed. It is a masterpiece of brevity, full of tension, and an incisive yet subtle attack on patriarchal society: an early feminist masterpiece.

Plays by American Women, 1900-1930 Judith E. Barlow, 2001 Traces the contributions of women to the American theater and offers the texts of five plays that deal with a sick child, a murdered husband, and family life

The Preparation, Production and Performance of Susan Glaspell's One-act Play, "Trifles" Lisa Yeargan, 1987

The Bookman's Manual Bessie Graham, 1928

The Magazine Subject-index, 1918 Contains the cumulation of the subject index issued in the quarterly numbers of the Bulletin of bibliography and magazine subject-index.

Annual Magazine Subject-index, 1918

Annual Magazine Subject-index Frederick Winthrop Faxon, Anne C. Sutherland, 1918 The Dramatic index for 1912-16, 1919-49 accompanied by an appendix: The Dramatic books and plays (in English) (title varies slightly). This bibliography was incorporated in the main list in 1917-18.

Wisconsin Library Bulletin ,1919

Unpunished Charlotte Perkins Gilman, 1997 Possibly the world's first feminist mystery--by the author of the best-selling *The Yellow Wallpaper*.

Vassar Quarterly ,1919

Staging America Jeffery Kennedy, 2023-01-24 A comprehensive history of the Provincetown Players and their influence on modern American theatre The Provincetown Players created a revolution in American theatre, making room for truly modern approaches to playwriting, stage production, and performance unlike anything that characterized the commercial theatre of the early twentieth century. In *Staging America: The Artistic Legacy of the Provincetown Players*, Jeffery Kennedy gives readers the unabridged story in a meticulously researched and comprehensive narrative that sheds new light on the history of the Provincetown Players. This study draws on many new sources that have only become available in the last three decades; this new material modifies, refutes, and enhances many aspects of previous studies. At the center of the study is an extensive account of the career of George Cram Cook, the Players' leader and artistic conscience, as well as one of the most significant facilitators of modernist writing in early twentieth-century American literature and theatre. It traces Cook's mission of "cultural patriotism," which drove him toward creating a uniquely American identity in theatre. Kennedy also focuses on the group of friends he calls the "Regulars," perhaps the most radical collection of minds in America at the time; they encouraged Cook to launch the Players in Provincetown in the summer of 1915 and instigated the move to New York City in fall 1916. Kennedy has paid particular attention to the many legends connected to the group (such as the "discovery" of Eugene O'Neill), and also adds to the biographical record of the Players' forty-seven playwrights, including Susan Glaspell, Neith Boyce, Edna St. Vincent Millay, Floyd Dell, Rita Wellman, Mike Gold, Djuna Barnes, and John Reed. Kennedy also examines other fascinating artistic, literary, and historical personalities who crossed the Players' paths, including Emma Goldman, Charles Demuth, Berenice Abbott, Sophie Treadwell, Theodore Dreiser, Claudette Colbert, and Charlie Chaplin. Kennedy highlights the revolutionary nature of those living in bohemian Greenwich Village who were at the heart of the Players and the America they were responding to in their plays.

Playing Detective Robert Eidelberg, 2014-03-24 PLAYING DETECTIVE A Self-Improvement Approach to Becoming a More Mindful Thinker, Reader, and Writer By Solving Mysteries By Robert Eidelberg The intentionally long subtitle to PLAYING DETECTIVE comes close to saying it all about this unique two-in-one book but not quite. PLAYING DETECTIVE is both a book to read for the fun of it and a book to read for self-improvement if you are looking to become a better thinker, reader, and

writer. The for-the-fun-of-it part comes from reading and wondering about the mystery-solving approaches and skills of the contemporary and classic detectives showcased in these 17 remarkable mystery stories. The self-improvement part comes from the books four special interactive features: Suspicious?, How Clever?, DetectWrite, and Dont Peek! Multiple Suspicious? intermissions in the margins of each mystery are strategically placed to help you to think like a detective and like a good reader. Their provocative questions prompt you, as you read, to note and track clues and to make predictions while immersed in the mystery. How Clever? questions and activities, located immediately after each mysterys conclusion, give practice in the skills of detection and reflection so vital to the self-improvement goal of becoming a more observant reader and more mindful thinker. How Clever? sections enable you to review the now-solved mystery, analyze the strengths and weaknesses of your own Suspicious? speculations, and evaluate just how capable both you and the storys fictional sleuth were in arriving at a solution. DetectWrite writing prompts following all the How Clever? sections of each mystery help you to establish your own voice as a more effective writer in a variety of writing forms while also giving you many opportunities to write like a detective story author. At the very end of the book (but dont jump to any conclusions!), the more than thirty pages of the Dont Peek! section provide one readers commentary: mindful explanations and a best reading of the solutions (not necessarily the answers) to the 17 case studies in PLAYING DETECTIVE.

A Detective's History of Psychology Diane Mello-Goldner, 2024-07-22 Are you captivated by detective fiction and mystery stories? Do you enjoy solving puzzles or explaining other people's behavior? Have you ever thought Miss Marple would make a good therapist or Sherlock Holmes an excellent researcher? If so, you probably have already seen the connection between detective fiction and the field of psychology. This book introduces key concepts and theories of psychology through the lens of mystery fiction. Designed for curious readers of all backgrounds, it explores the crossroads of detective fiction and psychology. Thought-provoking activities and questions enhance readers' inquisitiveness, deductive reasoning, critical thinking, and psychological insights.

The Cambridge Companion to Chekhov Vera Gottlieb, Paul Allain, 2000-11-04 This volume of specially commissioned essays explores the world of Anton Chekhov - one of the most important dramatists in the repertoire - and the creation, performance and interpretation of his works. The Companion, first published in 2000, begins with an examination of Chekhov's life, his Russia, and the original productions of his plays at the Moscow Art Theatre. Later film versions and adaptations of Chekhov's works are analysed, with valuable insights also offered on acting Chekhov, by Ian McKellen, and directing Chekhov, by Trevor Nunn and Leonid Heifetz. The volume also provides essays on 'special topics' such as Chekhov as writer, Chekhov and women, and the Chekhov comedies and stories. Key plays, such as The Cherry Orchard and The Seagull, receive dedicated chapters while lesser-known works and genres are also brought to light. The volume concludes with appendices of primary sources, lists of works, and a select bibliography.

Literature to Go Michael Meyer, 2010-10 Literature to Go is the long-trusted anthology, The Bedford Introduction to Literature, sized and priced to go...[it] is a brief and inexpensive collection of stories, poems, and plays supported by class-tested, reliable pedagogy and unique features, that bring literature to life for students--Pref.
