Dorn Ph.D., 2021-11-24 The accumulation of the following quotes began when I served the Army chief of staff as a speechwriter and is a result of encouragement that my father provided to me every day of our lives together. This is a very small slice of the wisdom of the ages uttered by the more famous and not-so-famous people of their respective time periods. Much of that wisdom uttered decades and even hundreds of years ago are still as relevant today as they were when they were uttered. The times may change, but people don't.

*Practical and Inspirational Guidelines for Winning* J. David Irwin, 2021-05-27 This book contains a compilation of lessons learned over a lifetime of study in the school of hard knocks through a wide spectrum of activities that range from family interactions on the one hand to complex business/professional involvements on the other. As a result, numerous personal

examples, coupled with biblically and spiritually based inspirational material, are provided that serve to illustrate the ideas and concepts that have been applied to achieve a winning outcome in these environments. Within the context of this book, winning refers to the attainment of a successful outcome, regardless of the context, and although many of the concepts and ideas discussed will be confined primarily to the interpersonal relationships among individuals and presented in the framework of a business or family environment, they are also applicable when dealing with members of a civic organization, a church group, a professional organization, or any other group where people interact or work together for some common goal. Although the achievement of successful personal interactions in any endeavor can be difficult and the optimum path unknown, when the effort is systematically performed in concert with Almighty God, winning can become a way of life.

this journal/book. Initially I posted quotes that were already familiar or famous personalities who have had significant impact to society. Later this led to lot of research and learning on my own part. Here as part of this collection, I present to you what I learnt about the quote, the leaders and the quotes in turn had some meaningful thought provoking learning overall.

FAMOUS SUCCESS QUOTES Aberdin Louis, 2016-01-18 believe in everyone who has goals they are willing to work hard to attain. I have learned over the years that you have to have a vision that feels so vivid that it is true before it ever manifests in real life. Everyone who asks me what, how or when to pursue their goals I say to them this: you have already accomplished most of what you are trying to do because you know what you want. The other 50% is working as much as it takes to attain and maintain your vision. Lastly, when it comes to money, the preservation of wealth is as or more important than the accumulation of wealth. Think of all of this as you set out on your journey to make your vision a reality. The benefits of positive emotions don't stop after a few minutes of good feelings subside. In fact, the biggest benefit that positive emotions provide is an enhanced ability to build skills and develop resources for use later in life.

Weapons of Peace Mary Trask, 2011-03-01 In the midst of a chaotic, uncertain world, *Weapons of Peace* brings stability and hope through the most powerful tool in your spiritual arsenal-peace. Filled with gripping, life-changing testimony, *Weapons of Peace* gives you encouragement and power to overcome fear and worry. And the harvest of righteousness (of conformity to God's will in thought and deed) is [the fruit of the seed] sown in peace by those who work for and make peace [in themselves and in others, that peace which means concord, agreement, and harmony between individuals, with undisturbedness, in a peaceful mind free from fears and agitating passions and moral conflicts (James 3:18 AMP). Greatly tormented by fears as a child, I have learned by personal experience how to overcome fear and to walk in peace. The Holy Spirit has taught me how to speak and release the peace of God over others, causing some immediate and dramatic deliverances and healings, writes author Mary Trask. *Weapons of Peace* shows why peace in these last days is not only fundamental to the Kingdom of God but is also a weapon for establishing the Kingdom of God both in your life and the lives of others.

Standing on the Edge of Your Tomorrow Take Charge and Win! Robert Lee, 2010-05-01 The Buzzing Bee Once, we left the

patio door open, a bee flew in. It hit the window repeatedly trying to get out. We could hear it buzzing from the top to the bottom of the window. It saw the beauty outside and worked very hard trying to get out, but we knew that its effort was futile! If it were a fly, we would have used the swatter and ended its misery. However, since it is a beneficial insect, we opened the door and chased it out. All of a sudden, four important lessons came to mind: 1. Hard work alone may not be able to solve our problem. 2. Often the solutions come from doing it another way-thinking outside the box. 3. Sometimes the Almighty sees us in our predicament and shows us a way out. 4. I believe that it is our mission in life also to show some struggling people the lessons we learned and the opportunities we saw and show them a way out. Two roads diverge in the woods, and I took the one less traveled, and that has made all the difference.-Robert Frost, 1920 Give the world the best you have, and it may never be enough; Give the world the best you've got anyway.-Mother Teresa (1910-1997) Any fool can count the seeds in an apple, Only God can count the apples from one seed!-Dr. Robert H. Schuller

