

Whats Wrong With Woolly In The Lincoln Highway

Sharon Osborne Brown

The Lincoln Highway Amor Towles, 2023-03-21 #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, a New York Times Readers' Choice Best Book of the Century, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope." —Bill Gates "A real joyride . . . elegantly constructed and compulsively readable." —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by Towles's writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." - Bill Gates

Summary of The Lincoln Highway by Amor Towles Condensed Books, 2022-04-27 A high-quality summary of Amor Towles's book *The Lincoln Highway*, including chapter details and analysis of the main themes of the original book. About

the original book: June 1954. Emmett Watson, then eighteen, is driven home to Nebraska by the warden of the juvenile work farm where he had just completed a fifteen-month sentence for involuntary homicide. Emmett's plan is to pick up his eight-year-old brother, Billy, and fly to California, where they can start their lives over, with his mother long gone, his father lately deceased, and the family farm foreclosed upon by the bank. However, after the warden drives away, Emmett discovers that two of his work farm pals have secreted themselves in the warden's car trunk. They've devised a whole different plan for Emmett's future, one that would lead them all on a perilous voyage in the opposite direction—to New York City. Towles' third novel, which spans only 10 days and is recounted from several points of view, will delight admirers of his multi-layered literary style while also introducing them to a variety of new and brilliantly imagined locales, characters, and topics.
