My Potent Beautiful CEO Wu BeiXiaoYao,2020-08-24 Xiao Ling entered a large company, and his life as a group of beauties began. A charming female secretary, a seductive female assistant, and a unruly female director. With the help of the various women around him, he had managed to escape the whirlpool of office battles time and time again. He wrote a story about how he was proud of his love life, and how he struggled to rise to greatness in his job ...

The Hot Love of Male Secretary Chi XiaJiaoDeXia,2019-10-06 Xiao Lianhe had just been hired into a large corporation and was about to go all out when he suddenly realized that his superior was actually a beauty who had been assaulted in his chest. Married To The Mad Prince, Unleashing Hell On Earth Peggy L Hales, Yun Zhao once believed that the heir of the Marquis of Huai'an, who saved her from a living hell, was her destined soulmate. To marry him, she didn't hesitate to expose her secrets, helping him climb the ranks of power and prestige. What she got in return—was her blood drained and her corpse discarded in the wilderness. After reincarnating, she learned the cruel truth: the scumbag had used her from the start. She was supposed to be the true noble daughter of the Marquis' household, but her identity was maliciously swapped. Her birth parents, blinded by power and wealth, refused to acknowledge her even after learning the truth—forcing her, the real daughter, to pave the way for the fake one through a political marriage. Yun Zhao sneered coldly and turned to cling tightly to the Crown Prince's leg, tearing all pretenses with her so-called family. She schemed to make the fake daughter and the scumbag sacrifice everything for the Marquis household, only to be thrown away in the end as scapegoats. Yun Zhao rose high, becoming the esteemed Crown Princess, while her former family cried and begged at her feet for forgiveness. Want to acknowledge her now? Too late! Rumors said the Crown Prince was a cruel, cold-blooded man, known for his violent nature and heartless ways. But as Yun Zhao tried every trick in the book to seduce him, she discovered the Crown Prince was, in fact, a repressed, old-fashioned prude. Nonsense! No touching, no pulling! How improper! She pushed her luck and flirted

boldly—until she finally dragged this proud prince down from his pedestal. Ah Zhao, when will we finally consummate our marriage? Your Highness, when will you make me your empress?

The Heir and the Sage, Revised and Expanded Edition Sarah Allan,2016-09-07 This book presents a comprehensive analysis of the accounts of change of rule in Chinese texts from 600 to 100 BC, including the core philosophical works of the Chinese tradition attributed to Confucius, Mozi, Mencius, Xunzi, Hanfeizi, and Zhuangzi. Drawing from the early structuralism of Claude Lévi-Strauss, Sarah Allan demonstrates that similar motifs repeat in every period, and argues that they serve, like myth, to mediate the inherent social conflict between kinship relations and that of the larger community. This conflict is embodied in the idea of a dynastic cycle, founded by a virtuous sage king and passed down hereditarily until a last evil ruler is again replaced, and played out at regular intervals in legends of kings and ministers, heirs and sages, ministers and recluses, regents and rebels. Each philosophical text transforms the legends in a systematic manner to reflect its own understanding of the patterns of history that inform the present. In this revised and expanded edition, Allan has added translations and original Chinese texts, as well as a new introduction further analyzing structuralism and discussing how the book remains relevant to ongoing sinological arguments. An earlier article by Allan, with supporting evidence for this book's thesis, is included as an appendix.

Roaring Fierce Soldier Xiao Feng,2020-06-26 He was the instructor of a mysterious troop and the number one soldier that all forces feared when he returned to the city and the dragons entered the sea he was also a prodigal who had fallen into the trap of millions of young ladies.

The Spoiled Farm Girl Mao Juan,2020-05-27 The third was: Madame goes out to 'obey'; Madame orders' obey '; Madame says' obey 'in error. The third was: Madame goes out to' obey '; Madame orders' obey '; Madame says' blind '. Fourth De: The madame has to wait for her makeup; the madame has to give up her money; the madame has to endure her anger; the madame has to remember her birthdays. Everyone envied him how mighty he was, a prince of the Crown Prince's house, holding a golden spoon in his mouth. However, who would have known that he would be so scared that he would start to fight

with the kitten every day. Then, he would take a wrong step and wash his clothes on a wooden board. She was clearly a 'naive and innocent' peasant girl, but in the blink of an eye, she turned into a tigress who was secretly stealing her lungs. Three from four minds remember, only for the Madame's appearance. Husband and wife returned to the fields, and the imperial power and wealth could be thrown away.

Dangerous Pleasures Gail Hershatter, 2023-09-01 This pioneering work examines prostitution in Shanghai from the late nineteenth century to the present. Drawn mostly from the daughters and wives of the working poor and declassé elites, prostitutes in Shanghai were near the bottom of class and gender hierarchies. Yet they were central figures in Shanghai urban life, entering the historical record whenever others wanted to appreciate, castigate, count, regulate, cure, pathologize, warn about, rescue, eliminate, or deploy them as a symbol in a larger social panorama. Over the past century, prostitution has been understood in many ways: as a source of urbanized pleasures, a profession full of unscrupulous and greedy schemers, a changing site of work for women, a source of moral danger and physical disease, a marker of national decay, and a sign of modernity. For the Communist leadership of the 1950s, the elimination of prostitution symbolized China's emergence as a strong, healthy, and modern nation. In the past decade, as prostitution once again has become a recognized feature of Chinese society, it has been incorporated into a larger public discussion about what kind of modernity China should seek and what kind of sex and gender arrangements should characterize that modernity. Prostitutes, like every other non-elite group, did not record their own lives. How can sources generated by intense public argument about the larger meanings of prostitution be read for clues to those lives? Hershatter makes use of a broad range of materials: guidebooks to the pleasure quarters, collections of anecdotes about high-class courtesans, tabloid gossip columns, municipal regulations prohibiting street soliciting, police interrogations of streetwalkers and those accused of trafficking in women, newspaper reports on court cases involving both courtesans and streetwalkers, polemics by Chinese and foreign reformers, learned articles by Chinese scholars commenting on the world history of prostitution and analyzing its local causes, surveys by doctors and social workers on sexually transmitted disease in various Shanghai populations, relief agency records, fictionalized accounts of the scams and sufferings of prostitutes, memoirs by former courtesan house patrons, and interviews with former officials and reformers. Although a courtesan may never set pen to paper, we can infer a great deal about her strategizing and working of the system through the vast cautionary literature that tells her customers how not to be defrauded by her. Newspaper accounts of the arrests and brief court testimonies of Shanghai streetwalkers let us glimpse the way that prostitutes positioned themselves to get the most they could from the legal system. Without recourse to direct speech, Hershatter argues, these women have nevertheless left an audible trace. Central to this study is the investigation of how things are known and later remembered, and how, later still, they are simultaneously apprehended and reinvented by the historian. This pioneering work examines prostitution in Shanghai from the late nineteenth century to the present. Drawn

mostly from the daughters and wives of the working poor and declass  elites, prostitutes in Shanghai were near the bottom of class and gender hierarchy