**The Hidden Fortune Within the Mind and Beyond** Barbara Brusky, 2011-08-12 *The Hidden Fortune within the Mind and Beyond* describes in great detail how everybody who has the will to change the way they think, speak and act can live a life filled with passion, prosperity, joy, love, and harmony. This book is intended to guide you, with steps to obtaining an abundance of wealth in all areas of your life. If you truly want to create the best possible life for yourself, you need to keep your faith in the unseen and believe that all things are possible. You're only as successful as your dreams, and your dreams are only as successful as your power to believe in them. Today is your day to celebrate the journey of unveiling all your fortunes in life.

**They Never Said It** Paul F. Boller Jr., John George, 1990-06-14 Abraham Lincoln never said, You cannot fool all the people all the time. Thomas Jefferson never said, That government is best which governs least. And Horace Greeley never said, Go

west, young man. In *They Never Said It*, Paul F. Boller, Jr. and John George examine hundreds of misquotations, incorrect attributions, and blatant fabrications, outlining the origins of the quotes and revealing why we should consign them to the historical trashcan. Many of the misquotes are quite harmless. Some are inadvertent misquotes that have become popular (Shakespeare actually said, The best part of valor is discretion), others, the inventions of reporters embellishing a story (Franklin Roosevelt never opened a speech to a DAR group with the salutation, My fellow immigrants). But some of the quotes, such as Charles Darwin's supposed deathbed recantation of evolution, falsify the historical record with their blatant dishonesty. And other chillingly vicious ones, filled with virulent racial and religious prejudices, completely distort the views of the person supposedly quoted and spread distrust and hatred among the gullible. These include the forged remarks attributed to Benjamin Franklin that Jews should be excluded from America and the fabricated condemnation of Catholics attributed to Lincoln. An entertaining and thought-provoking book, *They Never Said It* covers a great deal of history and sets it right. Going beyond a mere catalog of popular misconceptions, Boller and George reveal how rightists and leftists, and atheists and evangelists all have at times twisted and even invented the words of eminent figures to promote their own ends. The ultimate debunking reference, it perfectly complements handbooks of quotations.

**Christianity in the Crosshairs** Bill Wilson, 2011-07-28 Don't let detours become dead ends that hinder you from fulfilling your destiny! Christianity in the Crosshairs will help you to avoid the many tantalizing shortcuts that appear along life's way seeking to minimize cost, increase energy and save time. You will learn how to: Walk in faith as you face impossible situations. Remain faithful when others abandon the cause. Persevere in the midst of challenging situations. Enter into your own destiny and make your dreams come true. Overcome doubt and despair in the midst of hopeless circumstances. Tested in the fires of life these truths are not peppered with religious rhetoric but are living principles that will encourage, motivate and hopefully provoke you into action as you stand in the crosshairs of the Enemy who seeks to destroy your dream.

**The Midnight Song** Anita Pearce, 2019-01-08 Shadows may fall across the path of life, causing distress, dismay, and doubt. Trouble-filled dark experiences may seem stark and hopeless. Yet the Word of God brings the certainty that God's Almighty Hand is always in control. His unfailing presence and promises can restore the song in the midnight of the soul. Drawn from personal observations and adventures, this compilation of both amusing and serious reflections endeavors to inspire and challenge. We can all discover practical spiritual truths in daily experiences. Ultimately, the challenge is for everyone to passionately pursue Christ. As we seek to know and follow the Lord, He provides empowerment and grace for every situation. These illustrations may bring laughter, tears, and revelation—sometimes all at once! Hearts will be inspired to trust the unfailing God.

*Hidden History of Henry County, Indiana* Darrel Radford, 2024-07-22 The rural landscape of Henry County, Indiana, offers a bumper crop of captivating stories deeply rooted in history. John Snowball Merida's towering, crowd-thrilling home

runs could have landed him in the Major Leagues were it not for his skin color. Native son Gen. Omar Bundy refused to retreat in World War I. His decision in all probability saved Paris from the Germans. A solitary chimney stack is an oddity in a green landscape, but it was in this spot more than a hundred years ago that a decision changed the course of New Castle history. Compiling stories of brave veterans and basketball heroes, nationally known catchphrases and political could-have-beens, author and local historian Darrel Radford uncovers lost gems from Henry County's past.
