The Boy Who Could Predict Earthquakes Kurt B. Bakley, 2010-04-13 Did the Bible and Nostradamus predict six earthquakes and other events to happen in the years of 2010-2015? Did they give exact places, dates and times? Those dates and places are as follows: May 19-20, 2010, a Los Angeles earthquake, May 17-18, 2011, a Rome, Italy earthquake, May 30, 2012 a earthquake (New Madrid and/or Jerusalem) or trouble in the U.S. and/or Israel that kills two-three famous people, November 3-4, 2013, a Iranian earthquake and/or Bin Laden is killed or an earthquake happens where he lives, November 21-22, 2014 a San Francisco or Seattle earthquake, and 2015 the sixth earthquake. During these years from 2010-2015 there could be wars, terrorists attacks, plane crashes, trouble with nuclear power plants, storms at the time of some verdict in some national known trial, great tornadoes or water spouts, volcano eruptions, two or three famous people die, strange darkness and lights, comets or asteroid impacts here on earth or on the moon and other planets and moons, strange sun disturbances, flooding and other man made or natural disasters. Documentation from Nostradamus, the Bible and other sources give the years and sometimes the exact dates and times of these events. This book was written by February 14, 2010.

The Experiment at Philadelphia Kurt B. Bakley, 2016-08-29 The Experiment at Philadelphia Did Einstein discover God? If God created all things, then who Created God? What Was and Happened Before the Big-Bang. The Philadelphia Experiment was Einsteins experiment in which he had not only discovered, in 1943, the way to make things invisible and transport them at great speeds but also positively proven scientifically, physically, and spiritually that the Almighty God exists! He had literally discovered God! That question, is there a god? Thats been going through peoples minds for so long, was discussed on the street corner, talked about on the porch on a hot summers night, and is now a proven fact. Yes, there is a god! Did Einstein in the Philadelphia Experiment make contact with UFO beings, who gave him advance knowledge of all things, which Einstein later destroyed, fearing what the world would do with that knowledge? Are the first fourteen chapters of this book about the advance knowledge Einstein received? Does it reveal the deepest, darkest secrets of God and Satan and how the universe works? Does it answer these questions? Many have asked since the beginning of the world: Which is known as the mystery of God? Why am I here? Whats the true meaning of life? How was everything created? Who are God and the devil? If God created all, who created God? If he is the first in creation, where and how did he come into existence? Why does

God allow evil in the world? Why do good things happen to bad people and bad things to good people? Why if we all came from Adam and Eve, who were Jewish are there Gentiles? Are Gentiles children of devils? Is that why the Jews are God's chosen race? Why in the Garden of Eden was the knowledge of good on the tree forbidden? How old is the earth? Why is God known as the Trinity? Why have religions, down through the ages, done such evil? What, when, and how did the big bang start? What happened to Satan? Who is he really, and what did he do in the past? What are his beliefs and ways? What is he and God literally made of? What is the meaning of the great pyramids and the sphinx? Is there scientific proof that God exists? Read this whole book for the answers to all these tough questions, and be sure to read the introduction first before reading the rest of this book. It will help you better understand this whole book.

House of Faith House of Cards Eric N. Davis, 2010-05-21 Concise. Vivid. Honest. - Dan Barker, critically acclaimed author of 'Godless' and 'Losing Faith in Faith' Brutally honest, insightful, and compelling storytelling. - Lyndon Lamborn, author of 'Standing for Something More' When a young couple searched for clues connecting them to a famous ancestor, their journey led them on a path they never expected - converting to Mormonism. House of Faith House of Cards tells the turbulent life story of their son, Eric, including all the typical Mormon experiences, and some extraordinary episodes no Mormon will ever encounter. He participated with family members in his first secret temple ritual - normally reserved for adults - at the age of four, only to be excluded from a similar ceremony, involving his family, thirteen years later. In 1857, a company of 120 immigrants set out from a small Arkansas town, toward California. In a tragic twist of fate, they never reached their destination. While encamped in southern Utah, local Mormons and Paiute Indians launched an ambush, brutally slaughtering the group, in what became known as the Mountain Meadows massacre. 125 years later, Eric would be raised as a Mormon in the same Arkansas community where this wagon train initially departed. There, he learned just how much some people still despised that faith. While training for and serving a church mission in Canada, in the mid-1990s, Eric shared a room and became acquainted with a fellow missionary named Mark Hacking. Less than a decade later, when the disappearance and murder of Hacking's wife became highly publicized, several international media outlets approached Eric, searching for any juicy detail of the man's troubled past. These stories are just the tip of the iceberg.

The Crystal Path Mina Elle Slappery, 2009-01-28 A twenty-five year international event called the Harmonic Convergence began on August 17, 1987 and is an intermingling of humans and Angels, ending in 2012, and ushering in the Age of Aquarius or Golden Age. Gabrielle Stone was a participant who watched as a prophecy of worldwide changes began. Jewish and Christian scholars decoded the Holy Books for secrets; one of which is the date when time as we know it comes to an end, consistent with the end of the Mayan Calendar on December 21, 2012. Gabrielle finds answers to mysteries suppressed by world governments and organized religion, while meeting a group of international friends and finding

romantic love that had been absent from her life in years. While on the legendary Crystal Path, she has the surprise of her life.

Passover & Sukkot Thomas H. Perdue,2011-09-27 Passover & Sukkot, Forever explains the adoption of Constantine's Counsel of Nicene in 325 CE, of Pagan Christmas and Easter in the Christian faith, and why those holidays, celebrated in all Christian faith denominations should not be celebrated. The work discusses why Passover should be recognized and will be ongoing forever and the Festival of Sukkot is the celebration and honoring of the birth of our Lord. Written to show that Easter and Christmas are never mentioned in the Bible, yet our churches today are celebrating Christmas as Christs birthday, when it can be shown that Christ was born at an earlier time of the year In fact, Christmas was not even introduced to America until the middle of the 19th Century.

Fighting Colors Gary Velasco,2004 This new book by Artist/author Gary Velasco is an illustrated history on the creation of military aircraft nose art. This comprehensive volume covers the technical aspects of how nose art was applied to vintage military aircraft and the uses of materials, supplies and development of nose art designs as researched through discussions with surviving nose artists. The author examines and analyzes the WW II era b/w photographs and reveals their color content along with many never-before-published photos, thereby recreating step-by-step actual flying warbird nose art restorations for the first time. Fighting Colors is a graphic tool for all enthusiasts of pinup and vintage aircraft nose art. a common trade. For veterans and their families, Fighting Colors will serve as a source of reflection and inspiration for years to come.
